

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 75 CHAPTER 315

JAN/FEB/MAR 2015

From the President's Desk

We trust that Spring is here to stay, as we are seeing the first signs. I'm sure our Public Works Department is glad to see spring arrive! Thankfully, our snow events were small this year and our employees did an excellent job keeping our streets cleared. I would like to commend Street Superintendent Rick Passwaters for his efforts, with assistance from Public Works employees Jeff Collins, Scott Kimball, Phillip Mowbray and Bruce Williamson.

The month of March brings changes in Bridgeville's municipal government. Our Commission Election did not take place this year. We congratulate Mrs. Sharon McDowell on returning to the Commission for a second 2-year term. She ran uncontested for the District #5 seat. In District #4, we were sorry to say goodbye to Mr. Paul Kovack, who has served 2 terms on the Commission. He has been a strong advocate for fiscal responsibility and for the Police Department and has served his district very well. We welcome Dr. Kevin Carson, who won the uncontested District #4 2-year term and we believe his administrative background will be beneficial to the Commission. Voting Districts #1 (Jay Mervine), #2 (Lawrence Tassone) and #3 (Pat Correll) will be up for election in March 2016.

The Commission appointed officers for the year at the March Commission meeting. Pat Correll will continue as Commission President, Sharon McDowell — President Pro Tempore and Lawrence Tassone — Commission Secretary.

We are pleased to see the Royal Farms open after their extensive renovation project. The Commissioners, local organizations and politicians were invited to participate in the Grand Re-Opening on March 16th.

I would like to acknowledge our advertisers for The Journal Newsletter. The printing and mailing of this quarterly newsletter is made possible through the faithful support of the businesses and organizations found on pages 7 - 9 of this newsletter. Many have been with us for a number of years. Our first newsletter in this format was the Jan/Feb/Mar 1998 issue and nine of those first advertisers are still with us 17 years later! They are A.C. Schultes; Bridgeville Building and Loan; Davis, Bowen & Friedel, Inc.; Elvin Schrock & Sons, Inc.; McDowell's Garage; News Print Shop; Hardesty (later Parsell) Funeral Home; Scott's Furniture, Inc.; and Baltimore Trust (later PNC) Bank. We express our appreciation to them for their loyalty. Please take a close look at all of our sponsorship ads and patronize these businesses and organizations whenever possible.

2014 has been a great year, as we have been able to complete a number of projects that have been on the books for a long time. We are looking forward to all 2015 has in store for us.

Pat Correll

Minutes from the Monthly Commission Meetings

January / February / March 2015

A yearly contribution to the Bridgeville Volunteer Fire Company in the amount of \$32,336 has been made. This will assist the Fire Company with the purchase of a new \$744,259 Pierce Rescue/Pumper to replace a 1990 truck.

Representatives from DeIDOT presented a "Safe Routes to School Project" with new pedestrian crosswalks at the corner of Edgewood and S. Main Sts. With the modification of the High School to a Middle School, there is a concern about the younger student population walking to school. The Town will participate in this 100%-federally-funded program that will provide up to \$125,000.

Mrs. Eleanor Bennett was appointed to the Planning and Zoning Commission to represent the Bridgeville Historical Society. She is replacing Mr. John Shockley, who has served faithfully for a number of years and will be missed.

The Commission approved an update to the Town's Certificate of Public Convenience & Necessity, allowing Bridgeville to provide water/wastewater services to its proposed annexation areas.

Representatives from DNREC addressed stabilization and improvements to Bridgeville's tax ditch. Finances are being provided through the 21st Century Funds and a Water Quality Improvement Grant.

The Town has received an annexation request from the Glenna J. Smith Revocable Trust and Mr. Robert D. Smith, III for the purpose of receiving Town water/sewer services at 502 S. Main Street. A Town-wide annexation vote will be required.

The 2014 Annual Report from the Planning & Zoning Commission has been approved by the Town Commission. P&Z considered 13 applications in 2014.

Heritage Shores has opened a dog park w/published rules/regulations. A professional service cleans regularly and the area is enclosed with a fence and double entry system for safety.

The Commission has considered a de-annexation request by Mr. Dale Wheatley concerning four parcels that were originally annexed into the Town for a second Heritage Shores development project. Mr. Wheatley advised the project will not be built and he has since placed the property into Agricultural Preservation. The Commission expressed concern about the use of the property by heirs or a future buyer. The Town Solicitor is reviewing the application.

The Apple Scapple Committee was given permission to open the Festival's carnival on Sunday afternoon, October 11th, from 1-6 PM, should any of the 3 scheduled carnival days have a significant rain event.

A Public Workshop was recently held concerning DeIDOT's pursuit to restrict the traffic at Rifle Range Rd. and Route 13 in Bridgeville. A letter has been sent advising of the Commission's strong support for the intersection to remain unchanged for the sake of Bridgeville's economic growth and development.

Ordinance 15-2 was approved, adopting a revised flood damage chapter in the Town Code. This will have a positive effect on flood insurance availability for Bridgeville homeowners. A water main break in the street, as well as a federally-determined disaster/state of emergency would qualify for claims. See FEMA's flood insurance website at www.floodsmart.gov for more information

Ordinance 15-3 was adopted, reducing Heritage Shores Special Tax rates.

“Around Town”

Walnut Street Water Main Replacement Project

All infrastructure is now complete. Many residents have asked about resurfacing portions of the roadway that have been disturbed due to the project and the recent winter weather. Please be advised roadways cannot be repaired effectively until warmer weather arrives.

Water Meter Replacement Project

The water meter replacement project began in January. New “radio-read” meters have been installed throughout the older portion of Town, allowing the meters to be read as the Water Department drives past a property. This improvement will allow the Town to read all its meters in a matter of hours, rather than the 2-3 full days it has taken in the past. Water Superintendent Kimball is currently checking that all information has been entered into the billing software correctly to read water meters electronically.

WIFI Installed

The Town Hall now offers WIFI internet service.

Building Permits

During December, January & February, the Town received applications for a total of 13 building permits for new construction. During a usually “slow” time for construction, we are pleased to see Heritage Shores continue to grow during the winter months.

Bridgeville Branch Effluent Line

The replacement project is now complete. The spray irrigation operation has been restarted and it is running smoothly. We appreciate the efforts of Hopkins Construction in completing this important project for the Town.

New Police Department

The Town is pursuing the construction of a new Police Department facility for Bridgeville. Staff have met with the project architect, discussing size, layout, etc. The Town’s engineer, Davis, Bowen & Friedel, Inc., will conduct a survey of the proposed property on the south side of the Town Hall.

Code Department

Grass Cutting

The Town will only give **one warning per year** concerning grass that is 8 inches or taller. A \$100 fine will be assessed for a second violation. If you will be out of Town for an extended period of time, please make arrangements for your grass to be cut in your absence. **No Exceptions!**

Grass clippings are not allowed in the street, as they clog the street sweeper.

Tree & Foliage Trimming

In order to clean the streets at the curb line, the Town's street sweeper requires a height clearance of at least twelve (12) feet. There are many properties in Town with tree limbs that are below the clearance height and bushes that extend over the curb line. We would appreciate everyone's cooperation in trimming and maintaining these trees and bushes so the street sweeper can do an effective job.

Sidewalk Repairs

Please be advised: All sidewalks on your property are to be maintained by the property owner. The Town asks all residents to make necessary repairs for the safety of all Bridgeville residents.

Dog Owners

All dogs with pit bull characteristics must be registered at Town Hall.

Chaining dogs is prohibited.

Residential Mailbox Requirements

Mailbox: 3-inch light-reflective numbers/letters
Structure: 4-inch light-reflective numbers/letters

Those not in compliance will be fined!

Contact Code Enforcement Officer Jerry Butler concerning these requirements (337-7135)

Garbage/Recycling Services

There will be no interruption of garbage & recycling services due to Memorial Day or July 4th.

Recycling services are provided bi-weekly and collection is as follows:

April 10 / 24 May 8 / 22
June 5 / 19 July 3 / 17 / 31

Pool Owners

Pool meters will again be available from the Town Hall. This metered hose will allow you to fill your pool with water

ONE TIME ONLY DURING THE SUMMER, charging only for water, not for sewer. Pool meters must be returned within one week to avoid penalty.

Bridgeville Collection Station

Bridgeville has a Delaware Solid Waste Authority (DSWA) drop-off center nearby. This Station operates on a "pay-as-you-throw" basis - each bag of garbage or yard waste costs \$1.00. To protect the safety of the operator and the users, NO cash transactions take place on-site. Pre-paid tickets must be purchased in advance, which are available in \$10.00 increments online at dswa.com or in person at regular DSWA facilities. They are also available at the Sussex County Administration Building in Georgetown. Tickets expire one year from the date of purchase.

The Bridgeville Collection station offers a convenient and relatively inexpensive option for disposing of household garbage/yard waste.

BBQ Stand Mark your calendar for another summer of famous Kiwanis barbecue chicken. The Kiwanis Club BBQ stand will open for the season on Saturday April 18th and Sunday the 19th and will be open weekends through October 4th. The stand is located 4 miles west of Bridgeville on Seashore Highway (Route 404). The sale of this traditional delicious summertime favorite goes to benefit children and youth, community needs and the less fortunate. We hope the Bridgeville community will continue to support this fundraising activity.

Hannah Warfield Fund The April 18-19 BBQ dates will benefit the Hannah Warfield Fund. Hannah has been diagnosed with a neuromuscular disease and her family is raising money for the purchase of a handicap-accessible van.
