

TOWN OF BRIDGEVILLE

THE J URN L

VOLUME 73 CHAPTER 914

JUL/AUG/SEPT 2014

From the President's Desk

Patriot Day was held on September 10th at the Heritage Shores Clubhouse; an event sponsored by the Heritage Shores Military Club and the Town of Bridgeville to honor those who risk their lives to protect all of us. This year's program featured individuals and organizations that go beyond the call of duty to assist veterans. We were pleased to recognize these service organizations, all of which are serving veterans in unique and special ways to help them transition into civilian life.

Home of the Brave

Operation Home Front

Delaware Veterans Home

Stockings for Soldiers

Habitat for Humanity

Operation Seas the Day

Operation We Care

USO at Dover Air Force Base

Warrior Weekend Program

Featured speaker for the event was Ed Feeley, a member of the Board of Directors at Home of the Brave, who told the history of the veteran men's and women's facilities, both located in Milford.

Along with highlighting veteran organizations, Firefighter Bud Bonte from Indian River Fire Company was honored as Sussex County Heroic Fireman of the Year. Sussex County Paramedics Jill Wix and Arthur 'Mike' Pusey were recognized for their work in saving lives.

Two Bridgeville Police Officers were also honored, representing the many officers in the State of Delaware who are keeping our small Towns safe; Sergeant Robert James with his K-9 dog Flash and Corporal Ryan Hogan.

Special recognition was given to Mrs. Heather Lebow for her community service work in keeping the streets of Heritage Shores clear of litter. During her walks around the development she picks up litter, keeping the area pristine.

Our thanks to John Barr from the Heritage Shores Military Club, Peggy Smith from Bridgeville Town Hall and the many others who gave of their time to make this a special event.

The Apple Scrapple Festival is quickly coming upon us and I would ask all of our residents to help us showcase our Town to the thousands of people who will be visiting Bridgeville. Despite the inconveniences it brings to our residents, this festival has given our Town a wonderful reputation - people love to come to Bridgeville! This event is a major fundraiser for many school and community service organizations. I trust this year's festival will help them recoup their losses from last year. For those of you who live in the festival area, be sure the streets are clear so that vendors and Car Show participants can set up early on Saturday the 11th. The Commissioners and Apple Scrapple Festival Committee are very appreciative of all our residents' cooperation for this special event. More Apple Scrapple information is located on page 5 of this newsletter.

After you have eaten apples and scrapple, it's time to prepare for the holidays and the Christmas in Bridgeville Craft Show on December 6th from 9 AM to 3 PM is the perfect event to start your Christmas shopping. I'll see you there!

Minutes from the Monthly Commission Meetings

July, August, September 2014

The Commissioners of Bridgeville recognized Mr. Phillip Mowbray with a Certificate of Appreciation for his years of service to the Town at the July 14th Commission meeting. Phillip has been employed for 25 years in the Bridgeville Wastewater Department.

The Town Commission continues to review the proposed Master Plan for Bridgeville. Two years of rigorous work have gone into the plan and its goal to adequately address growth and water quality challenges facing Bridgeville. The Planning and Zoning Commission has reviewed the Plan and the Town Commission anticipates a final review and possible adoption of the document at their October meeting.

Mr. Charles Kelly has been re-appointed to the Bridgeville Board of Adjustment for a 3-year term.

Planning and Zoning Commission member Ms. Ruth Ann Tull has resigned from the position. We are very appreciative of her service to the Town during the past 7 years. The Town Commission has appointed Mr. Tim Banks to represent Voting District #1.

The Commissioners approved new banners for the 2014 Apple Scrapple Festival.

A Resolution was adopted to award the proceeds of the October 10th Bridgeville Charity Open Golf Tournament to the Bridgeville Kiwanis Club and the Bridgeville Lion's Club.

The Department of Natural Resources and Environmental Control (DNREC) has recently required the Town to install lysimeters (shallow wells) in the Town's spray irrigation field to take samples of the effluent sprayed on the field and determine the nutrient level in the groundwater.

Ordinance #14-5 concerning the size of billboard signs adjacent to Route 13 was approved at the August 11th Commission meeting. The size of billboards falling under this Ordinance would be 1,200 sq. ft. total, or 600 sq. ft. per side. These are off-premises signs.

An environmental study was conducted at the Police Station in August, identifying signs of mold, due to moisture issues and leak concerns. Suggestions were made to fix these problems and make the conditions safer until a new building can be considered.

The Town Commission voted to extend its garbage/recycle contract with Waste Management for one additional year at the current price of \$14.00/mo. The Town will be required to go out for bid next year and expects a rate increase.

The Town Commission announced the purchase of an empty lot on the corner of Market and Mechanic Sts., with the intention of building a public parking lot for downtown businesses. The Commission anticipates at least 15 parking spaces from this property and believes it is a good investment for the Town.

The Commissioners are considering a Heritage Shores Bond Ordinance allowing the Town to issue, sell and deliver a series of additional Special Obligation Bonds to fund infrastructure improvements for the 3rd phase of the Heritage Shores Special Development District.

The Town will install radar speed signs to slow traffic through Bridgeville on S. Main and Market Sts. Expense has been shared by the Lions, Kiwanians, the Town and our State Representative and Senator.

Town Manager Report

Town Taxes The deadline for payment of Town Taxes has been extended until October 31, 2014. Penalties will not be assessed until November 1st.

Wastewater The Town Engineer has been requested to update the Town's Wastewater Facility Plan to focus on full spray discharge, per the Commissioners' September 19th Wastewater Workshop. Once the Commissioners have determined the path forward for removal of treated effluent, the Town will approach State and Federal agencies regarding funding (i.e. grants, loans, etc.)

Building Permits The Town has received \$28,818 in building permit fees, which is a 16% increase from the first quarter of last year.

Water Projects The Town will begin three water projects in October. The Walnut St. water main replacement will be completed by A.P. Croll. The replacement of aging water meters throughout the older portions of Town (approximately 775 meters) has been awarded to Elvin Schrock & Sons. John W. Tieder will be installing the new SCADA alarm systems in the Town well houses to replace antiquated telemetry systems. The Town's water rate increase will fund the loan for these projects from DNREC.

Think Ahead

Winter Weather

If you are out of Town during the winter months, you must make arrangements for your sidewalks to be shoveled in your absence.

Per Town Code:

All sidewalks must be cleared within 48 hours of a snowfall.

National Night Out

Bridgeville's Night Out Against Crime event on September 18th was a huge success, even with periodic rain showers. Approximately 400 residents attended. The Town received donations from local businesses, Representative Wilson and Senator Pettyjohn toward the cost of the event. The Police Department was very pleased with the turn-out.

Halloween Safety Tips

Adult Supervision Young children require adult supervision!

Safety in Numbers Older children should stay in a group.

Plan Ahead Designate a route and stick to it; visit homes with outdoor lights on.

Stay Outside Never enter a home to receive your candy.

Say "No" to Strangers Never accept a ride from a stranger.

Visibility Counts Dress in a bright costume to be seen. Wear reflective strips or carry a glow stick or flashlight. Masks block full vision; wear make-up instead.

Quality Check Treats Save your candy; bring it home for a parental check. Throw away any candy that is not in its original wrapper or looks like it has been tampered with.

Obey the Law Rehearse traffic safety rules with children prior to Halloween. Look both ways before crossing streets and always cross as a group.

Have a Safe and Happy Halloween
