

TOWN OF BRIDGEVILLE

THE J URN L

VOLUME 81 CHAPTER 916

JUL/AUG/SEPT 2016

From the President's Desk

Students are back in school and the days are getting shorter, which signals that Fall is on its way. There's a lot going on in and around Bridgeville at this time of year. We trust you will take full advantage of the many events that are listed in this newsletter.

Bridgeville's Night Out Against Crime took place on September 15th and was a great success. The event was spear-headed by Patrolman First Class Justin Wechtenhiser and Police Department Secretary Robin Bohn. Their efforts were rewarded with a huge crowd that ate 500 hotdogs, Vanderwende's ice cream and more! There were too many organizations in attendance to thank them all, from 4-H to our DE State Policemen on horseback. We appreciate all the local businesses and organizations that worked together to make this a successful Night Out.

The Apple Scrapple Festival is just around the corner and we are particularly excited as this is our 25th Anniversary year. Last year's event had the highest participation in 5 years, with over 30,000 in attendance. We are planning to make this year's anniversary celebration one to remember! Our simple neighborhood festival has grown to rival many events on the Eastern Shore and beyond! The Apple Scrapple Festival has been listed for the second time in the American Bus Association's "Top 100 Events in North America" for 2016. What an honor!

The Festival, organized in 1991, is held annually to encourage tourism in western Sussex County. It assists community organizations, promotes local agri-businesses and is one of the most important fundraisers for many of our local non-profit organizations. The festival is run completely by an all-volunteer committee for the benefit of the community.

I would ask all of our residents to help us showcase our Town to the thousands of people who will be visiting. There are obvious inconveniences; however, this festival has given our Town a wonderful reputation - people love to come to Bridgeville! It is also an important fundraiser for our school and community service organizations. We're looking for great weather and a large crowd. For those of you who live in the festival area, you are already aware of clearing the streets for food vendors, Car Show participants etc. The Commissioners and Apple Scrapple Festival Committee are very appreciative of our residents' and homeowners' cooperation. More Apple Scrapple information is located on page 5 of this newsletter.

Please help us acknowledge Reese Craver, Eric Johnson and Jacob Johnson, members of the JROTC program at Woodbridge High School, who have assisted the Town Hall this summer by faithfully watering our flower barrels in the downtown area and at Town Hall. Thank you gentlemen!

Don't forget the Christmas in Bridgeville Craft Show on December 3rd from 9 AM to 3 PM; it is the perfect event to start your Christmas shopping. I'll see you there!

Minutes from the Monthly Commission Meetings

July, August, September 2016

The Commissioners are pleased to announce that Lt. Burke Parker has been promoted to acting Bridgeville Police Chief. The Town has recently sent two new cadets to the Delaware State Police Academy for training and in the meantime, Police Officer Wagner Matos has been hired on an "as needed basis" in the department. The Town anticipates a full complement of officers in the near future.

Town Manager Savage has requested Representative Dave Wilson's assistance in placing Bridgeville in the State's Bond Bill, as the Town is researching every avenue to fund an essential sewer plant upgrade. Additionally, an application has been submitted to DNREC to refinance our existing debt.

Mr. Jim Smith from Delmarva Power presented upcoming transmission line improvements from Bridgeville to Harrington. Existing 60-ft. wooden poles will be replaced with steel poles of 80-100 ft., which will require less maintenance and withstand 120 mph. hurricane force winds.

The Town Commission and Planning & Zoning Commission are reviewing our Comprehensive Plan, with the assistance of our Town Engineers for a required update.

After annexation in May of 2015, the property at 502 S. Main St. has been added to Election Voting District #5. Any future annexations will go through this process, as well.

A Resolution was adopted naming the Kiwanis and Lions Clubs as beneficiaries of the 2016 Golf Tournament proceeds on October 14th.

The Commission has chosen to sell the Town's 2007 street sweeper, due to problems with tree heights and the need for a CDL license to operate the machinery. They believe this is a financially responsible direction in which to move.

The Commissioners welcome Mr. Matthew Davis from District #5 to the Town's Planning and Zoning Commission. This seat was vacated by Mr. Ed Lewandowski when he recently moved out of Town. The Commission consists of seven members, representing our five voting districts.

A new Police Department vehicle will replace 2005 and 2007 vehicles; the oldest will now be a 2008 Dodge Charger.

We welcome Street Superintendent Rick Passwaters back to work after an extensive medical leave. He has been sorely missed and we are grateful for his recuperation and return!

The Sanctuary for Kids playground next to Union United Methodist Church is in need of equipment repairs. A Church committee will address the concerns. Per the grant agreement for the playground, DNREC inspects the facility every 5 years.

Residents expressed concern about cars speeding down streets in Town and the need for a greater Police presence. The Town continues to use the speed detection units to assist in slowing down our vehicles.

It was suggested that the Town place its stored benches on Cannon St. during the Apple Scapple Festival to assist older and handicapped individuals.

The Town property taxes were due September 30 and past-due accounts will incur a 2% penalty. The total billing for FY-17 was \$714,244.

The FY-17 Capital Budget has been finalized and includes:

Street Dept. - \$15,000 (Bike Path/Ball Lane Improvements)	
Wastewater Dept. - \$13,000 (Clarifier Sludge Pump)	
Police Dept. - \$35,000 (new patrol vehicle)	
Water / Administrative Depts. - \$0	\$63,000 Total

Economic & Community Development (EDC)

In August the committee met with Sussex County Chief of Building Code, Andy Wright and Bridgeville Code Enforcement Officer, Jerry Butler, to gain a better understanding of code responsibilities.

A second round of Façade Improvement Grants is being offered to businesses on Market St. Completed applications should be delivered to Town Hall by 4:30 P.M. on Wednesday, October 12. Awards will be made October 19 and work must be completed by December 28, 2016.

EDC is coordinating an effort between the County Preservation Planner, historic property owners and the Bridgeville Historical Society to find ways to achieve its strategic plan goal of town-wide historical preservation.

Bridgeville license plates are available at Town Hall, T.S. Smiths, Evans Produce and Downtown Alley. Inventory is low so purchase them now while they are still available!
