

THE JOURNAL

VOLUME 45 CHAPTER 708

JUN/JUL 2008

From the President's Desk

There were no additional changes in Town revenues as the result of last minute changes in Dover when the state finalized its budget. All revenue projections remain as they were when we adopted our budget in June, 2008. Thank you Lord.

Additional good news did come out of Dover in June. Through the efforts of Senators Thurman Adams, Jr., Robert Venables, Gary Simpson and Representative Ben Ewing, we were successful in obtaining one million dollars towards the construction of a new Bridgeville Library. The Commission's efforts to obtain these funds would not have been possible if it were not for the support of these key legislators. Much more needs to be done in order to pay for this new facility. We will be providing \$700,000 from Special Tax District revenues towards this construction. The Town is providing the acre-and-a-half parcel on South Cannon Street as the site for the Library (valued at \$200,000). Annexed individual residential parcels continue to provide \$100 at each settlement for the Library and commercial settlements provide \$500 from each new business. The Friends of the Bridgeville Library continue to raise funds for construction and will need your continued support to reach their goals. But, with all that remains to be done, we take the important first step with a Groundbreaking Ceremony scheduled for 9:00 AM on Wednesday, August 13, 2008 at the South Cannon Street site.

Legislative changes to our Town Charter were also accomplished in June. These changes include the following: (1) Bridgeville Town funds can now be deposited in any banking institution in Sussex County; (2) There is now established a 30-day residency for voting in Town elections; (3) The Alderman's Court, not in use for a number of years, was abolished; and (4) Exemption from property taxation for business establishments that would locate in Bridgeville and supply at least ten employees was eliminated.

Elsewhere in this newsletter is information on three commercial annexations. Besides that information, there will be a Public Hearing on Thursday, August 14, 2008 at the Bridgeville Fire Hall at 7:00 PM to discuss these requests.

The Commission, in order to remain competitive with the other municipalities of Sussex County, has raised its starting salary for a policeman to \$33,000 per year. Competition to attract and retain policemen is an on-going process. The people of Bridgeville deserve the best and we will continue to review and evaluate our salary and benefit package to remain competitive.

Finally, last year we held a very successful Town Meeting. We have scheduled our second such meeting for Thursday, September 11, 2008 at the Bridgeville Fire Hall at 7 PM. We will cover a wide range of topics including the status of past annexations and an update of highway construction projects, to mention only a few. See you there.

Joe Conaway

IMPORTANT - New Dog Ordinance

On May 12, 2008 the Commissioners of Bridgeville adopted a Dog Ordinance for the Town. On July 14, 2008 a Board of Animal Control was appointed to serve the Town. The three member Board is as follows: Mrs. Margaret Sipple, Mr. Lester Williams and Code Enforcement Constable Jerry Butler. Important highlights of the new Dog Ordinance are included below:

- All Dogs must have a Delaware dog license and a current rabies vaccination tag.
- The Ordinance changes the number of dogs permitted at any dwelling from four to two (over the age of six months). If you already have the currently allowed number of four dogs, please do not replace them so that you will eventually be in compliance with the new Dog Ordinance.
- No dog may run at large at any time. Fines run from \$25 to \$50 for dogs found loose in Town.
- Dogs must be on a leash whenever they leave their owner's property. Control by voice command is not sufficient.
- All dogs must be securely confined indoors or confined outdoors in a kennel with a concrete pad and a locking gate. Compliance with this directive must be completed by July 1, 2009.
- This Ordinance defines a dangerous dog based on proven aggressive behavior and breed (Staffordshire, Pit Bull Terrier, etc). Regulations and restrictions are placed on these dogs, such as, the owner must apply for a \$100 per year Town permit for the dog(s) and maintain \$100,000 in liability insurance.
- Restrictions are in place for walking Dangerous Dogs. They must be securely attached to a chain leash no more than four feet in length. Under no circumstances shall an individual under the age of 21 years old be allowed to handle a dangerous dog outside of the owner's residence.
- Copies of the full Dog Ordinance are available at Town Hall.

Friends of the Bridgeville Library News

- New Library Building** The Friends of the Library join in celebrating the one million dollar funding from the State of Delaware. We are very pleased that, with a very constrained state budget, lawmakers still felt they should fund the Bridgeville Library. Ceremonial groundbreaking will take place August 13th, with construction scheduled to begin later this year. So far, approximately \$31,500 has been received from several private grants that are supporting the Library. Now that the state has committed monies, it is anticipated that additional grants will be forthcoming, as well as numerous personal donations. A new, larger library in our community will certainly enhance the quality of life in Bridgeville. Not only will there be space for technological features, there will also be a large meeting room available for community use.
- Election of New Officers**

Tom Connar, President	George Torbert, Vice President
Cheryl Gerring, Secretary	Ruth Skala, Treasurer
	Kay Sue Hardesty, Historian
- Membership** We encourage every individual or household to consider offering support by joining the Friends of the Bridgeville Library. Please fill out the membership form available at the Library. All are welcome to attend the monthly meetings held on the first Tuesday of each month at St. Mary's Parish Hall on William Street. If you have questions or comments, please feel free to contact Tom Connar, President of the FBL at 956-0318 or at tconnar@comcast.net.
- IHOP Fundraiser** This popular fundraiser continues. When you dine at IHOP, pick up a comment card and staple it to your receipt. Drop off the card and receipt at the Library, Town Hall, or Heritage Shores.
- Food Lion MVP Card** Linking your MVP card to the Bridgeville Public Library allows for a percentage of your purchases to be returned to the community and directed to the Library Construction Fund. Log on to foodlion.com or call 704-633-8250 to register your card.
