

The Town of Bridgeville is in the process of updating the Town's Comprehensive Plan. This Plan serves as an official statement about the future of Bridgeville to help guide future development decisions, re-zonings, annexations, and capital improvements. The Plan is also an informational document for citizens, business people, and government officials to learn more about Bridgeville, its policies, and future land use decisions. This survey is to allow for the public to have the opportunity to provide input into the process. Please complete this survey and return to Town Hall where the results will be tabulated and documented for use in updating the Plan.
