From the President's Desk

The month of March brings changes in Bridgeville's municipal government. Voting Districts # 2 (Lawrence Tassone) and #3 (Pat Correll) were uncontested and each will serve 2-year terms on the Town Commission. The District #1 Commission seat, currently held by Jay Mervine, was contested in this election cycle and the seat was won by Timothy Banks.

District #1 Commissioner Mervine has served the Town well since June, 2010. Jay has a rich knowledge of our community, as well as our state's government, which has been invaluable to the Town and we thank him for his faithful years of service.

Please welcome new District #1 Commissioner, Tim Banks, who has lived in Bridgeville virtually all of his life, other than his time in the military and has recently served two years on Bridgeville’s Planning and Zoning Commission. We welcome him to the Commission and look forward to working with him.

Officers for the year include Pat Correll, President; Sharon McDowell, President Pro Tempore and Lawrence Tassone, Commission Secretary. Also appointed were Jesse Savage, Town Manager/Finance Director; Dennis Schrader, Town Solicitor and Jason Loar of Davis, Bowen & Friedel, Inc., Town Engineer.

We would like to acknowledge our Bridgeville Board of Election consisting of Mrs. Anne Hallman, Mrs. Betty Ann Hardesty and Mr. Don Kover, who qualified the candidates and supervised the Election. Our Election Officers included Mrs. Vera Hartzell, Mrs. Margaret Sipple and Mr. Robert Slater, who verified the eligibility of the voters and operated the voting machine. Thanks also to Town Secretary Peggy Smith for coordinating the Election process.

Our congratulations go to Woodbridge High School senior Altia Anderson for being chosen Gatorade’s “Delaware Girls Basketball Player of the Year” and now a contender at the national level. The award recognizes not only outstanding athletic excellence, but also high standards of academic achievement and exemplary character demonstrated on and off the court. Altia has maintained an A average and served as treasurer of her school’s Key Club. She has signed a National Letter of Intent to play basketball on scholarship at Marquette University this fall and we wish her the very best.

Spring is Blooming and new Banners are Flying! Please take note of the efforts of the Town’s Economic Development Committee, which has been the stimulus for new Town banners. Continuing the Town’s familiar phrase "If You Lived Here You’d Be Home Now," the phrase “Delaware’s Front Porch” has been added to convey the small town hospitality that is Bridgeville.

ENJOY THE BEAUTIFUL SPRING WEATHER!  
Pat Correll

Minutes from the Monthly Commission Meetings

**January / February / March 2016**

The Delaware Bicycle Council has announced Bridgeville as the inaugural winner of the Council’s Cycling Infrastructure Innovation Fund Grant of $10,000. The grant will pay for the survey/design contract for the northern addition to the Heritage Shores Bike Path along Wilson Farm Rd.

At its mid-year Budget Workshop, the Commissioners adopted a budget amendment with a 3% decrease. Adjustments were due in part to human resource changes and a late completion of the Alarm project.

The 2015 Emergency Services Fund of $31,341.73 has been donated to the Bridgeville Volunteer Fire Company (BVFC) toward the purchase of 800 megahertz radios.

USDA and DNREC have provided grant funding of $50,000 for the first phase of Bridgeville’s Wastewater Treatment Plant Upgrade. The Town is working toward meeting its wastewater discharge requirements.

The Town employees and Commissioners held a 50-50 raffle at their annual Christmas party, enabling them to donate $70 to Union United Methodist Church Christmas Food Baskets for needy families in our community.

The Town has purchased a used bucket truck for tree trimming, hanging Christmas lights, flags, etc. and continues to assist Greenwood with lights/flags. Support from the Kiwanis Club is much appreciated!

At their February meeting, the Commission re-appointed the CPA firm of Lank, Johnson & Tull, which has been the Town Auditor for a number of years and assists many neighboring Towns and non-profit organizations.

The Commission has voted to continue receiving state mosquito spray services for 2016.

The Planning and Zoning Commission met on March 15th to consider an application by the Heritage Shores developer to amend a portion of phase 3. The change would remove the alleyways and enlarge lot sizes in this section of the development. The Town Commission will consider this request at its April 11th monthly meeting.

Multiple conversations with DeDOT regarding their proposed partial closure of the Rifle Range Rd./U.S. 13 intersection have led to a change in plans. DeDOT has completed a new accident study and intends to reverse course and leave the intersection open.

The EPA and DNREC have reconsidered Bridgeville’s designation as a current MS4 Stormwater permittee and have determined that Bridgeville is not required (yet) to apply for a permit to regulate its stormwater infrastructure; however, it is in the best interests of the Town to move forward and develop "Best Management Practices" which can be instituted as funding permits. There is little doubt that stormwater regulations will be required in Bridgeville following the 2020 census.

The Bridgeville Cemetery Association has recently purchased land on Emory St. adjoining the western boundary of the Cemetery. Owning property on both sides of the east end of Emory St. now, they would like to move the existing fence on the west side of the cemetery approximately 97 feet further west, closing part of Emory St. Relocation of the fence and entrance gate will keep that property secure and allow for future cemetery expansion. The request was approved by the Commission.

The Heritage Shores fence on Wilson Farm Rd. has been power-washed. The tower will be washed and painted in 2018 as part of the regular maintenance contract.

Save the Date!

Apple Scapple Festival Update

The Apple Scapple Committee is hard at work preparing for the 25th Anniversary in October 2016 and anticipates a spectacular event! Organizing the festival is a year-long mission and many residents serve, enabling our community/schools/civic organizations to raise much needed funds. We are always looking for more volunteers to help the festival run smoothly and ask for a commitment of 15 hours a year, with a maximum of 4 hours during the festival. If this is something you would like to do individually, or with your organization or business, we would be happy to have you join us. Meetings take place the last Tuesday of each month, 7 PM at the Bridgeville Library.

Karen Johnson, Chairperson
Bridgeville Public Library

Economic Development Committee

Seeking Advice

The Economic Development Committee (EDC) continues to meet monthly to pursue advice from professionals and new ideas to attract visitors, businesses and resources to the Town of Bridgeville.

The January committee meeting featured Ms. Diane Laird (Delaware Economic Development Office - DEDO) as well as Mr. Rick Ferrell (Retail Market Answers, LLC) for much-appreciated input.

Mr. Ferrell believes it is important to consider the community as a whole. He stressed connectivity between downtown, the highway and Heritage Shores; all somewhat different, but all important to Bridgeville’s success. He suggested targeting regional and local businesses, as these are more apt to thrive in a small town market.

It was also recommended that Bridgeville connect with and have conversation with other similar towns in the area. Relationships with and between realtors, property owners, bankers and the town should also be embraced.

Moving Forward

The town’s branding banners arrived in mid-January and several are now installed on Main and Market Streets.

The EDC has installed a new town sign at the corner of Main and Market in front of the Dollar General Store. Unfortunately, the previous sign was irreparable and could not be re-posted. The new sign is based on the Town’s new branding theme.

On March 16th, the EDC hosted a roundtable discussion with Sussex County commercial realtors to determine what is needed to encourage Bridgeville’s economic growth.

In early April competitive matching grant money for commercial property owners on Market and Main is being made available to some property owners who choose to make visible property improvements, i.e. wall painting, sidewalk repairs, façade improvement, etc.

Friday Garbage/Recycling Services
Peninsula Oil Subscribers ONLY

There will be no interruption of garbage & recycling services due to Memorial Day or July 4th.
Recycling services are provided bi-weekly and collection is as follows:

Town News

Pool Owners

Pool meters will again be available from the Town Hall.
This metered hose will allow you to fill your pool with water
ONE TIME ONLY DURING THE SUMMER,
charging only for water, not for sewer. Pool meters must be returned within one week to avoid penalty.

Code Department

Grass Cutting

The Town will only give one warning per year concerning grass that is 8 inches or taller. A $100 fine will be assessed for a second violation. If you will be out of Town for an extended period of time, please make arrangements for your grass to be cut in your absence.

No Exceptions!

Grass clippings are not allowed in the street, as they clog the street sweeper.

Power-washing

We strongly recommend homeowners power-wash their dwelling - especially the north side. The mold and mildew which collects is very unhealthy for your family!

Tree & Foliage Trimming

In order to clean the streets at the curb line, the Town’s street sweeper requires a height clearance of at least twelve (12) feet. There are many properties in Town with tree limbs that are below the clearance height and bushes that extend over the curb line. We would appreciate everyone’s cooperation in trimming and maintaining these trees and bushes so the street sweeper can do an effective job.

Sidewalk Repairs

Please be advised: All sidewalks on your property are to be maintained by the property owner. The Town asks all residents to make necessary repairs for the safety of all Bridgeville residents.

Dog Owners

All dogs with pit bull characteristics must be registered at Town Hall.
Chaining/tethering dogs with ropes/wires is prohibited.

Residential Mailbox Requirements

Mailbox: 3-inch light-reflective numbers/letters
Structure: 4-inch light-reflective numbers/letters
Those not in compliance will be fined!
Contact Code Enforcement Officer Jerry Butler concerning these requirements (337-7135)

Bridgeville Collection Station

Bridgeville has a Delaware Solid Waste Authority (DSWA) drop-off center nearby. This Station operates on a “pay-as-you-throw” basis - each bag of garbage or yard waste costs $1.00. To protect the safety of the operator and the users, No Cash Transactions take place on-site. Pre-paid tickets must be purchased in advance, which are available in $10.00 increments online at dswa.com or in person at regular DSWA facilities. They are also available at the Sussex County Administration Building in Georgetown. Tickets expire one year from the date of purchase.

The Bridgeville Collection station offers a convenient and relatively inexpensive option for disposing of household garbage/yard waste.

Kiwanis Club of Bridgeville News
BBQ Stand  Mark your calendar for another
summer of famous Kiwanis barbecue chicken.
The Kiwanis Club BBQ stand will open for the
season on Saturday April 23th and Sunday the
24th and will be open weekends through
October 2nd. The stand is located 4 miles west
of Bridgeville on Seashore Highway (Route 404).
The sale of this traditional delicious summertime
favorite goes to benefit children and youth,
community needs and the less fortunate. We
hope the Bridgeville community will continue to
support this fundraising activity.

Operation Warm  Through an anonymous
donation, 450 new winter jackets have been
given to the Kiwanis Club for needy children
through the dedicated efforts of a Kiwanis
member. Additionally, the Bridgeville Kiwanis
Club has purchased 200 winter jackets for the
past two years and distributed them to needy
children in the Bridgeville area.
