BRIDGEVILLE, DELAWARE

VOLUME 8 CHAPTER 1299

OCT/NOV/DEC 1999

## WINTER SUNRISE

It seems to me that sunrise differs  
When winter's chill begins to enfold;  
Her brilliant colors of scarlet reds  
Are changed to all the softer golds.

For frost has squeezed the color  
From the bluest of summer skies,  
And made the dawn a washed-out red;  
The background for a rosy sigh.

Oh, a winter sunrise brings with it  
A tiny hint; its pastel shade  
Is but a faint reminder  
Of a riotous splendor summer made.

Perhaps someday an ingenious artist  
Will capture winter's sunrise hues  
And set there on an empty canvas  
Pinks and ochers, then pale blues.

And so, when frosted air has come,  
I quietly stand outside to stare,  
And wonder at the sunrise that  
The Master has subtly painted there.

## COMMISSION UPDATE

The three Commission positions  
have been filled by the following  
candidates:

One Year Term: Glenn Miles  
Two Year Term: Margaret Sipple  
Two Year Term: Earl Greason

Because no one else filed for the  
positions, there will not be an  
election on January 8, 2000.

The new Commissioners will be  
sworn to office at the January 10th  
meeting.

## VOTER REGISTRATION

For those who received letters  
reminding you to re-register, you  
can register until December 30, 1999.  
This will keep your name current  
for any future Town elections.

## Y2K AND YOUR WATER, SEWER AND PUBLIC SAFETY SERVICES

We are not expecting any problems  
with either water or sewer. We  
have tested all of our automated  
systems and they are compliant. In  
the extremely unlikely event of a  
loss of power, we have back-up gen-  
erators to run the plant and more  
than sufficient fuel to run them.  
Again there should be no interruption  
to your water and sewer services this  
new year.

The Police Department will have  
officers on duty 24 hours starting  
12:00 am. In the event of a power  
or phone outage, a police officer  
will be stationed at the Bridgeville  
Fire Hall until power and phone lines  
are restored.

Commissioner Charles Singman

BOARD MEETINGS HELD EVERY SECOND MONDAY OF THE MONTH, TOWN HALL, 7:00 P.M. -PUBLIC IS ALWAYS WELCOME!

**FROM THE PRESIDENT'S DESK.....**

**HOW ABOUT THOSE RAIDERS?** Congratulations to the high school and the graduating seniors for setting a record that will inspire our team for years to come. We are proud of their athletic accomplishments. Well Done Team....

First, let me wish a Happy Holiday to everyone. It is so good to see the decorations and preparations for the holiday season as you drive around Town.

This has been a very busy year for us. We completed the paving program for the streets and got new sidewalks for some of the areas in Town. In the coming weeks we will complete the handicapped access for Town Hall. All of this has been done at the same time we are recovering from the damage from hurricane Floyd.

We have also established the Planning Commission, and they are in the process of developing our Land Use Plan. Public meetings will be held to give the community an opportunity for input of ideas on how we want our Town to develop. I encourage all to participate.

December means registration for new members of the Commission. We have three people filing for the three vacant seats. Margaret "Bootsie" Sipple will return to her position as will Glenn Miles. Earl Greason, of South Main Street, has filed and will fill the remaining two-year term. We welcome each of them and thank them for their willingness to work for the Town.

Finally, as always, a word of praise for the employees of Bridgeville. From the Police Department to Town Hall to the Water and Wastewater plants we are blessed with dedicated people. To each of you, Thanks and have a happy Holiday.

**HOW TIME FLIES.....**The Town's newsletter is two years old! Published four times a year, we think it brings to our community the news it needs to know. We would like to thank our sponsors who made it all possible. Area business people have supported our efforts all the way. Please support them by patronizing their businesses.

HANDY TRICKS AND TIPS

- \* A quick way to dry wet mittens & gloves is to place them over empty tin cans that have the ends cut out and place them near a heating vent. The warm air circulates through the cans and dries out the mittens quick as a wink.
- \* After a light snow, take your silk flowers that have gathered dust indoors and swish them around in the white stuff. The snow pulls off the dust and barely dampens the blooms.
- \* On chilly winter days, prop a piece of cardboard behind potted plants on the windowsill to protect them from drafts.

\* \* \* \* \*

**SPEEDY SWEET TREATS**

**SHORTCUT FUDGE**

1 pkg. (3.4 oz) cook & serve choco. pudding mix  
 1 cup sugar  
 1/2 cup evaporated milk  
 1 tablespoon butter (no subs), softened  
 1 cup chopped pecans  
 In a heavy saucepan, combine dry pudding mix, sugar, milk and butter. Bring to a boil; boil and stir until a candy thermometer reads 224 (about 3 minutes). Remove from the heat and beat rapidly for 1 minute. Add pecans, continue beating until mixture thickens slightly. Drop by tablespoon onto waxed paperlined baking sheets. Refrigerate until firm (about 45 min). Yield: 3/4 pound.

\* \* \* \* \*

**CHOCOLATE-DIPPED TREATS**

1 cup (6 oz) semisweet choco chips  
 1 tablespoon shortening  
 1/4 teaspoon ground cinnamon  
 Large marshmallows, minature pretzel twist and/or whole fresh strawberries  
 In a microwave or heavy saucepan, melt chocolate chips and shortening. Stir in cinnamon. Dip three-quarters of each marshmallow, pretzel and/or strawberries in chocolate. Place on waxed paperlined baking sheet. Refrigerate until set, about 30 minutes. Yield: about 4 dozen.

\* \* \* \* \*

**COCONUT DROPS**

1 pkg. (14 oz) flaked coconut  
 6 drops red food coloring  
 6 drops green food coloring  
 1 pound white candy coating  
 Divide coconut between two bowls. Add red food coloring to one bowl and green to other. Toss to coat. In a heavy saucepan over low heat, melt candy coating. Drop by tablespoonfuls onto waxed paper. While coating is still warm, sprinkle half of each drop with pine coconut and the other half with green; press down gently. Refrigerator until firm. Yield: 1 1/4 pounds.
