

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 53 CHAPTER 1109

OCT/NOV 2009

From the President's Desk

I hope everyone has enjoyed our wonderful fall weather. Despite a little rain, our Apple Scrapple Festival was a great success this year. On behalf of the Commissioners, I extend our thanks to all those who work so hard on festival arrangements. The Apple Scrapple Committee, Bridgeville Police Department, Town Manager, Town employees and many others give of their time to put Bridgeville on the map every October with the Apple Scrapple Festival.

The World Champion Punkin Chunkin is another event that is making Bridgeville well-known. With an attendance of approximately 70,000 this year, it was another successful fall event in Bridgeville.

I encourage you to take advantage of "Christmas in Bridgeville" on Saturday, December 5th. This will be the 34th annual craft show sponsored by the Bridgeville Historical Society and it remains a popular event throughout the region. Stop by the Woodbridge High School between 9 AM and 3 PM and be sure to have lunch in the cafeteria while you're there.

On behalf of the Commissioners, I congratulate the Bridgeville Volunteer Fire Company (BVFC) on their 100th Anniversary. How many times have we sat in our homes and heard the fire whistle go off or seen the flashing lights pass our houses and felt confident that the BVFC would successfully deal with the circumstances. This a remarkable group of volunteers who are on-call 24/7 to protect Bridgeville and the surrounding communities. We owe our very lives to their dedicated service. The Ladies Auxilliary also serves faithfully; we all enjoy the spring and fall fundraising dinners and these same individuals cater for many different organizations and events during the course of the year. We cannot thank them enough. We applaud their efforts and look forward to their special anniversary activities on December 19th. (See page 5 for more information.)

I would encourage you to support the Town's Christmas Canned Good Drive. We hope to provide a Merry Christmas for a number of needy families in our community with your help. Drop off your donations at the Town Hall from now until Friday, December 11th.

Have a wonderful holiday season.

Three untagged or inoperable vehicles were turned over to the Bridgeville Police Department for action.

Four water meters were installed at Heritage Shores and two water/sewer inspections were completed. Meters installed now total 551.

The obstruction light on the Heritage Shores Water Storage Tank was replaced and is in good working order.

There were no violations of the NPDES permit at the Wastewater Treatment Plant in September.

Trees were trimmed at Town Hall and on Gum Street.

It was announced Brookfield Homes will sponsor a Golf Tournament on June 17, 2010, in memory of Police Officer Chad Spicer. Proceeds will go to a fund established for his daughter. Ms. Dottie Harper is working on the tournament and the Town will cooperate in any way possible.

Quarterly pre-treatment testing was performed at RAPA and Pet Poultry.

Concrete repair work was accomplished at the Wastewater Treatment Plant in anticipation of the installation of a new geo reactor.

The Commission approved a Resolution and proclaimed the week of October 23 - 31st as Red Ribbon Week. This nationally recognized week calls on all Americans to show their support for a drug-free state by wearing a red ribbon and participating in drug-free activities.

The Commission voted to cancel Caroling in the Park. The Town will continue to collect canned goods for the needy in Bridgeville at Christmas time.

There were 7 housing starts at Heritage Shores in the month of September.

The Commission awarded a contract for back up well #6 to A.C. Schultes. Funding is available from the Delaware Office of Drinking Water, the Environmental Protection Agency and federal stimulus monies for the project.

November 9, 2009

October Traffic Arrests: 149 Criminal Arrests: 65

Seven building permits were issued in October bringing revenue of \$2,731.50 and one certificate of occupancy was issued.

Four untagged or inoperable vehicles were turned over to the Bridgeville Police Department for action.

A water leak was repaired on the west end of Market St.

A permit for water allocation for Well 6, located at Heritage Shores, was received from the Division of Water Resources. Well 6 is scheduled for operation when the backup well is placed into service.

Daily water usage statistics have been compiled for the University of Delaware College of Education and Public Policy Institute for Public Administration - Water Resources Agency.

Storm debris was removed from culvert pipes under the roadway on N. Cannon St., due to heavy rainfall.

The Wastewater staff completed construction and installation of new equipment on both spray rigs at the spray irrigation farm.

Trees were trimmed along Delaware Ave. and Walnut St.

The dwellings at 603 N. Cannon St. and 13 Gum St. have been condemned and will be demolished.

On October 26-27th, the Town experienced a rain event resulting in approximately 4.5 inches of rain. This unusual event resulted in a spray permit flow violation.

The Geo Reactor arrived at the Wastewater Treatment Plant on October 21st. Installation was completed and the unit was placed into service on October 29th.

Delmarva Power is replacing 70 watt mercury vapor lights with 150 watt high pressure sodium bulbs in the area of Cook, Gum, John and Walnut Streets and Cooper, Pine, Cherry and Maple Alleys. After these upgrades are complete, the electric company will re-evaluate other areas in Town that need additional lighting.

The Commission approved Ordinance A09-10 to include a pretreatment program for industrial users of the Town's wastewater treatment facilities.

The Commission approved a preliminary development plan for a medical professional building and retail store fronts directly north of the new Walgreen's on Route 404 in Bridgeville.

Town Manager's Report

The third annual Bridgeville Charity Golf Tournament was again a great success, providing \$4,000 each to the Bridgeville Senior Center, the Bridgeville Lions Club and the Bridgeville Kiwanis Foundation. Our thanks to Chairman Rick Tull and his committee for their efforts.

The paint touch-up and application of a clear protective coating on the Jack Lewis mural, which is painted on the Dollar General Store building, is now complete. Over the years, Jack Lewis has received many local and national awards, but he is best known to Delawareans for his paintings of lower Delaware and the Eastern Shore. We are pleased to be able to protect this treasured piece of art work depicting Bridgeville history.

A tree planting ceremony to honor the memory of Senator Thurman Adams was held in the Town Park on October 14th. The Woodbridge High School FFA class, under the direction of Mrs. Karen Breeding, assisted in the planting of a Snow Goose Cherry tree, which was donated by Mr. Bryan Hall. Family, friends and residents were in attendance to pay their respects. A plaque will be placed at the base of the tree by the Adams family.

The Town has held two meetings with representatives from the Delaware Economic Development Office (DEDO) and interested business/property owners regarding possible revitalization of the downtown area. The Commissioners will soon receive a report from DEDO with suggestions on how to proceed.

The Fourth Annual "Spring into Health" Community Walk is scheduled for April 17, 2010. The Walk will be held at the

Woodbridge High School Athletic Complex and has as its goal to promote the prevention of childhood obesity and early onset of diabetes through the promotion of healthy lifestyles. The Walk begins at 9 AM - see you there!

Mr. Ralph Scott, III of Scott's Furniture was named the Business Person of the Year through the Greater Seaford Chamber of Commerce. I personally have found Mr. Scott to be a very generous person. He has donated furniture to the Town Office, helped civic groups, churches and nearby communities-- just a very giving person. On behalf of the Commissioners, I extend sincere congratulations to Mr. Scott for this well-deserved award.

The Municipal Election is scheduled for Saturday, March 6, 2010. Candidates will be elected from District 1 (currently represented by Earl Greason), District 2 (currently represented by Ruth Skala) and District 3 (currently represented by Patricia Correll). Please note the Candidate filing deadline date is February 5th. An Election District Map is available at the Town Office for review of the areas designated to each district. If you have any questions, please give me a call at 337-7135.

The Town Office is collecting canned goods for those in need during this holiday season. Donations can be left at the office until Friday, December 11th. Please help make someone's Christmas a little brighter.

My sincere wishes for a wonderful holiday. I hope the coming year will find everyone healthy and happy.

Bridgeville Police Dept.

The Bridgeville Police Department would like to take this opportunity to inform the citizens about issues that are of concern to this department.

The holiday season is fast approaching; with this comes more travelers on the roadways. Please be sure to drive defensively and observe all posted road signs.

This is the season of giving. If you receive items that are of value or interest to others, please do not leave the boxes outside your home for others to see. This could be an invitation to break into your home.

If you see anything that you believe to be suspicious, or notice criminal acts in progress, please call us immediately at 337-8302 or dial 911. If you have a concern about a police-related matter, please stop by the department or call us to discuss the matter.

Christmas Tree Recycling

The Department of Natural Resources and Environmental Control reports that they will again hold a Christmas Tree Recycling program for down-state parks. Killens Pond in Felton, Trap Pond in Laurel and Cape Henlopen in Lewes will accept Christmas trees from December 26th through January 18th for recycling. All trees must be free of ornaments and tinsel. The program is for families only, no commercial haulers or tree vendors may use the service. The parks will be open to accept trees from 8:00 AM to sunset. Suggested donation is \$2 per tree to offset operating expenses.

Bridgeville Election Voting Districts

The Town of Bridgeville has joined many other municipalities in establishing Election Voting Districts for Commission Elections. Each property within Town limits has been assigned to one of 5 districts. Registered voters will be able to vote on a roster of candidates who live within their district and will represent that district as a Bridgeville Commissioner.

Voting by district began with the March 2008 Municipal Election. At the upcoming March 2010 Municipal Election, the Commission seats held currently by Commissioner Earl Greason (District 1), Commissioner Patricia Correll (District 2) and Commissioner Ruth Skala (District 3) will be up for

election. Candidates for these three Commission seats will be vying for a two-year term as a Commissioner of Bridgeville.

Every resident of the Town who is 18 years of age is eligible to vote in his/her Voting District Election, provided he/she has registered on the "Books of Registered Voters" of the Town of Bridgeville.

If you are uncertain of your voting district, please contact the Bridgeville Town Hall, weekdays from 8:30 AM to 4:30 PM.

Snow Reminders

Shoveling Snow and/or ice must be removed within twenty-four (24) hours after snow/ice has ceased to fall, according to Town Code. The owner or occupant of any building or lot abutting a public sidewalk is responsible to keep it clear of snow/ice.

Plowing /Salting of Roads Residents having access to their yard from an alleyway must park their vehicles there. If a driveway does not exist, all residents must move vehicles to the even-numbered side of the street as soon as snow/ice begins to fall. When the odd-numbered side has been cleared of snow/ice, residents must move vehicles to the odd-numbered side of the street. This will allow the Town to clear the streets completely without the need for residents to shovel their respective parking space.

Do not shovel snow/ice into the street. With everyone's cooperation, the snow/ice removal will be accomplished efficiently.

Holiday Safety

- Make sure you have a working smoke detector on every level of your home.
- Choose a freshly cut Christmas tree that isn't already losing its needles. Live trees need water! Check and re-fill water reservoir often. Keep your tree away from heat sources, sparks or flames.
- Check all lights prior to use. Replace frayed or damaged light sets & extension cords. Avoid overloading electrical sockets. Please be aware: Some lights are only for indoor or outdoor use, but not both.
- Because LED holiday lights are cool to the touch, replacing your old strings of 7-watt bulbs with LED lights can decrease the chance of a home fire.
- Be careful with holiday decorations. Choose ones that are flame resistant/retardant.
- Keep lit candles away from decorations and other materials that can burn. Keep children and pets away from lit candles. Blow out lit candles when you leave the room or go to bed.
- Turn off all light strings and decorations before leaving home or going to bed.

HAVE A SAFE HOLIDAY SEASON

Community Activities

Lions/Lioness Club News

Annual Lions Club Halloween Party Halloween is over and the Lions Club "Party in the Park" was a great event this year. Lots of treats and lots of children were there. Our thanks to the Lioness and others who helped make the party a huge success.

Lions Club Crab Cakes The Lions Club Crab Cake Sales Booth at the Apple Scapple Festival did a brisk business again this year; not quite as good as last year, due to the weather and the economic condition, but still a very worthwhile fundraising project. Thanks to all who stopped to enjoy a sandwich.

Holiday Project It's time to think about the holidays. The Lioness and Lions will join together again this Christmas to provide for families in need. Together we will distribute food, clothing and toys to those who are "less fortunate" in our community. We hope to serve many individuals and families this holiday season.
