

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 74 CHAPTER 1214

OCT/NOV/DEC 2014

From the President's Desk

On behalf of the Commissioners of Bridgeville, I would like to extend a hearty WELCOME to our new Wawa Gas and Convenience store. This project began in late 2012 with an application to annex a small parcel of land into Town limits in order to make the property large enough for this addition to our commercial development on Route 13. The months that followed saw the demolition of several existing buildings and the removal of the old Bridgeville Diner, which long-time residents fondly remember. We have eagerly watched every step of the development and Wawa has worked very closely with our Public Works personnel and state agencies to accommodate all required rules and regulations. The business is easily accessible from northbound and southbound U.S. Rt. 13 and from South Main St.

Grand Opening for the Wawa took place on November 7th and several Town staff and Commissioners competed in a good-natured hoagie-building contest against new store employees. The Town won the contest with 25 hoagies made, although it is possible that only 2 were actually edible (per Town Manager Savage)! Wawa graciously presented a gift of \$2,000 for St. Jude's Children's Hospital, as a special way to mark this event.

We want to express our appreciation to the Bridgeville Charity Open Golf Tournament golfers and sponsors for their support of this year's 8th Annual Golf Tournament. \$5,500 was awarded to each of our Bridgeville charity recipients, the Lions Club and Kiwanis Foundation. We hope many more local golfers will join us on October 9, 2015!

Another "Thanks!" goes to the Bridgeville Mustangs 4-H Club for their leadership in the Caroling in the Park event on December 21st. Many individuals and organizations supported the event with a sound system, hot chocolate, cookies, caroling cards and music leadership from a local church praise team. Special thanks to the Bridgeville Historical Society for the use of the park, which provided a wonderful backdrop for the event.

On behalf of the Commissioners of Bridgeville, I would like to take this opportunity to thank all of our Town Employees for their dedication this past year. We have a staff that works well together, which is an essential part of making Bridgeville a great place to live!

Happy New Year to All of Our Bridgeville Residents!

Pat Correll

Snow Reminders

Shoveling Snow/ice must be removed within twenty-four (24) hours of it ceasing to accumulate, according to Town Code. The owner or occupant of any building or lot abutting a public sidewalk is responsible to keep it clear of snow/ice.

Additionally, in order for your letter carrier to deliver your mail promptly and provide you with uninterrupted service, residents must clear the approach to their mailbox.

If you are out of Town for an extended period of time during the winter months, you must make arrangements for your sidewalks to be shoveled in your absence.

Snow Plowing /Salting of Roads When snow begins to fall, residents having access to their yard from an alleyway must park their vehicles there. If a driveway does not exist, all residents must move vehicles to the even-numbered side of the street. When the odd-numbered side of the street has been cleared of snow/ice, residents must move vehicles to the odd-numbered side of the street. This will allow the Town to clear the streets completely and efficiently, without the need for residents to shovel their respective parking spaces.

Monthly Statistics

Reflects Totals from Month of:	SEPTEMBER	OCTOBER	NOVEMBER
Traffic / Criminal Arrests	311/ 55	295 / 43	324 / 76
Building Permits / Revenue	23 / \$25,778.48	21/ \$21,194.62	5 / \$13,129.86
Certificates of Occupancy	2	4	3
Untagged / Inoperable Vehicles	1	3	0

Minutes from the Monthly Commission Meetings

October / November / December 2014

After receiving proper approvals, the Heritage Shores developer is making good progress on new development. Water and sewer infrastructure have been installed and paving has begun in Phase 3. Inspections by Town staff and engineers have been ongoing.

A broken RBC (rotating biological contactor) has been repaired and placed back into service at the Wastewater Treatment Plant (WWTP). This is a major component in the Town's treatment process.

Dollar General is pursuing approvals from state agencies for a new store at the corner of Market and Main Sts. The Commission gave Preliminary Development Plan approval to the proposed store at their October Commission meeting.

A substantial commercial building permit was issued for renovations to the Royal Farms store. The business is currently closed pending completion of the work.

Concerning the Walnut Street Water Main Replacement Project, the new water line has been installed and the contractor is replacing the individual water connections that provide service to the residents. The project is 71% complete per the calendar and 56% complete as it pertains to the contract amount.

After necessary reviews, the Town will begin demolition of the structures located at 105 S. Main St., purchased by the Town several months ago. We anticipate publicly advertising for bids in early 2015.

The first step is being taken in a long-awaited process of building a new Police Department. An architect with our engineering firm of Davis, Bowen & Friedel, Inc. is preparing a proposal for services. The current building is past its useful service, with deterioration that cannot realistically be repaired.

The Commissioners adopted a "Master Plan for Bridgeville and Greenwood Sustainable Growth in the Nanticoke Watershed". This document is aspirational concerning how and where the Town would like to grow in the future. The document is available on the Town website at: www.bridgeville.delaware.gov

Mill Street paving and restoration was completed in September. Additionally, Jeff's Tap Room paved its parking lot, which solved drainage issues in that area.

The Commissioners voted to enroll Town employees in the DELEA Founder's Insurance Trust program for Workman's Compensation Insurance. The Trust is led by several Sussex Towns and the Delaware League of Local Governments. Many members of the Sussex County Association of Towns (SCAT) serve as officers and trustees of the program.

The CPA firm of Lank, Johnson and Tull presented the FY-2014 Audit Report at the December Commission meeting. Mr. Rick Tull advised "this is an un-modified report, which is the highest level you can attain, and is a tribute to the hard work of the Town staff." Mr. Tull advised this is a good financial report; the Town's position has been very steady year-to-year.

Bridgeville continues to participate in Sussex County's Community Development Block Grant Program (CDBG). This program assists the Town in renovations and demolitions for low and moderate income households. Bridgeville currently has a list of 23 houses for rehabilitation and the Town should receive funds this year for renovations.

3-Year Re-Appointments:

Planning and Zoning - Mr. Bill Atwood / Mr. Tim Banks

Board of Adjustment - Mr. Wayne Dickerson
Mr. George Hardesty

Town News

Bridgeville Police Report

Be Ready For Winter Weather!

Freezing Rain - Rain that freezes when it hits the ground, creating a coating of ice on roads, walkways, trees and power lines.

Sleet - Rain that turns to ice pellets before reaching the ground. Sleet also causes moisture on roads to freeze and become slippery.

Winter Weather Advisory - Winter weather conditions are expected to cause significant inconveniences and may be hazardous. When caution is used, these situations should not be life threatening.

Winter Storm Watch - A winter storm is possible in your area. Tune in to NOAA Weather Radio, commercial radio, or television for more information.

Winter Storm Warning - A winter storm with severe winter conditions is occurring or will soon occur in your area.

Blizzard Warning - Sustained winds or frequent gusts to 35 miles per hour or greater and considerable amounts of falling or blowing snow (reducing visibility to less than a quarter mile) are expected to prevail for a period of three hours or longer.

Frost/Freeze Warning - Below freezing temperatures are expected.

Make Sure Your Car is Ready for Winter Travel

Check antifreeze level and have radiator system serviced. Replace worn tires and check tire air pressure. Keep gas tank full to avoid ice in tank and fuel lines.

Finalized Town Rates:

Water Rate: (Returned to Previous Rate)

\$2.79 per 1,000 for the first 5,000 gallons used per month (0-5,000)

\$3.35 per 1,000 for the second 5,000 gallons used (5,001-10,000)

\$3.75 per 1,000 gallons over 10,000 gallons (10,000+)

Meter Rate: (New Rate)

\$7.50 per month on the primary water meter

\$5.50 per month on the secondary water meter

Wastewater Rate: (No Change)

Tax Rate: (New Rate)

\$2.40 per \$100.00 of assessed value

VOLUNTEERS NEEDED

Preparation of Newsletter for Bulk Mailing

The Town maintains a list of residents who are willing to help prepare the Town's quarterly newsletter for mailing (tabs/labels/etc.).

There is no obligation involved; if interested, you would receive a phone call from Town Hall to check your availability when the newsletter arrives from the printer.

Please contact April at Town Hall, 302-337-7135 or email abbridgeville@gmail.com to express your interest

Sussex County Emergency Operations Center

Mr. Joseph L. Thomas, Director

If there's a silver lining to the dreary days of winter, it's that Sussex County has weathered yet another season of extreme heat and the looming threat of hurricanes. But as the tropical storm season draws to a close, the nor'easter season begins, and homes and businesses along the coast and inland should be prepared now for what mother nature might unleash in the months ahead.

With such a light hurricane season, people might feel a sense of relief, but winter can be just as hazardous, and it's easy to underestimate the severity winter conditions can pose. High winds, flooding, heavy snow, icy travel and downed power lines are just some of the many effects we can see this time of year, all of which pose a significant risk to life and property. It's important that the public remain vigilant throughout the year to be prepared for whatever might come our way.

The National Oceanic and Atmospheric Administration's seasonal outlook for this winter predicts a moderately wetter season than those in recent years, but not necessarily as cold, according to NOAA's long-range outlook issued in late October. Forecasters, though, are keeping an eye on a developing El Nino pattern, the phenomenon of warming waters in the east-central Pacific Ocean that can have global effects, including an increase in nor'easter activity along the East Coast of the United States. Fortunately, a repeat of last year's extreme cold is not expected in the mid-Atlantic region, according to forecasts.

During a Storm

Code Updates

Contractor / Subcontractor Licensing

Bridgeville has a yearly licensing requirement for all contractors/ subcontractors working in Town. Any "new work" being performed in or outside your home may be subject to the contractor licensing. Not included are contractors performing work or providing materials for the repair, restoration or maintenance of previously existing work.

Homeowners must direct their contractor to the Town office to fill out necessary paperwork and pay the yearly \$50 fee in order to work in Bridgeville.

Sidewalk Repairs

Please be advised: All sidewalks on your property are to be maintained by the property owner.

The Town has received complaints concerning the condition of sidewalks in Town. The Code Department will be inspecting sidewalk hazards and requiring that homeowners make necessary repairs for the safety of all Bridgeville residents.

Driveway Material

All off-street parking areas must be surfaced with erosion-resistant material in accordance with Town standards, i.e. stone, CR6, clamshells, blacktop or cement. Cars may not park on dirt or grass.

Pit Bull Dogs

January is re-registration time for all pit bulls in Bridgeville.

Bridgeville Economic Development Committee

The Town has formed a new committee of business-persons and interested residents to stimulate and support economic development in Bridgeville. At the November 10th monthly meeting, the Town Commission adopted the following "Economic Development Committee Mission Statement."

The mission is to create a community where people want to live, work and visit through an inclusive collaborative effort to increase economic, social & educational opportunities, to provide community support services & to offer an appealing environment:

- Building on "if you lived here, you would be home now," develop a marketing message that emphasizes the POSITIVES for being in Bridgeville to live, work and visit.
- Work with the Town Commission to produce a handbook that clarifies the process of opening a new business in Bridgeville, where possible, streamline the process and offer incentives.
- Identify and pursue all available funding sources, public and private, to achieve goals.
- Aggressively target commercial and housing development that would encourage a mixed age population.
- Include all stakeholders.

Community Activities
