

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 71 CHAPTER 314

JAN/FEB/MAR 2014

From the President's Desk

Congratulations to returning Commissioners Lawrence Tassone "Tazz," representing Voting District #2 and Jay Mervine, representing Voting District #1. They both (along with myself - Voting District #3) ran unopposed for the Municipal Election, scheduled for March 2nd. With no other contenders for the three Commission seats, the Election Board met to qualify our candidacy and certify the Election, each winning two-year terms. In March of 2015 the Commission seats of Sharon McDowell and Paul Kovack will be up for re-election.

Despite limited human resources in our Public Works Department, I have heard numerous compliments from other Towns and from our own residents on how well our Public Works Department has cleared our streets of snow this winter. Our employees have come to work in the middle of the night to plow our streets and never leave until the job is done. I am very proud of the job our employees do; please join me in thanking them for their hard work when you see them around Town.

The Bridgeville Kiwanis Club has recently celebrated an important milestone. The club has assisted many community programs, events and the Woodbridge School District over the years, by providing financial support and scholarships. Additionally, Kiwanians have provided hundreds of service hours each summer through the Kiwanis Chicken BBQ. Happy 75th Anniversary Bridgeville Kiwanis Club!

New businesses have opened in Town. "Snappy's" is a new restaurant located at 610 Market St., which replaces Craft's Deli. "Emmy's Too," a unique boutique has opened at 501 Market St. Additionally, new medical services include "Nanticoke E Z Lab" at the medical facility at 9111 Antique Alley (Unit 2), offering convenient Walk In Lab Services and next door is "Delaware Eye Surgeons" (Unit 3). Please join us in welcoming them.

Demolition of the old diner and Pep Up gas station have begun between Route 13 and South Main St. We are looking forward to the construction of a Wawa Gas Station and Convenience Store, which has been fully approved by the Town and will begin site work in the near future.

Congratulations are in order for a number of Woodbridge High School Students:

- * Woodbridge Blue Raiders - 2013-14 Henlopen Conference Boys' Basketball Champions
- * Woodbridge senior Willie Davis - 2013-14 State Wrestling Champion
- * Woodbridge senior Tyler Ramos - second best high school sharpshooter score in the Marine JROTC Postal Air Rifle Match and fourth highest in the country. Moving on to the regional competition, head-to-head against the best shooters on the East Coast, Tyler received the second-best score at the regional level and the fourth-best score in the country.

Minutes from the Monthly Commission Meetings

January / February / March 2014

Several meetings were held with Town Department Superintendents in anticipation of a mid-year budget review workshop in January. A draft budget amendment was presented and adopted by the Commissioners.

Bridgeville was awarded a grant for the design of a replacement wastewater main from the treatment plant to Redden Rd. and out to the spray farm. There have been a number of leaks on the pipe and a replacement is warranted.

The 2014 Municipal Election was canceled due to the three incumbent Commissioners running unopposed. More information is available in President Correll's article on page 1 of the newsletter.

At the annual re-organizational meeting of the Commissioners on March 10th, the members voted as follows: President - Pat Correll; President Pro-Temp - Sharon McDowell; Secretary - Lawrence Tassone; Town Manager/Finance Director - Jesse Savage and Town Solicitor - Dennis Schrader. Previous President Pro Temp Mervine asked to step down due to employment obligations. He added that he has been pleased to serve on the leadership team for the past several years.

Ordinance #14-1 was adopted raising the water rates for non-metered residential customers. These households have also been given the option to purchase a water meter and pay actual usage.

Ordinance #14-2 was adopted changing the zoning on a parcel of land owned by Passwaters Holding Company, LLC, from C-1 Commercial District to C-1/AIOZ (Commercial District/Agricultural-Industrial Overlay Zone). With this zoning change, the 20.8 acre parcel may be farmed.

Preliminary plans and specifications for Phase III of Heritage Shores were reviewed by Planning and Zoning and approved by the Town Commission. Phase III is on schedule for final approval by the Commissioners within the next several months, after which new construction will begin.

Town Manager Savage and several Commissioners attended the annual Woodbridge FFA (Future Farmers of America) Agriculture Breakfast in February to celebrate National FFA Week. It was a great meal and the Town appreciated the invitation.

Bridgeville continues to participate in Sussex County's Community Development Block Grant Program (CDBG). This program assists the Town in renovations and demolitions for low and moderate income households. Over the past 10 years, Bridgeville has received over \$490,000 in CDBG funds, assisting approximately 40 households. Bridgeville did not receive 2013 funding; however, the Town maintains a project list of 20 rehabs and 18 demos that are waiting for funding.

The Commission awarded 2013 "Emergency Services Funding" to the Bridgeville Fire Company at their January 18th dinner. 1/4 of 1% of all building construction costs are charged on building permits. The fee can be donated to any emergency or medical service provider, including Ambulance, EMT or Police. This year's EM Fund was \$26,600.

The Commission voted to continue receiving state mosquito spray services for 2014.

Prescription Drug Take-Back Day

Saturday, April 26 10 AM - 2 PM

Behind Bridgeville Fire Hall

The Drug Enforcement Agency will again coordinate a collaborative effort with state and local law enforcement agencies focused on removing potentially dangerous controlled substances from our nation's medicine cabinets. The National Take-Back Day will provide an opportunity for the public to surrender expired, unwanted, or unused pharmaceutical controlled substances and other medications to law enforcement officers for destruction.

The Bridgeville Police Department is partnering with the Fire Company for this local event. Please check your home for unwanted, unused or expired prescription drugs and bring them to the Fire Hall on Saturday, April 26th.

Please Note: Sharpies and syringes will not be accepted due to the potential hazard posed by blood-borne pathogens.

From the Bridgeville Police Department

Avoiding Debt Consolidation Scams

Police Chief Longo is noticing a lot of these scams in Delaware!

Who doesn't want to believe their debts will disappear in three easy steps? People who are concerned and confused about their debts are prey to scammers. Many cons are as simple as companies asking for payment up front and not delivering on the loan. (PLEASE NOTE: U.S. and Canadian companies legally cannot call you and promise a loan and then ask for an advance fee before the transaction is completed. *)

Take the following precautionary steps recommended by the **Federal Trade Commission** before taking out a loan with a finance company.

- Beware of companies that pressure you into a plan or make guarantees without looking into your specific needs.
- Research the company and its services. Look for a company that offers many options and education on how to handle debt. Check the company with the Better Business Bureau.
- Contact your creditors and ask if they will work with this company.
- Read the fine print: review the agreement closely, ensuring that it outlines the finance company's plans and time frame.
- Before you start paying the finance company, ensure that your creditors have accepted the company's proposed plan. Until they do, be sure to continue paying your bills as usual.
- After you begin the program, keep a close watch on your statements and call the creditors to ensure they receive payments.

Although they aren't exactly scamming you, many finance companies simply don't warn you about the excessive fees they charge. These fees can add up so that you pile on even more debt. Please note below a few fees to watch out for:

- A portion of the total debt (which could be up to 18 percent)
- A portion of the amount you save (which can be around 25 percent)
- Sign-up fees
- Monthly fees (both service charges and flat fees)

Code Department

Contractor/Subcontractor Licensing

There is a licensing requirement for all "new contracting work" being performed in or outside your home. Homeowners must direct their contractor to the Town office to pay the yearly \$50 fee in order to complete work at their home. (Not included are contractors performing work or providing materials for the repair, restoration or maintenance of previously existing work.) The license must be renewed each calendar year.

Grass Cutting

The Town will only give one warning per year concerning grass that grows 8 inches or taller. A \$100 fine will be assessed for a second violation. If you will be out of Town for an extended period of time, please make arrangements to have your grass cut in your absence. Grass clippings are not allowed in the street.

Tree Trimming

In order to clean the streets at the curb line, the Town's street sweeper requires a height clearance of at least twelve (12) feet. There are many properties in Town with tree limbs that are below the clearance height and bushes that extend over the curb line. Please trim your trees and bushes.

Sidewalk Repairs

Please be advised: All sidewalks on your property are to be maintained by the property owner.

The Town asks all residents to make necessary repairs for the safety of all Bridgeville residents.

Driveway Materials

All off-street parking areas must be surfaced with erosion-resistant material in accordance with Town standards, i.e. stone, CR6, clamshells, blacktop or cement.

Dog Owners

All dogs with pit bull characteristics must be registered at Town Hall. Chaining dogs outdoors is prohibited.

Pool Meters

Available at Town Hall this metered hose will allow you to fill your pool with water one time only during the summer, charging only for water, not for sewer. Pool meters must be returned within one week to avoid penalty.

Kiwanis 75th Annual Charter Night The Bridgeville Kiwanis Club celebrated 75 years and hosted their Annual Charter Night on March 24th.

George F. Hixson Fellow Award The Kiwanis Club recently presented the 2014 George F. Hixson Fellow Award from the Kiwanis International Foundation to Bridgeville Kiwanis member Mike Breeding, who is the immediate past present of the club. Bill Vanderwende was also presented the Legion of Honor for 40 years of membership and service to the community in the Bridgeville Kiwanis Club.

Kiwanis Chicken Barbecue Mark your calendar for another summer of famous Kiwanis barbecue chicken. BBQ planning and cleanup for the new season begins in early April, with opening weekend April 26th and 27th. The stand is located 4 miles west of Bridgeville on Seashore Highway (Route 404). The sale of this traditional delicious summertime favorite goes to benefit children and youth, community needs and the less fortunate. Here are just a few organizations that will benefit from and working at the BBQ stand this summer: Woodbridge MCJROTC, Bridgeville Police Dept., Union United Methodist Men, Woodbridge Key Club, Bridgeville Mustang 4-H Club, Pop Warner Football and the Woodbridge Little League.

Elections The election of new officers for the Bridgeville Kiwanis Club will take place on May 5, 2014.
