OVER

1. Water meter readings.
2. Routine samples and readings at wells.
3. Monthly water samples and usage report for the Office of Drinking Water.
4. Performed routine duties and regular maintenance.
5. Meetings with Town Manger.
6. Marked various Miss Utility locate tickets.
7. Sent Allen Kent fire hydrant information for Antique Alley.
8. Capped off 2" PVC pipe found in ball field parking lot during bike path construction.
9. Collected data for the correction of the mix – match list created by meter reading software.
10. Helped Rick with banners in town.
11. Installed new toilet at Town Hall.
12. Inspected 6" fire line installation and pressure test at new building on Antique Alley.
13. Made fire hydrant information forms and put fire hydrant note book together.
14. Attended Asset Management meeting kick-off at Town Hall.
15. Attended the annual DRWA Conference in Harrington De.
16. Had Tieder Electric replace and repair faulty wiring and heat lamp bulbs at Heritage Shores water tower.
17. After our meeting with Tidewater last month, Tidewater installed touch coupler pads at the town houses. Now we can read their meters with our equipment. They previously had Itron readers which we could not read.
