Commissioner Carey questioned the Police Report concerning a missing child. Police Chief Parker advised our Police dog assisted in the search; however the child was found through other measures.

President Correll advised the Street Department assisted the Kiwanis Club, Lions Club and others in mounting the Veterans Banners on Market and Main Sts. She expressed her appreciation to the organizations for a long day's work. The banners will fly until September.

Town Solicitor Dennis Schrader advised he and Town Manager Savage will be representing the Town in court next week for a court order to demolish the building at 412 Market St. in Bridgeville.

VIII. ECONOMIC DEVELOPMENT UPDATE

The Economic Development Committee will share an update later in the Agenda.

IX. ENGINEERING UPDATE – Spray Irrigation

Town Engineer Jason Loar updated the Town's Treatment Plant and Spray Irrigation permit. They previously completed an Engineering Report recommending upgrading the plant at a total project cost of \$14-16 million. Even with funding sources, the Town will need a \$10 million loan. Discussions continue with the county concerning sending wastewater to Seaford for treatment.

In light of the costs, Mr. Loar has encouraged the Town to reconsider 100% spray irrigation for a wastewater solution, as the Wheatley property is under lease to the Town and extra acreage may be available. Current plant upgrades will be necessary. He is considering changing to 100% spray irrigation, with an upgrade to the plant and getting out of the stream completely. Mr. Loar believes it would be a win-win situation. The Town must create a larger lagoon to go 100% spray.

President Correll questioned the RBC process. Mr. Loar is looking at that option and others. He re-iterated that spray is a good, long-term option. The County will make a presentation of this proposal for Bridgeville/Greenwood to the Seaford Council tomorrow night.

X. CITIZEN'S PRIVILEGE

Mrs. Lynn Bennett from 500 S. Cannon St. discussed ruts in their property from vehicles driving through their field. She has called the Police Department with no answer and believes a police car could easily be hidden at the edge of the hedge row on Railroad Ave. to catch the perpetrator. The officer could also ticket drivers speeding on Railroad Ave. and not stopping at the stop sign. She doesn't believe anything is being done concerning her property and wants the area patrolled.

XI. OLD BUSINESS

A. Cable Franchise Agreement – Comcast of Delmarva, LLC

Mr. Chris Comer was in attendance from Comcast. The Commissioners have reviewed the draft agreement during recent Workshops. A franchise fee of 5% has been added to benefit right-of-way maintenance. The current agreement expires in 2 years and is non-exclusive. This will go into effect on August 1st.

Motion to approve the Cable Franchise agreement with Comcast of Delmarva, LLC – Banks; 2nd – McDowell; motion carried.

II. NEW BUSINESS

A. Woodbridge High School FFA Presentation

Removed from the Agenda.

B. Proposed Annexation – Dastgir, LLC Property at 18654 S. Main St., Bridgeville, DE

Mr. Ghulam Dastgir was in attendance to discuss the proposed Annexation and development of his property at 18654 S. Main St. Mr. Dastgir does not wish to continue selling gas and the tanks have been removed. He added the property is not a brown field and has been certified with the state.

Mr. Dastgir has had various people approach him with development ideas, including a Chinese restaurant, seafood or a Spanish food market. Code Enforcement Officer Jerry Butler has recommended that Mr. Dastgir wait to decide until after the Annexation. Mr. Dastgir's property is located between Wawa and Walgreens.

President Correll advised Mr. Dastgir has come to share his intentions for the property. He will return to the July 10th Commission for a Public Hearing and Annexation vote.

Attorney Schrader advised in the past, small Annexations requiring a Referendum have been a problem. This is a shortcut procedure permitted by a recent Charter Change that the Town can use for properties that don't exceed 5 acres. Mr. Dastgir's property is .52% of an acre. Should the Commissioners vote to annex the property at the July 10th Commission meeting, it will come into the Town as C-1 – general commercial property. Mr. Dastgir would then need to come before Planning and Zoning concerning the details of his plan for the property.

C. A Resolution to Adopt the Sussex County Multi-Jurisdictional Hazard Mitigation Plan

The Town is adopting the County Plan, which covers all participating Municipalities. The Plan is available on-line or at Town Hall for review.

D. A Resolution to Adopt the Town of Bridgeville FY-2018 Budget

The proposed \$2,687,450 budget has been reviewed at previous workshops. There are no fee increases in water/sewer or taxes.

Motion to adopt the Town of Bridgeville FY-2018 Budget – Tassone; 2nd – Carey; motion carried.

E. AN ORDINANCE TO AMEND CHAPTER 222 OF THE CODE OF THE TOWN OF BRIDGEVILLE AS IT RELATES TO DESIGNATED STREETS

This Ordinance accepts designated Heritage Shores streets into the Town for ownership and maintenance. (Phases 1B, 2A and 2B) The Ordinance has been amended to include the corrected Ruddy Duck Lane, rather than Ruddy Duck Drive.

A Public Hearing was opened by Solicitor Schrader at 7:53 P.M. to register agreement or opposition to the Ordinance. There being no persons who wished to speak in favor of or in opposition, Commissioner Banks made a motion to amend Chapter 222 of the Bridgeville Code to accept the new streets from Heritage Shores and re-name the Ordinance #17-3.

Motion to approve the vendor list and allow the Town Manager to approve any additional vendors – Tassone;
