

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 66 CHAPTER 1212

OCT/NOV/DEC 2012

From the President's Desk

The months leading up to Christmas are always a very busy time in Bridgeville. From the many thousands of visitors who attend the Apple Scrapple Festival, Punkin Chunkin and Christmas in Bridgeville Craft Show, to the golfers who enjoy our Heritage Shores Golf Course for the annual Charity Open Golf Tournament, Bridgeville has something to offer all tastes and interests. Home town pride was evident during these months with beautiful seasonal decorations throughout Town, including our Town Christmas lights hung by faithful Kiwanians and the Woodbridge High School Key Club. It is rewarding to see neighbors make an extra effort to make the Town look nice.

The Commissioners were sorry to lose District #5 Commissioner, Steve McCarron, who served 10 months of his two-year term. Unfortunately, his move from the voting district he represents did not allow him to continue as a Commissioner and he resigned as of December 1, 2012. The Commission appreciated his commitment to Bridgeville and his input concerning important issues the Town faces; his expertise will be missed.

I pleased to report a successful Annexation Referendum Vote on January 8th to add a parcel of land to the Town. The support of our residents was much appreciated, as the Referendum passed with a vote of 175 in favor and 1 against. This property (the former Pep-Up gas station on S. Main St.) will join four additional parcels for the construction of a Wawa gas station/convenience store. The project now enters the plan approval stage with reviews by the Town and state agencies. See the December Meeting Minutes on page 2 for more details.)

We are approaching our annual Municipal Election on March 2nd when we will be electing Commissioners for Districts #4 and #5. Please see page 4 for all of the details. A separate Town Voter Registration is required to vote in Municipal Elections. Stop by Town Hall if you are not registered to vote in Bridgeville.

Pat Correll

Snow Reminders

Shoveling Snow/ice must be removed within twenty-four (24) hours of it ceasing to accumulate, according to Town Code. The owner or occupant of any building or lot abutting a public sidewalk is responsible to keep it clear of snow/ice.

Additionally, In order for your letter carrier to deliver your mail promptly and provide you with uninterrupted services, residents must clear the approach to their mailbox.

If you are out of Town for an extended period of time during the winter months, you must make arrangements for your sidewalks to be shoveled in your absence.

Snow Plowing /Salting of Roads When snow begins to fall, residents having access to their yard from an alleyway must park their vehicles there. If a driveway does not exist, all residents must move vehicles to the even-numbered side of the street. When the odd-numbered side of the street has been cleared of snow/ice, residents must move vehicles to the odd-numbered side of the street. This will allow the Town to clear the streets completely and efficiently, without the need for residents to shovel their respective parking spaces.

Monthly Statistics

Reflects Totals from Month of:	SEPTEMBER	OCTOBER	NOVEMBER
Traffic / Criminal Arrests	352 / 50	157 / 56	139 / 42
Building Permits / Revenue	9 / \$8,843.20	4 / \$2,272.31	6 / \$1,714.46
Certificates of Occupancy	5	2	2
Untagged / Inoperable Vehicles	1	2	0

Minutes from the Monthly Commission Meetings

October / November / December 2012

National Drug Take Back Day took place on Saturday, September 29th at the Bridgeville Volunteer Fire Company. 79 pounds of medications and drugs were turned in. Statewide, 4,500 pounds were collected, for a 3-year total of 22,200 pounds of drugs collected in the state of Delaware.

Bridgeville's grant application to update our Wastewater Facility Plan was approved. It is a 50/50 grant with the Town paying \$15,000 and the remaining \$15,000 to come from a Fish and Wildlife grant.

Clarification of the ability of the Town to borrow money was discussed. Borrowing is limited to \$4 million plus an aggregate amount of up to \$1.5 million borrowed without a referendum, unless the money is borrowed from state/federal funding sources. The Town's bond counsel is the source of legal interpretation of the borrowing ability. The bond counsel, state and federal governments must all agree that the Town is qualified for a loan before the money is released.

President Correll discussed the Chain-of-Command that Bridgeville must follow during emergencies. The Fire Company Chief has the responsibility of taking the lead and the Town Manager and Police Chief work under his direction.

Corporal Robert James of the Bridgeville Police Department returned to duty on November 15th after successfully completing K-9 unit training.

Solicitor Schrader presented a charter change amendment stipulating that Bridgeville would follow the uniform election system, which has been implemented throughout the state. A requirement was added that a voter must also be registered to vote in the state of Delaware in order to vote in Bridgeville elections.

The Commissioners were pleased to donate \$2,700 to each of the charity recipients of the Bridgeville Charity Open Golf Tournament, including the Bridgeville Senior Center, the Bridgeville Lions Club and the Bridgeville Kiwanis Foundation. The tournament was very successful and will return on October 11, 2013 for its 7th year.

The Town has updated its Personnel Policy concerning inclement weather, due to Hurricane Sandy. Specific language has been added to clarify the roles of essential/non-essential employees during emergency situations.

A Water Facilities Update was conducted by Town engineers Davis, Bowen & Friedel, Inc. Overall, the Town water system (both quality and quantity) is well-suited for current users and short-term growth.

The Commission discussed Police Department staffing and scheduled a workshop to discuss hiring matters in depth.

Mrs. Pam Slater and Mr. Carlos Alvarez were re-appointed to the Bridgeville Board of Adjustment and Mr. Wayne Dickerson was appointed to the Board of Adjustment to represent District #2.

Town Manager's Report

As many of you are aware, the Bridgeville Police Department is currently operating without the optimal number of officers. We received applications from many capable candidates to fill the void and currently are interviewing them and making every effort to get the staff back to normal as quickly as possible.

The Town recently completed an update to the Town's Water Facility Plan. A copy of the Plan is available for review at the Town Office during normal business hours. Funding for the update came from a grant through the State's Office of Drinking Water. We are very appreciative of the various funding sources they provide. Much time and effort went into making the plan as detailed as possible. The plan highlighted many projects, including new infrastructure, as well as upgrades to existing infrastructure and equipment. The Town has made application to the State of Delaware for funding to complete three (3) of the projects identified in the Plan.

I would like to join President Correll in acknowledging

Commission McCarron's efforts on behalf of District #5 for the past two years. Unfortunately, Commissioner McCarron has moved out of Town, making him ineligible to serve as a Commissioner. I want to take this opportunity to thank him for all of his hard work and dedication to the residents of Bridgeville. He still lives near Town and has been recently elected as the President of the Bridgeville Volunteer Fire Company, so his service to the community will continue. I wish him the best in his future endeavors.

Located within this newsletter is a listing of "New Faces on the Block". Please join me and make an effort to meet these new residents and properly welcome them to their new home.

I want to extend a thank you to everyone who came out to vote on January 8th for the successful annexation referendum. It is my hope that the development of the annexed property will be a smooth process, as the completed project will be something that we can all enjoy.

Happy New Year!

Town Manager Jesse Savage

Bridgeville Police Report

To All Bridgeville Residents

Electronic Technology is very useful; however, please be aware of the dangers that are inherent in their use by criminals. These stories give us something to think about concerning the use of all our new electronic technology.

GPS Recently citizens had their car broken into at the stadium parking area while watching a football game. Stolen items included a garage door remote control, money and a GPS, which had been prominently mounted on the dashboard.

When the victims returned home, their house had been ransacked and anything of any value was stolen.

The thieves used the GPS to guide them to the house; they used the garage remote control to open the garage door and gain entry to the house. The thieves knew the owners were at the football game and knew what time it would finish; therefore, they knew how much time they had to clean out the house.

Do not put your home address in your GPS. Use a nearby address (i.e. store or gas station) so that you can still find your way home, but you are not divulging where you live in the event your GPS is stolen.

Mobile Phone A lady's purse was stolen, including her cell phone, wallet, credit card, etc. Only 20 minutes later she called her husband from a pay phone to tell him what had happened. He replied that he had just received a text from her asking about their pin number and had already replied by text. They contacted the bank and discovered their money had already been withdrawn. The thief had used the stolen cell phone to text "hubby" in the contact list.

Do not disclose the relationship between you and the people in your contact list by using terms such as Home, Honey, Hubby, Dad, Mom, etc.

Important! When sensitive information is being asked through texts, CONFIRM by calling back.

When you are texted by friends/family to meet them somewhere, call back to confirm that the message came from them. If you cannot reach them, be very cautious about going to meet friends/family who text you.

Bridgeville Police Department * Robert J. Longo, Chief of Police * 302-337-8302

- Resident of Bridgeville at least one year immediately preceding the election date.
- Qualified voter of the Town of Bridgeville for at least one year.
- Live within Election Voting District they wish to represent.
- No felony convictions.
- Candidate must file a written letter or other certificate with the Commission President or Secretary setting forth that he/she will be a candidate for the office of Commissioner by the February 1st deadline.

Voter Registration

Bridgeville Town Hall

Monday - Friday, 8:30 AM - 4:30 PM

Monday, February 11, 4:30 PM - 7PM

REGISTRATION DEADLINE

February 20, 2013

Municipal Election
Saturday, March 2
Town Hall
Noon - 7:00 PM

A Voting District Election would be canceled if only one qualified candidate were to file for the open Commission seat.

Use Your Smartphone

Delawareans can now use their smartphones to find the nearest recycling drop-off center using the Delaware Recycling app from the Delaware Solid Waste Authority. The app, available at apps.delaware.gov, features an interactive map of more than 150 recycling locations in Delaware, driving directions, hours of operation, contact information and details about what can be recycled at each location.

The Delaware Recycles app was created for the Delaware Solid Waste Authority by the Government Information Center. It is available for both iPhone and Android devices.

The app opens on a map of the state and quickly zooms to the user's location, showing the nearest recycling drop-off centers. One click brings up information about each center and another displays directions to any of the centers. Information about recycling centers will be updated on a regular basis.

Delaware Recycles is one of the growing number of Delaware-specific smartphone apps that allows Delawareans, visitors to the first state and potential business partners to easily find information about the state, locations in the state and contacts in Delaware. They are being developed by the GIC in partnership with state agencies and private sector partners as a part of a larger eGovernment initiative designed to make it easier for Delawareans to find information and do business in the First State.

Town News

Code Department

Contractor / Subcontractor Licensing

Please check with the Code Department when applying for a building permit concerning contractor licensing. Any "new work" being performed in or outside your home may be subject to the contracting license and you must direct your contractor to apply for a contractor's license at Town Hall. Contact Code Enforcement Officer Butler at Town Hall, 302-337-7135 for more information and a copy of the license application.

False Alarms

There have been an excessive number of alarm systems triggering falsely in Town. Per Code, three warnings will be given to property owners with faulty alarm systems, followed by a fine. Please have your alarm systems checked regularly by authorized personnel to avoid fines. Alarm owners must maintain their alarm system in such a manner as to minimize the number of incidents of false alarms to the police.

Dangerous Dogs

The Town adheres to a dangerous dog ordinance in an effort to protect residents from potential harm. Registration of all dogs considered "dangerous" by breed/nature is required, along with the payment of fees. Please note the following breeds that are considered dangerous and definitions of a "dangerous dog" per Town Code.

- "Pit Bull Dog," which includes any of the following breeds of dogs: Staffordshire Bull Terrier / American Staffordshire Terrier / or American Pit Bull Terrier.
- Dogs that have the appearance and characteristics of being predominantly of the breeds of dogs known as Staffordshire Bull Terrier, American Pit Bull Terrier, or American Staffordshire Terrier.
- Or any dog that, because of its aggressive nature, training, or characteristic behavior, presents a risk of serious physical harm or death to human beings or would constitute a danger to human life, physical well-being, or property if not kept under the direct control of the owner. This definition shall not apply to dogs utilized by law enforcement officers in the performance of their duties. The term "dangerous dog" includes any dog that according to the records of the Delaware Department of Natural Resources and Environmental Control or any law enforcement agency: (1) Has aggressively bitten, attacked, endangered or afflicted serious injury on a human being on public or private property; (2) Has severely injured or killed a domestic animal while off the owners' property; or (3) Has been used primarily or in part for the purpose of dog fighting or is a dog trained for dog fighting.

Rental Property Owners

The annual rental inspection and licensing process for 2013 is almost completed. If you, as an owner of rental property, have not yet had your property inspected and licensed for 2013, please contact the Bridgeville Town Hall at 302-337-7135 to make arrangements for an inspection by our Code Enforcement Officer.

There is a fine for non-compliance with this Town Ordinance.

The intention of the licensing procedure is to protect both owners and renters in the Town of Bridgeville.

Lions / Lioness Club

The Lions and Lioness have been very busy these past several months offering assistance to the community. Here are some highlights:

Halloween in the Park A party was hosted by the Lions and Lioness for children after trick-or-treating and was well-attended this year.

Lions District "Blind Party" 7 Lions and 2 Lioness attended this district party. They assisted and provided fruit baskets and gifts for the blind.

Christmas Time The Lions and Lioness joined together to provide food, toys and gifts for 19 families and 73 children this past Christmas season.

Christmas in Bridgeville The Lioness provided lunch at the Annual "Christmas in Bridgeville" craft show in conjunction with the Bridgeville Historical Society.

Looking Ahead The Lions' Annual Show for 2013 will be on Friday and Saturday nights, March 15 & 16 at 7 PM. This is one of the Club's major fundraisers. Please come to the show to support the Lions' service activities, while you enjoy a great show!

Get Well Soon We wish our oldest and most senior member of the Lions Club, Roy Tull, a speedy recovery from his recent operation.

**The Lions and Lioness Wish Everyone
A Happy and Prosperous New Year!**

Community Activities

Kiwanis Club of Bridgeville

Bridgeville Charity Open Golf Tournament The 2012 tournament was held on October 12th at Heritage Shores with a full field and over 60 sponsors. At the December 7th Bridgeville Kiwanis Club meeting, the three beneficiaries of the tournament proceeds, the Bridgeville Senior Center, the Bridgeville Lions Club and the Bridgeville Kiwanis Foundation were each presented with checks of \$2,700. In addition to the check presentation, the organizations and tournament committee recognized the assistance provided by Town employees Jesse Savage and Peggy Smith in organizing the tournament for the past six years.

Bridgeville Decorating Contests The Kiwanians wish to thank all residents for their festive decorations and for participating in their two annual decorating contests. Apple Scrapple decorating winners received a cash prize and Christmas decorating winners received a ham.

Apple Scrapple Festival Decorating Contest Winners:
