

THE JOURNAL

VOLUME 42 CHAPTER 108

DEC/JAN 2007-2008

From the President's Desk

In this edition of the Journal I am pleased to report the results of our first annual Citizen's Survey.

The responses have been tabulated and we are pleased with the results, comments and suggestions that were made. In this very first survey we had 121 surveys returned; we are hopeful that this number will increase in 2008, but for a first time effort, the number of returns was good. As we report the results, you will notice that the responses will not add up to 121; this is because some folks did not answer every question. Our report is based on the definitive answers to each question.

While we chose in this analysis to emphasize the answers to some of the questions, we are also making copies of the full results available at Town Hall for your review. Now, on to the survey.

As to the question, "How do you rate Bridgeville as a place to live," 85% of the respondents answered that it was a good to excellent place to call home. 81% of the respondents indicated it was a good to excellent place in which to retire; 78% of the respondents felt that there was a good to excellent "sense of community"; 63% felt the community was open and accepting toward people of diverse backgrounds; 70% rated the overall appearance of the Town as good to excellent; 68% felt that the overall image and reputation of Bridgeville was good to excellent.

60% of the respondents felt overall growth was right on track, but 88% felt that retail growth was too slow; 75% felt that job growth was too slow. These are two areas that need attention.

84% of those who responded felt crime was a minor to moderate problem. 11% felt crime was not a problem at all, while only 4% felt that it was a major problem. However, 97% of the respondents felt safe in Bridgeville during the day. That number dropped to 76% after dark.

The perception of overall quality of services in Bridgeville was quite high. The following services were rated good to excellent:

Police Services	74%	Fire Services	97%
Ambulance Services	96%	Garbage Collection	98%
Street Cleaning	87%	Snow Removal	93%
Drinking Water	74%	Sewer Services	92%

The overall rating for the quality of services in Bridgeville was 88%; quality of services in the county was rated 69%; while the quality of services in the state was rated 65%.

Question 14 provided some good insight for your Commissioners. 86% of respondents felt they received a good value for the taxes paid to Bridgeville. 87% felt the Town was moving in the right direction and 83% felt the Town Commission listened to its citizens.

The survey results will help the Town Commission as it continues to move Bridgeville in a direction that is obviously supported by a large majority of our citizens. It will also serve to point out problems that need our attention. The Commission thanks all those who took the time to participate in this first-ever survey. Again, the complete survey results are available at Town Hall. Call for your copy.

Joe Conaway

Minutes from the Monthly Commission Meetings

December 10, 2007

November Traffic Arrests: 177 Criminal Arrests: 41

Nine building permits were issued in November bringing revenue of \$5,175.00. One certificate of occupancy for a new home was issued.

Several animal complaints were handled by the Code Enforcement Constable and seven untagged vehicles were turned over to the Bridgeville Police for action.

Two water meters were installed and one water/sewer inspection was completed at Heritage Shores. Meters installed now total 491.

Radio-read water meters have been installed at Heritage Shores. Water Superintendent Jones was able to read 315 meters in less than 10 minutes without leaving his truck! Seventy-five more of these meters will be installed in Town this year.

The damaged geo-reactor was placed back on-line at the wastewater treatment plant, although there are structural problems being addressed by the manufacturer.

Pot holes were filled and storm drains cleaned throughout Town.

The Commissioners honored former Town Commissioner, Mr. Earl "Dugan" Willey, who passed away recently.

Town accountant Mr. Rick Tull presented the annual audit report, indicating that Bridgeville finances are very positive.

The Commissioners chose to continue the Town's current workmen's compensation program rather than joining a new, self-funded municipal insurance group in the state.

The Commissioners approved an application to receive funding through the Community Development Block Grant program for housing rehabilitations and demolitions. Five rehabs and two demolitions are currently in progress from the previous funding year.

Ordinance A07-8 to adjust an error in sewer rates was adopted.

Ordinance A07-9 establishing election districts within the Town was discussed and adopted.

The Commission accepted a Memorandum of Understanding with the State Fire Marshal's office concerning services.

The Towns of Bridgeville and Greenwood have agreed to negotiate a new contract for sewer services to the Town of Greenwood.

Town Manager Walls was given approval to complete a pre-application to the United States Department of Agriculture regarding loans for the construction of a new Town Hall. The pre-application would also include needed renovations to the current Town Hall in order to house the Police Department. This is a preliminary step for future needs.

January 14, 2008

December Traffic Arrests: 154 Criminal Arrests: 21

Six building permits were issued in December bringing revenue of \$526.00.

Building permits issued in 2007 totaled 142, a decrease from 2006.

The water tower at Town Hall was returned to service after interior painting and approval of sample results by the Office of Drinking Water.

There were no NPDES violations for November and December at the wastewater treatment plant.

The new public works office and storage building interior should be completed by the end of February. Town employees have installed insulation and are finishing the drywall for offices.

The Commissioners honored one of Bridgeville's oldest residents and former Delaware Poet Laureate, Mrs. Margaret MacLeod, who passed away at age 100.

A Resolution was read honoring 15 year-old Ms. Maria Scott of S. Main St. for her exemplary musical achievements.

The Commission hosted the January meeting of the Sussex County Association of Towns (SCAT) at the Bridgeville Fire Hall.

The Town has added fluoride to the municipal water system to comply with state law. More information is located on page 5 of this newsletter.

Commission President Conaway presented the "State of the Town of Bridgeville" report. He advised the Town continues to move in a very positive direction, with planned, controlled growth and controlled finances. Copies of the full report are available at Town Hall.

Commissioners Sipple and Jefferson reported attending the Cedars Academy Open House and found the event to be very informative. Cedars Academy specializes in educating students with learning disabilities and is located on Rifle Range Rd., east of Route 13.

Town Manager's Report

On behalf of the Commissioners, we thank those employees and residents who generously donated food items during the holiday season to help families in need in our community. Five families were provided with assistance and each was genuinely thankful.

The Town of Bridgeville was host to the Sussex County Association of Towns (SCAT) on January 2nd. SCAT is an organization of participating Sussex Towns who meet monthly to discuss common concerns and needs. The Town welcomed SCAT members at the Bridgeville Fire Hall, where the Ladies Auxiliary served an outstanding meal. The Ralph and Paul Adams Company graciously provided scrapple for those in attendance. Our sincere thanks to both groups for all that they do for our Town.

At the Commissioners' January meeting, Ms. Maria Scott was honored with a Resolution adopted by the Commissioners which listed her many accomplishments as an outstanding pianist. Maria began studying the piano at the age of seven with her father, Jeff Scott (another magnificent talent). She achieved success by winning several musical competitions. At the age of thirteen, Maria began studying at the Wilmington Music School, where she continues today as an Honor Award Student. She has performed in recitals at Carnegie Hall - Weill Recital Hall and at the Wilmington Music School. Maria's entire family was present for the presentation to support her and share with her in this special honor. All five members of

the family are musically talented and have performed at numerous events in our area. The close ties within the family were very evident, as well as Jeff and Jeanine's pride in their daughter's accomplishments.

The Second Annual "Spring Into Health" Community Walk will be held on Saturday, April 5th, 9:00 AM at the Woodbridge School District "farm property" athletic/agricultural complex. (Rain date: Sunday, April 6th, 2 PM.)

This event is sponsored by the Sussex Child Health Promotion Coalition and Nemours Health and Prevention Services, in partnership with the Towns of Bridgeville, Seaford, Laurel and Georgetown. The purpose of the event is to raise awareness and to focus on the prevention of childhood obesity and early onset of diabetes. Childhood overweight and obesity is quickly becoming a national and local epidemic. In order for our children to start out healthy and continue a healthy lifestyle, it will take all of us together to make cultural and social changes. A goal of the Walk is to familiarize everyone with the 5-2-1 Almost None philosophy of eating at least 5 fruits and vegetables per day, limiting screen time to 2 hours or less, and increasing physical activity to 1 hour per day, while eliminating sugared beverages. Woodbridge won the "cup" last year for the most participants. Mark April 5th on your calendar and bring your family, friends and neighbors along so we can keep the participation award this year. For more information, please call me at the Town office.

Important Town News

Route 13 / Route 404 Detour

The Department of Transportation (DelDOT) announces that a portion of Business Route 404 from Rifle Range Road to the west of Jimmy's Grille in Bridgeville will be closed for the installation of a box culvert. As part of the overall U.S. Route 13 / Route 404 project, this box culvert work will help to channel water under the roadway. The work began on Monday, January 21st and will end on Friday, March 18th, weather permitting. The contractor for this rehabilitation project is Mumford & Miller, Inc.

Traffic alerts and traveler information are available at www.deldot.gov or tune to WTMC-AM 1380.

Detour Information

- Route 404 westbound traffic to U.S. Route 13 northbound onto Rifle Range Rd. to Business Route 404.
- Business Route 404 eastbound traffic to Rifle Range Rd. onto U.S. Route 13 southbound to Route 404 eastbound.
- U.S. Route 13 northbound traffic to Rifle Range Rd. to Business Route 404.

Bridgeville Municipal Election Election District #2 ONLY

**Saturday
March 1
2008**

**Voting Hours
12:00 - 7:00 PM
Town Hall**

**Election District # 2 will Elect
One Commissioner to Represent their District.**

Candidates:

**Mr. Edward J. Heath
Mr. James S. Kendall
Mrs. Ruth L. Skala**

*Absentee Balloting is available; Contact Town Hall
at 302-337-7135*

Voter Registration Deadline

February 20, 2008

**Monday - Friday, Town Hall
8:30 AM - 4:30 PM**

Every resident of the Town
who is 18 years of age
is eligible to vote in the election
of his/her Election District,
provided he/she has registered
on the "Books of Registered Voters"
of the Town of Bridgeville.

PLEASE NOTE:

- Election Districts #1 and #3 will not have an Election, as the incumbents were uncontested. Earl Greason (#1) and Pat Correll (#3) will return to the Commission for two-year terms.
- The Commission seats in Districts #4 and #5 (currently held by Joseph Conaway and William Jefferson) will be up for election in March, 2009.

Town News

Fluoridation of Bridgeville Water

The Town of Bridgeville has begun adding fluoride to its public water system to comply with state law. Under Senate Bill 173, passed in 1998, municipal water supplies must fluoridate their water. For more than 40 years, the American Dental Association has endorsed fluoridation of community water supplies as safe and effective for preventing tooth decay.

Bridgeville's entire municipal water system is receiving fluoridated water. Fluoride levels will be monitored by the Town and the State Office of Drinking Water.

Other municipalities that have already implemented fluoridation include Seaford, Dover, Delmar and New Castle. Municipalities that have fluoridated their drinking water for many years include Milford, Lewes, Selbyville, Laurel, Wilmington, Georgetown and the Dover Air Force Base.

Parents: Please Note

Children who drink optimally fluoridated water on a regular basis do not need to take fluoride dietary supplements. Parents of children who regularly drink Bridgeville's water should discontinue fluoride supplements for their children. Some home water treatments, such as reverse osmosis units, will remove fluoride, so customers should consult the water treatment manufacturer to determine if their water treatment system is removing fluoride. If so, parents should consult their prescribing dentist or physician about whether additional fluoride supplements are necessary.

From the Code Enforcement Office

Over the past year I have had the opportunity to meet many of the people who live in this wonderful Town called Bridgeville. The overwhelming majority have the same goals: they want their Town, and particularly their neighborhood, to be safe and to be attractive and well maintained.

There have been wonderful improvements in the past year and I have worked with many residents to help them reach their goals. We have removed over one hundred inoperable vehicles from our neighborhoods. Many tons of rubbish and debris have been removed through the Town's Clean-Up Day initiatives.

On behalf of the Commissioners of Bridgeville and the Town Manager, I would like to thank the citizens of Bridgeville who have taken pride in their properties and helped improve our community.

For those who haven't responded to clean-up and car removal efforts, please be advised the Town is initiating a "One Warning" System for Town Code violations. Fines will be assessed.

I thank the people of Bridgeville for their support and cooperation to make Bridgeville a great and beautiful place to live.

Code Enforcement Constable Jerry Butler

Sex Offender List Update

The following is a current, complete list of sex offenders residing within Bridgeville Town limits. Please direct any questions to the Bridgeville Police Department at 337-8302.

<u>First Name</u>	<u>Last Name</u>	<u>Risk Level</u>
Christopher L.	Corkell	Moderate
Terrence	Teagle	Moderate
(currently in prison)		

Reminder: Installing House Numbers

The Town adopted an Ordinance to set standards for displaying address numbers of all dwellings in Town last September. This will greatly assist emergency services, the U.S. Postal Service and the general public in locating your home. Conflicting address numbers must also be removed.

Please Note:

Light reflective address numbers must be displayed on a contrasting background on all structures.

- On a Mailbox: 3 inch light reflective numbers
- On a Structure: 4 inch light reflective numbers

Whichever method is chosen, the address must clearly identify which structure the address belongs to and must be visible during both the day and night from both sides of the street the structure is located on or is closest to.

Deadline to comply: September 2008

Community Activities

Friends of the Bridgeville Library

Donor Appreciation Night

The movement to construct a new library is gaining speed. On January 16th, dessert and coffee were served to supporters of the effort. Donors, Bridgeville Library Trustees and the Board of Directors of the Friends Group were in attendance. The new Starbucks in Seaford donated the coffee and the Friends provided the delicious desserts. Generous donations were presented by St. Mary's Episcopal Church "Education Fund", Regional Builders and Ms. Charlotte Cannon. Previous gifts have been received from residents as well as Scott's Furniture, T.S. Smith & Sons, Davis, Bowen & Friedel, Inc. and the Bridgeville Lions Club. Similar events will be held in the future to honor donors.

Community Pizza Night at Grotto Pizza

January 19th and 31st were special nights to benefit the Bridgeville Public Library. Twenty percent of the total bill for patrons with a Community Voucher was donated to the Friends of the Library. The event on the 19th was the best Community Night Grotto Pizza has ever hosted for any organization. Thank you to all who participated.

"Honor Someone Special" Program

This on-going effort allows you to buy a great gift for that "someone who has everything." Your gift contribution to the library will be acknowledged to the person you are honoring and a new book will be purchased for the library.

"Art for Books and Bricks"

Mark your calendar for **Friday, April 18th, 6:30 PM**, as there will be a major *happening* at the Bridgeville Banquet Center. The Friends of the Library are hosting a fundraising auction "Art for Books & Bricks" honoring Jack Lewis, longtime Bridgeville resident, artist and teacher. ARTcetra by Regency Fine Art will present a live auction of art and memorabilia. Included for sale during the auction will be several original works by Jack Lewis. Alex Pires, owner of the banquet center and Jimmy's Grille, has donated both the facility and wine for the evening. Your ticket purchase (\$15 in advance, \$20 at the door) will include wine and hor d'oeuvres, silent auction and live auction. Many fine items donated by local merchants and residents will be offered for sale at the silent auction. To volunteer to help with the event, please call the co-chairpersons, Ruth & Larry Skala at 337-3678.

Monthly Meetings

The Friends of the Library meet at St. Mary's Parish Hall on the second Tuesday of each month at 7:00 PM.

Join the Friends

LET'S MAKE HISTORY TOGETHER!

Lions / Lioness Club News

- Lions Club Donations**
The Lions Club donated \$5,000 to the Library Building Fund. They also donated funds to Lions Vision Research and Sight First II, both of which are dedicated to finding ways to fight blindness and develop improved sight equipment.
- Christmas Giving**
The Lioness and Lions joined together at Christmas to aid 26 needy families, including approximately 80 children, with food, clothing, gifts and toys. In addition, the Lioness provided gifts to those in both Seaford nursing homes who were without family members at Christmas.
- Annual Lions Club Show**
Don't miss this yearly event on March 7th and 8th at Woodbridge High School Auditorium, 7:30 PM. Tickets are \$6 each and can be purchased from any Lions Club member, or at the door. This show is one of the club's major fundraisers allowing us to support community projects and help those less fortunate.
- Membership**

Community Activities

Kiwanis Club of Bridgeville News

The Kiwanis Club of Bridgeville strives to assist our community, help the elderly and address emergency needs. The primary focus, however, is to serve the children and youth of our community. Through Kiwanis, there are many ways to help improve the quality of life of our children and community. If you are civic minded and interested in helping others, then becoming a Bridgeville Kiwanian may be of interest to you. Seven local individuals have recently made a decision to do just that. How about you? We would ask you to give some serious consideration to joining with our fellowship.

Christmas Decorating Contest

This event, sponsored yearly by the Kiwanis Club, yielded six winners, who each received a turkey:

The Ken McDowells 408 Laws St. The Bill Jeffersons 306 Edgewood St. Ms. Catherine Ross 609 N. Cannon St.
 The Robert Dixons 313 Church St. The Robert Richeys 203 S. Main St. Mr. David McCurley 107 S. Main St.

Another prize was awarded to the Poe Family of Sunnyside Rd. for their outstanding special lighting effect which depicted the reason for Christmas...the birth of our Lord and Savior, Jesus Christ. This was designed by the Poe's teenage son, Johnny.

Up-Coming Events

Annual Farm/City Night on February 18th: Area farmers and agri-business persons are invited as guests of the club. A special program concerning Soil Conservation will be presented this evening.

Charter Night on March 17th: The Kiwanis Club will celebrate 69 years of community service.

Kiwanis Honors Veterans

In January the Kiwanians hosted a program celebrating our country's military veterans. Guest Speaker was retired Marine Corp Gunnery Sergeant Janiszewski, currently serving as the senior instructor at the WHS Marine Corp JROTC program. Sergeant Janiszewski spoke of his twenty years in the Marine Corp, serving in Lebanon, the Mediterranean, Cuba and several stateside bases as a senior drill instructor. The JROTC program at Woodbridge began in the fall of 2000 and has won regional and state competitions in competitive drill team, physical fitness and marksmanship. Many of the WHS graduates of the program have enlisted in the U.S. Marine Corp, Army and Navy and have served our country with distinction.
