

## **October 2016 Town Manger's Report**

### **Economic Outlook:**

The Town collected \$7,297 in building permit fees during the month of October. There were four (4) building permits issued for new construction.

The Town also received a check from the Recorder of Deeds in the amount of \$17,844 for realty transfer taxes collected on our behalf.

### **Bike Path & Ball Lane:**

Legislators have committed funding for 97% of the project. We could not use CTF monies for the fence and the bidding process. However, we have received a check from the County in the amount of \$5,000 to offset the difference, leaving the Town to finance approximately \$10,000, which is in the budget.

### **FY16 Audit:**

The draft audit was just made available and will be reviewed. Lank, Johnson and Tull are still on schedule to make the presentation at the December Commission meeting.

### **Smoke Testing:**

The will be smoke testing our wastewater infrastructure beginning in November. Upon review of our influent flows during rain events, we have significant infiltration and inflow issues during periods of rain, especially when the rainfall is excessive. This causes us to 'treat' storm water at the plant, costing us time, materials, chemicals, etc. Once locations of I&I have been determined, the Town will have to take the necessary steps to correct the issue(s).

Police Department- New Cadets:

Both of our cadets (Clark and Smith) have made it successfully through October.

Apple Scrapple:

The annual festival and associated golf tournament were a success. We were blessed with good weather and a good turnout. The golf tournament raised over \$25,000 and each beneficiary of the event should be presented with a check in November once all expenses have been determined.

Upcoming Events:

- November 16<sup>th</sup>- Commission Workshop
- December 3<sup>rd</sup>- Christmas in Bridgeville
- December 17<sup>th</sup> – Bridgeville Christmas Parade

Regular daily activities and duties were completed throughout the month, and weekly department meetings were held. Also attended necessary quarterly and monthly meeting pertaining to SCAT, DLLG and CMAD.

Respectfully Submitted,

Jesse Savage  
Town Manager
