The Bridgeville Town Commission adopted the Fiscal 2007 budget in June. We are pleased to announce that this budget will reduce our tax rate from \$1.83 per hundred dollars of assessed value to \$1.73. This 5% reduction in property taxes is the direct result of the growth of our tax base and marks the second time the Commission has reduced the tax burden of the people of Bridgeville. Controlled growth that is required to pay its own way is the hallmark of the Bridgeville financial picture. Look elsewhere in this newsletter for more particulars of the Fiscal 2007 budget.

We all are aware of the disturbing events in Seaford surrounding the funerals of two American Heroes. Your Commission is determined that these events will not be repeated in our Town. Towards that end we have introduced an ordinance to "Ensure the Peace, Safety and Good Order of the Town." We are confident that our attorneys have created an ordinance that will pass constitutional muster. This ordinance requires a protest or demonstration to obtain a Town permit at least 15 business days prior to the planned event. There is a fee required for the permit and a fee to cover any expenses the Town would incur in providing security on that date. We can also direct the protest to a section of the Town at least 1,000 feet from any lawful assemblies, religious services, memorial services, funerals or other community events. We believe the fenced area adjacent to our sewer plant would provide adequate security. We would rather not permit the type of disturbing protest that occurred in Seaford, but free speech requirements do not allow us such liberty. What a shame.

The Bridgeville Planning Commission, after a public hearing on May 30, 2006, has recommended the adoption of an amended Comprehensive Plan. This amended plan has been submitted to the Office of State Planning Coordination for their comments. The State has the right to comment but cannot stop the Town from adopting a plan supported by our people. Once the State has had the opportunity to review this plan, the Commission will hold its own public hearing. After that public hearing the Commission will act on the updated plan.

I have heard some comments about the proposed new Bridgeville Library. Under State law the Bridgeville Library Trustees, a completely independent board, has the legal responsibility and authority to build this facility. The Town has attempted to provide the funding for this construction. Heritage Shores Special Tax District bonds have been sold for \$700,000 and will be used for library construction. These bonds will be repaid by special taxes on this development and are not an obligation of the Town of Bridgeville. Additionally, every building permit issued for Heritage Shores provides \$100.00 that can be used for construction (\$200,000 will be realized). The donated land for this building, valued at \$200,000, has already been set aside.

This 1.1 million dollars for library funding is available but remains under the Commission's control. It is now up to the Library Trustees to build this facility. President Matt Davis reports the Library Trustees continue to pursue matching funds from the State that will enable them to go forward with their plans. We look forward to the Trustees' success in this endeavor.

We wish you all a pleasant and safe summer.

Town Manager's Report

Our Second Annual Memorial Day Celebration was held at the Veterans Memorial in the Bridgeville Cemetery. We appreciate all our residents who joined together to honor our veterans. A special thank you to those who helped make the Celebration a success - ROTC Gunny Michael Janiszewski, Christen Hatfield, Lay Reader Mary Parsons, Melissa Baker and Reverend Raymond Taylor. We pay our respects to all veterans - those who have served in the past and those who are currently serving our great nation - not just on Memorial Day, but every day. We thank you.

Maintenance and general upkeep of the Children's Sanctuary Park is ongoing. President Jim Mitchell reports new mulch will be spread throughout the Park, needed equipment repaired and a fresh coat of waterproof stain applied to all wooden structures. We appreciate the Kiwanis Club of Bridgeville for their manpower assistance.

A special thanks goes to Wastewater Superintendent Mowbray and Water Superintendent Jones for their extra efforts during the June rain storm and flooding. They

deserve a great deal of credit for keeping our water/sewer system operational.

I would like to personally thank Mr. Ralph Scott, III for his generous donation of furniture from Scott's Furniture, Inc. for the Town Hall lobby. It helps to establish a professional atmosphere and we sincerely appreciate his kind gesture.

Look for street and curbing repairs to begin in the near future throughout Town. We acknowledge the faithful support of Senator Adams and Representative Ewing in making these improvements possible.

We have made an effort to identify Town events and assemble a yearly calendar. Please contact the Town office to add additional information to the calendar. Thanks to Town Secretary Peggy Smith for her work in compiling the calendar.

Enjoy the Summer!

Highlights of the Town of Bridgeville Fiscal 2007 Budget

As a result of the growth of the Town's assessment base, the municipal tax rate has been reduced from \$1.83 to \$1.73 per hundred of the Town assessment (a five percent reduction.) Additionally, fees for Town water, sewer and garbage services will remain the same, although operation costs have increased.

A Spring Clean-up Day will be scheduled in addition to the annual Fall date.

The Police Department parking lot will be repaved and upgrades will be made to building security. The starting salary for a Town Officer has been increased to \$30,000 to remain competitive with other municipalities. A Public Safety Director will be hired and the Town's Pension Plan will be changed to allow an Officer to retire after 20 years of service with the Town. The Police Department will apply for a \$30,000 Sussex County Council Grant for necessary equipment purchases and to enhance operations.

Monies have been budgeted for street and curbing repairs. These monies have been solicited through Senator Adams and Representative Ewing, who have been responsible for the majority of street improvements in Bridgeville during their tenure.

Grants in Aid to a number of Community Organizations are again included in this year's budget.

Funds are included to complete the Public Works building that will house the new street sweeper and offices for the Water and Street Departments. This Budget also allows for the hiring of a new Public Works employee to assist with Street, Water and Wastewater operations.

Bridgeville will continue to offer a quality benefit package to its employees. A modernized pay scale has been adopted, establishing wages and pay grades for full-time employees based on job description. Salaries have been modified to bring all employees into their appropriate pay grade. Cost of Living and Merit increases are included, based upon Commissioner approval and employee evaluations. Commissioner salaries have been increased to \$1,800 for the President and \$1,200 for the remaining Commissioners.

The Town Code is being updated with recently adopted ordinances and charter changes.

Monies are included in the budget to purchase seasonal banners for the Town's streets.

The Wastewater Treatment Plant Screen House will be painted. Construction upgrades will begin and the water tower maintenance lease will continue.

2006-2007 Bridgeville Calendar

Included in this newsletter is a new addition to Town services. We have published a yearly calendar of Town events for your use throughout the next 12 months. We realize all community events are not scheduled this far in advance; however, we have attempted to include as many dates as we had access to. Save this calendar for important events throughout the year.

Street Sweeping Schedule

Please take special note of the street sweeping schedule in the enclosed yearly calendar. Street Superintendent Passwaters has prepared a once-a-month cleaning schedule that will remain fixed year-around. Your street will be cleaned monthly on the same day of the week weather permitting. Alleys will be swept as time permits.

Please move vehicles to a driveway or garage whenever possible to accommodate the street cleaning schedule.

Also, please continue to trim trees to accommodate the 12-foot clearance needed by the street sweeper to clean close to the curbs.

Thank you for your cooperation.

Pool Owners

Pool meters are again available from the Town Hall for those who are interested. The metered hose will allow you to fill your pool with water one time only during the summer charging only for water, not for sewer. Pool meters must be returned within one week.

Attention Parents

Please monitor your children when riding their bicycles:

- Bicycle Helmet
- Bicycle Lights and Horn for Safety

Bridgeville's 2nd Annual National Night Out

6:00 - 7:30 PM
Thursday, August 31
Children's Sanctuary Playground

This year Bridgeville has chosen their own night to celebrate National Night Out, allowing for more Police Enforcement exhibits and demonstrations to participate in this special event with our children's safety in mind.

The National Night Out strengthens neighborhood spirit and police-community partnerships. It heightens crime and drug prevention awareness and sends a message that our Town is organized and fighting back against crime.

Dog Walkers:

Please Be Considerate of your Neighbors

We continue to have problems with residents who do not clean up after their dogs. For persons who walk their dogs, please do not allow them to defecate in other people's yards. Either take a plastic bag or "pooper-scooper" for clean up. This applies to those who walk their dogs in the cemetery as well. Please be considerate and respect the sanctity of this part of our community. Thank you for your cooperation.

Looking Ahead:

The Town will again encourage a Community-Wide Yard Sale on Saturday, September 23rd. No sign-up is required and yard sales take place at residents' homes.

The Town Clean-up Day is scheduled for Saturday, September 30th, a great opportunity to spruce up our Community before the Apple Scrapple Festival.

Please Pay Special Attention to These Town Codes During the Summer and Fall Seasons

- No unregulated growth of vegetation is allowed, including weeds, grass, hedges and bushes or shrubs.
- No weeds, grass or other ground cover vegetation over 8 inches is allowed.
- Weeds, grass or other vegetation, clippings, etc. may not be placed on any street, alleyway, or walkway.
- All tree and lawn trimmings must be disposed of properly. No accumulation is allowed.
- Please contact Town Hall before erecting an in-ground or above-ground pool with a depth greater than 2 feet. A permit is required and there are regulations concerning its location on the property and fencing requirements.

Bridgeville Historical Society News

28th Annual Social & Benefit Auction

Don't miss this annual event on Saturday, August 5, at 7:00 PM. Don Moore will be entertaining the attendees at the Bridgeville Fire Hall. Participants are asked to R.S.V.P. by July 30th to Eleanor Bennett at 337-3347, or to Howard Hardesty at 337-8595. Bring a cash donation or item for auction to the event; a bidding card will cost \$5.00.

Bridgeville - "A Nineteenth Century History"

This book is back in print, originally published by the Historical Society in 1984 by Dr. Harold Hancock, along with other contributors. Learn about the settlement of the area that came to be known as Bridgeville and meet some of its well-known families and famous native sons. Read about early industries and businesses in the area as well as the churches and schools of the 19th century. The book is now available at the Bridgeville Public Library for \$35.00.

Christmas in Bridgeville

Artisans and Crafters are invited to participate in this year's Christmas in Bridgeville Craft Show. This well-known and well-attended show will take place on Saturday, December 2nd from 9:00 AM - 3:00 PM at the Woodbridge High School in Bridgeville. Interested vendors should contact John Shockley at 337-7885.
