THE JOURNAL

VOLUME 85 CHAPTER 9107

JUL/AUG/SEPT 2017

From the President's Desk

Students are back in school and the days are getting shorter, which signals that Fall is on its way. There's a lot going on in and around Bridgeville at this time of year. We trust you will take full advantage of the many events that are listed in this newsletter.

Bridgeville's Night Out Against Crime took place on September 13th and was a great success. The event was spear-headed by Patrolman First Class Justin Wechtenhiser and Police Department Secretary Robin Bohn. Their efforts were rewarded with a huge crowd that ate hotdogs, Vanderwende's ice cream and more! There were too many organizations in attendance to thank them all, from 4-H to our DE State Policemen on horseback. We appreciate all the local businesses and organizations that worked together to make this a successful Night Out.

The Apple Scrapple Festival is just around the corner and we are particularly excited as this is our 26th Anniversary year. The Festival, organized in 1991, is held annually to encourage tourism in western Sussex County. It assists community organizations, promotes local agri-businesses and is one of the most important fundraisers for many of our local non-profit organizations. The festival is run completely by an all-volunteer committee for the benefit of the community.

I would ask all of our residents to help us showcase our Town to the thousands of people who will be visiting. There are obvious inconveniences; however, this festival has given our Town a wonderful reputation - people love to come to Bridgeville! It is also an important fundraiser for our school and community service organizations. We're looking for great weather and a large crowd. For those of you who live in the festival area, you are already aware of clearing the streets for food vendors, Car Show participants etc. The Commissioners and Apple Scrapple Festival Committee are very appreciative of our residents' and homeowners' cooperation. More Apple Scrapple information is located on page 5 of this newsletter.

I would like to thank the Economic Development Committee, Town Staff and Volunteers who organized the Bridgeville's Fabulous 4th Fridays that took place on the Fourth Friday from June to September this year. This was the first year doing them, they were very successful and a hit with the community. I look forward to seeing them next year.

Don't forget the Christmas in Bridgeville Craft Show on December 2nd from 9 AM to 3 PM; it is the perfect event to start your Christmas shopping. I'll see you there!

Congratulations to our very own Town Manager, Jesse Savage, who received Delaware's Town Manager of the year!

Economic & Community Development (EDC)

The August Fabulous 4th Friday event sponsored by the Bridgeville EDC was very successful. There were more food choices to choose from including Dixie's Down Home Cooking; Mike Perini from Heritage Shores who served up his great Pit Beef sandwiches; our local Lion's Club served their ever popular crab cake sandwiches, Jireh's bakery opened up to serve some of their baked goodies; Vanderwende's served up some great ice cream and Jeff's Taproom had beer and wine for sale. Thanks to all who attended and helped make this event happen. September's Oktoberfest themed event had the Happy Wanderers German band with some German food provided by Dixie's Down Home Cooking food truck. The committee plans on continuing the Fabulous Fourth Friday tradition next year.

September 18th through the 21st the state provided consulting services to the EDC to evaluate what the town has accomplished over the last two years and what suggestions they have on how best to move further to ensuring Bridgeville provides the community with an accessible, vibrant place to live and work.

The EDC helped spur some business growth with a \$5,000 Matching Incentive grant awarded to Jeff's Taproom to help in the expansion of his restaurant. The committee will continue to look for other opportunities to help expand and enhance current and new businesses.

The committee also worked with RAPA on installing a Bridgeville sign on the old Railroad Station building to match how it use to look. RAPA has agreed to put up a sign and do some design work on the old station to enhance its looks. Thanks to RAPA for agreeing to do this at no cost to the town.
