Hydrant Meter Lease Agreement

This agreement will serve as a contract between the Town of Bridgeville and _____ (Lessee) that will allow for the use of the Town's Hydrant Meter for a period of 5 days. The Rental Fee for the use of the meter is \$250. In addition to the Rental Fee, there are associated costs related to the actual amount of water used. That amount will be calculated using the rates below once the final reading has been determined upon the return of the Hydrant Meter. If the meter is not returned within the five day period, a fee of \$50 per day will be charged until it is returned.

Water Rates:

- 0 – 5000 gallons = \$2.79 per thousand gallons
- 5001 – 10,000 gallons. = \$3.35 per thousand gallons
- Over 10,000 gallons = \$3.75 per thousand gallons

Upon execution of this agreement, the Lessee shall contact the Town of Bridgeville Water Department to schedule the connection and disconnection of the Hydrant Meter. For all connections the Water Department shall be given at least a minimum of 24 hours notice. Should the meter be damaged during this agreement it will be the responsibility of the Lessee, at the Town of Bridgeville's discretion, to repair the damage or replace the meter. The Lessee assumes all responsibility in the event of property damage or personal injury as a result of the use of the Hydrant Meter.
