Emergency 911

December 20, 2011

To All Bridgeville Residence;

I am submitting this message to you as a public notification regarding recent vehicle burglaries and stolen vehicle throughout the Town. In all the cases the vehicle owner left their vehicle unlocked which made the crime easy to accomplish.

Please remember to lock your vehicles at all times and remove any valuables and Christmas presents from plain view. A locked vehicle with no valuables is less likely to be stolen or burglarized.

Very truly yours,

Robert J. Longo

Chief of Police
