

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 59 CHAPTER 311

JAN/FEB/MAR 2011

From the President's Desk

The month of March brings changes to Bridgeville's municipal government structure, as our Commission Election takes place. On behalf of the Town of Bridgeville and its residents, I would like to welcome our new Commissioner from District #4, Mr. Paul Kovack. Mr. Steve McCarron also joins the Commission to represent District #5 and Mr. Jay Mervine will continue to serve District #1, as his race was uncontested. Commissioner Lawrence Tassone from District #2 and myself, from District #3 complete the governing body of the Town. The new Commission and Town staff look forward to working together and achieving new goals as a team during these challenging times.

As we welcome new Commissioners, we unfortunately must say goodbye to those individuals who have stepped down from office. Our thanks go to outgoing Commissioner Michael Collison and Commission President William Jefferson for all their efforts on the residents' behalf and the tireless hours they have given so that Bridgeville can become a better place to call home. We have all benefited from their expertise and will miss them greatly.

As with all municipalities, aging infrastructure must be monitored closely. The Town identified a need for the replacement of the Walnut Street water main several years ago and placed the project on the capital improvements budget for drinking water facilities improvements. This four-inch cast iron water main is approximately 95 years old and must be replaced with a ten-inch water main for a distance of approximately 2,370 linear feet; there are 51 water service connections involved. An asbestos pipe would also be removed. The Commissioners held a public hearing and approved the borrowing of up to \$550,000 and the issuance of general obligation bonds, based on a loan commitment from the Delaware Drinking Water State Revolving Fund. By charter, the Town must go to Referendum on this issue. Residents and property owners of Bridgeville will have the opportunity to vote on this project on Thursday, May 5th from 10 AM to 2 PM at Town Hall. Information concerning voter eligibility is located on page 4 of this issue. The Commissioners thank you for your support of this vital improvement.

Mark your calendar now for the fifth annual Sussex Community Health Walk on Saturday, April 16th, sponsored by Nemours Health and Prevention Services, Sussex Child Health Promotion Coalition, the Town of Bridgeville and other neighboring Towns. On behalf of the Commissioners, I invite you to participate in Bridgeville's Walk, which will take place at the Woodbridge Athletic Complex with registration at 8:30 A.M. and the walk beginning at 9:00 A.M. Your involvement would be a great way to support better health; we hope you can join us.

The Town of Bridgeville wishes all residents a Blessed Easter.

Pat Correll

Untagged / Inoperable Vehicles	6	8	3

Minutes from the Monthly Commission Meetings

January / February / March 2011

President Jefferson requested a moment of silence in honor and memory of two Bridgeville citizens who had recently died. Mr. Richard (Bucky) Rowe was a member of the Town's Planning and Zoning Commission and Mr. Richard Lewis was a former Town Commissioner.

The Commission recognized the Kiwanis Club of Bridgeville for their 72nd year of maintaining the Bridgeville Christmas Lights. The Woodbridge Key Club has also participated since their inception 35 years ago.

Ordinance A10-11 was passed which rezones the Wheatley property abutting Heritage Shores from RPC (residential planned community) to R-1 with an AIOZ overlay (residential with an agricultural-industrial overlay), allowing Mr. Wheatley to continue farming his land.

Woodbridge School District Superintendent, Dr. Kevin Carson, gave a presentation regarding the March 29th Referendum to build a new high school. He identified the needs of the school district and the proposed cost to Town residents.

Results of the Civic Center Feasibility Study were presented with a discussion of pros and cons. Two developers have expressed interest in property donation.

A mid-year budget amendment was approved, which includes a 13% increase in expenses and revenues. Expense is attributed to grant specific spending/reserve funding. The income is attributed to an expected increase in transfer revenues, EDU penalties and grant awards.

The 2010 State of the Town Report was introduced. This document is available online at www.townofbridgeville.net

Oaths of Office were administered to continuing Commissioner Jay Mervine (District 1) and newly elected Commissioners Paul Kovack (District 4) and Steve McCarron (District 5).

Representatives from the Department of Natural Resources and Environmental Control (DNREC) and the Office of State Planning Coordination introduced a model program for Bridgeville that would potentially raise the quality of wastewater being discharged into the Bay Watershed. DNREC is recommending a new technology using algae to help clean the wastewater and meet Environmental Protection Agency (EPA) requirements. The Commission voted to pursue this technology, based on approval for grant monies to run the program.

The Town approved a Referendum to replace the water main on Walnut St., along with an asbestos pipe to be taken out of service. The Town has signed a letter of commitment for a 20-year loan with an approximate 3% interest rate to borrow up of \$550,000 for the project. Date and time for the Referendum is found on page 3.

Mr. Robert Richey of S. Main St. was appointed to complete the Planning and Zoning Commission term of Mr. Richard Rowe.

The Town received a Patriot Award from Mr. Gene Hebert, a representative of Employer Support of Guard & Reserve (ESGR) for our positive policies toward Town employees who are in the guard or reserve.

Referendum Vote Walnut Street Water Main

Thursday, May 5
10 AM - 2 PM

Town Hall
101 N. Main St.

Proposing the issuance of up to \$550,000 maximum principal amount of general obligation bonds in order to finance or re-finance certain improvements to the Town's drinking water facilities including, but not limited to, removal of a ninety-five year old four-inch cast iron water main on Walnut Street and installation of a new ten-inch water main with service

Voter Eligibility:

- At least 18 years of age and resident for at least 30 days
- Resident or non-resident property owner
- Partnership/corporation/other entity owning property in Town limits
- Proxy voting permitted

Prescription Drug Take Back Day

Saturday, April 30
10AM - 2 PM

Bridgeville
Fire Hall

More than seven million Americans currently abuse prescription drugs and each day, approximately 2,500 teens use prescription drugs to get high for the first time. Studies show that a majority of abused prescription drugs come from family and friends, including the home medicine cabinet.

The Drug Enforcement Agency wishes to address this vital public safety and health issue by conducting a Prescription Drug Take Back Day.

This provides a venue for persons to safely dispose of unwanted and unused prescription drugs. Last September, the American Public turned in more than 121 tons of pills!

The Fire Company is partnering with the Bridgeville Police Department for a local "Take Back" Day". Please check your home for unwanted, unused or expired prescription drugs.

From the Bridgeville Police Department

Scams of all types are being carried out against citizens everyday and **BRIDGEVILLE IS NO EXCEPTION!**

The Bridgeville Police Department has an active investigation regarding a private company named the "DEPARTMENT OF LAW AND INVESTIGATION" from New York, with a telephone number of 646-506-9441. If you receive a call from any person claiming to be an "Officer" or civilian from this company, be aware, **THIS IS A SCAM.**

Some of these individuals might have heavy accents, others not. They have been targeting all age groups throughout the country, claiming that a "legal case" has been filed against you or your family. Additionally, they claim they can "help you out" if you call them back. Please do not call them or provide this company with any personnel information.

If you are or have been previously contacted by anyone claiming to be an "officer" or civilian from the Department of Law and Investigation, please contact the Bridgeville Police Department immediately. Our police officers will ask you basic police questions (who, what, where, when, why and how) regarding your conversation with this group.

Additionally, the Hurlock, MD Police Department is investigating a new mail scam. According to a press release, a company called "TREASURE LINK SECURITIES" is mailing letters to people claiming they have won \$125,000. The company encloses a check in the amount of \$3,875 to be used toward payment of taxes on the winnings. This check is marked "Citibank". **DO NOT CASH IT.**

We have had no reports of this scam in Bridgeville, but want to make you aware of it. Should you receive such a mailing, we ask that you do not respond to the letter or attempt to cash the check, but contact the Bridgeville Police Department; we will take any documentation you have and coordinate our investigation with other police agencies.

On behalf of the Bridgeville Police Department, thank you for taking the time to review this important information. Should you see anything that seems suspicious or have any public safety questions, please do not hesitate to call.

Tree & Foliage Trimming

In order to clean the streets at the curb line, the Town's street sweeper requires a height clearance of at least twelve (12) feet. There are many properties in Town with tree limbs that are below the clearance height and bushes that extend over the curb line. We would appreciate everyone's cooperation in trimming and maintaining these trees and bushes so the street sweeper can do an effective job. The Town streets are generally swept during the second full week of each month.

Pool Owners

Pool meters will again be available from the Town Hall for those who are interested. The metered hose will allow you to fill your pool with water

**ONE TIME ONLY
DURING THE SUMMER,**

charging only for water, not for sewer. Pool meters must be returned within one week to avoid penalty.

IMPORTANT NOTICE

**Grass Cutting Policy
1 Warning Only**

Please be advised the Town will only give **one warning** concerning grass that is 8 inches or taller this year.

If the first grass cutting warning is not heeded, the Town will automatically cut the grass and the property owner will be charged a minimum of \$75.00 for the grass cutting service plus a \$250.00 administrative fee.

If you will be away for an extended period of time, please make arrangements for your grass to be cut in your absence.

There will be no exceptions.

Mosquito Spraying

Bridgeville participates yearly in the State Mosquito Control Program through the Division of Fish and Wildlife. Spray activities take place from March through mid-November within our jurisdictional boundaries. This permission includes spray application by low-flying aircraft.

Possible Mosquito Sources Around the Home and Remedies

Ornamental Ponds - stock with fish, remove excess emergent vegetation.

Swimming Pools - remove water from pool cover; keep chlorinated and filtered.

Bird Baths - change water once a week.

Rain Gutters - keep clear of debris so that water can drain.

Containers - remove, cover, invert, or dump regularly.

Personal Protection Measures

Apply repellent containing DEET according to the label directions.

Wear long-sleeved shirts and long pants.

Avoid being outdoors during peak mosquito activity (from dusk to dawn).

Ensure that all window and door screens are secure and functional.

The State offers the following phone number to report the need for local mosquito spraying.

302-422-1512

Kiwanis Club of Bridgeville News

Annual Prayer Breakfast The Kiwanis Club of Bridgeville will host its annual Prayer Breakfast on Saturday, May 7th, beginning at 8 AM at Union Methodist Church. Contact any member for tickets.

Kiwanis Chicken Barbecue Mark your calendar for another summer of famous Kiwanis barbecue chicken beginning Saturday, May 7th. The stand, located at the corner of Rt. 404 and Scotts' Store Rd., will be open Saturday - Sunday in May & June; Friday - Sunday in July and August.

National Honor Society As part of its commitment to serving the youth of the Bridgeville-Greenwood area, the club will host the Phillis Wheatley School chapter of the National Junior Honor Society as it conducts its annual membership installation in May.

Charter Night The Kiwanis Club of Bridgeville recently celebrated 72 years of service to youth and community. The Club was sponsored by the Scaford Kiwanis in January 1939 and received their charter in March of that year with 29 charter members. The Kiwanis Club has grown to 37 and is always seeking new members who would like to serve their community. Call Sonny Hardesty, 337-7070 or Jerry Williams, 349-9424 to express your interest.

Community Activities

Bridgeville Historical Society

Museum Openings Beginning Sunday, May 1st, the Society's museum, the "Old Fire House," will be open from 1:00 - 4:00 PM on the first Sunday of each month until October 2nd. The museum is located at 102 William St.

Historical Society Birthday Celebration The Historical Society is celebrating its 35th year, having organized in 1976 during the country's bicentennial. Society members have made great progress in preserving and displaying the history of our community. Major accomplishments include:

- Opening Old Fire House Museum monthly (May-Oct).
- Publishing a book on Bridgeville's history through 19th century.
- Creating/Maintaining Lawrence M. Cahall Park.
- Bi-monthly meetings with programs of historical interest.
- Satellite displays to interest and educate the community.
- Supporting organizations which preserve local history & culture.
- Offering historical enrichment programs at Apple Scrapple Festival.

LIBRARY HOURS

Monday - Thursday, 10 AM - 7 PM
Friday & Saturday, 11 AM - 6 PM

Friends of the Bridgeville Library (FBL)

In Memoriam The sudden death in February of the Friends' first President, Kate McEvoy, came as a great shock to us all. Kate was instrumental in writing grants that provided almost half a million dollars toward the construction of our new library. The FBL is extremely grateful that her family chose to list our organization as a recipient of memorial contributions. Kate will be greatly missed.

Grant Received The Library is the recipient of a BOOKS FOR CHILDREN grant from the Libri Foundation. FBL donated \$350 to the library for children's books to help meet a 2-to-1 matching grant requirement, after which the foundation provided \$1,400 worth of books.

Lions / Lioness Club News

Lions Club Show The recent annual show was a success again this year; it was the best attended in recent years. The increase in revenue will help us with local projects and providing aid to those less fortunate. Thanks to those who helped make the show a success and those who attended, without which we could not carry out this major fundraiser.

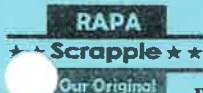

Summer is Coming With the spring season upon us and the summer season not far behind, our Lions/Lioness Clubs' thoughts will soon turn to our Food Trailer for this year. The trailer will open in early July. Check the next newsletter for more information.

HAPPY 100TH Old Fire House

This year is the 100th anniversary of Bridgeville's first fire house, built in 1911 to house the pull hose-carts for the Volunteer Fire Company. The building was retired in 1928. Over the years it has been used for storage, a school for 1st and 2nd grade students (20's-30's), a beauty college (40's) and an apartment building (40's-70's). The Historical Society purchased the old fire house in 1977 and it continues to serve the community with a museum downstairs and a meeting/work room upstairs.

The Journal Newsletter is made possible through
