Town Commissioners  
Town of Bridgeville  
101 North Main Street  
Bridgeville, DE 19933

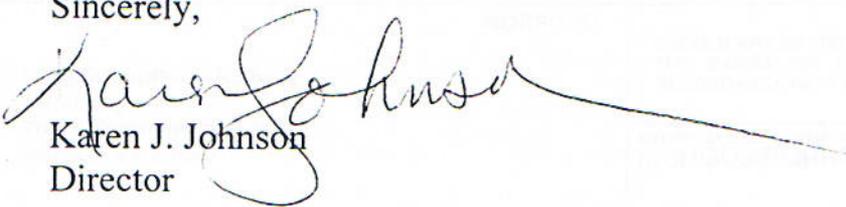

Dear Commissioners:

This letter is the request a "Hometown" carnival night at the 24<sup>th</sup> annual Apple-Scrapple Festival on Thursday, October 8<sup>th</sup>. This extension of Carnival time would give the locals a chance to ride without having to wait in long lines, as sometimes happens on Saturdays. This will be advertised in the local schools and local newspapers. Carnival rides would be "pay one price" bracelets for the evening.

The library is the current lease holder of the Norfolk Southern Railroad property located on Railroad Avenue. We have a current liability insurance policy for \$2 million coverage.

I am enclosing a copy of Sherwood Amusements and Bridgeville Library's certificate of liability insurance. Additionally, I am enclosing validation of the library's lease with Norfolk Southern. Thank you for your consideration of this request.

Sincerely,

  
Karen J. Johnson  
Director
