

## **Economic Development Committee Update November, 2018**

1. Still working with DelDot on the approval and installation of the town entrance signs created by Impact Graphix.
2. Have drafted an announcement letter for the ongoing grant program and will be hand distributing them to the businesses in the near future. While we present the announcement we will also be verifying and updating our information about the business.
3. Have three potential new members for the EDC and have already submitted two of those names for approval.
4. The committee is working on a timeline for the projects we are currently working on including future projected projects. This will include the crosswalk art, intersection art, traffic signal box art, parklets (flagpole area, front of police station and waste water plan).
5. The Middle School and High School have signed on and are ready to begin having their students participate in a painting contest of rocking chairs. Expected completion is Spring of 2019.
6. Working with DelDot on moving forward with one traffic box art project.
7. Planning for the Christmas Parade for Saturday, Dec 8<sup>th</sup> at 6pm is continuing.
