

The Bridgeville Memorial Bricks Project

Every Brick Tells A Story...

We invite you to join local businesses, organizations, your relatives, friends and neighbors in creating a permanent link to Bridgeville's past, present and future. By participating in this legacy project, you can honor and memorialize family, friends, a local business, an important event, a beloved pet, members of the military and first responders – even you!

Buy A Brick; Build A Memory

The **4"x8" bricks are available for purchase for \$75** and come with a lifetime guarantee. Each brick can have three lines of text with up to 18 characters and spaces per line.

For any brick ordered, you have the option of ordering a **4" x 8" donor brick for \$40**. This is a full-sized replica of the installed brick. These replicas are felt-backed for display in your home or office.

Curved benches (15Wx41Lx18H) to surround the Memorial Plaza **will be offered @ \$1000 each** and can be engraved with a logo(s) or symbol(s), if desired, and 6 lines of text with a maximum of 40 characters/spaces per line. These benches are intended to complement the Memorial Plaza and provide a sitting area for peaceful reflection.

Enrich Historical Awareness, Enhance Our Town's Focal Point, Experience Creating A Legacy, Emphasize A Commitment to the Future

The proceeds from your purchase of a Bridgeville Memorial Brick will be used to build the Bridgeville Memorial Walkway. Initially, this walkway will lead from the front of Town Hall to the recently restored plaza in the green space beside Town Hall.

We also hope to fund some additional landscaping and new flag poles to showcase three larger flags: our American flag, the Delaware state flag and the flag of our town of Bridgeville -- all proudly on display 24/7 and illuminated at the intersection of Main and Market Streets.

Memorial Bricks Make Great Gifts!

Why not consider buying a brick as a Christmas or holiday gift, Mother's/Father's Day, as a testament to a life well-lived, as a high school senior project, to mark the passing of a friend or relative, as a tribute to a special day/event, or to mark your company's contribution and support of our town, to celebrate a new life, a fond farewell or any reason imaginable. How about a certificate for a Memorial Brick as a Silent Auction item for your organization?

Whatever your reason, you can leave a permanent testament of your ongoing support of the Town of Bridgeville by purchasing a personalized brick or bench.

This is an Ongoing Project; There Are No Time Limits or Boundaries

The Town of Bridgeville has additional areas where Memorial Bricks can be located so this is just the beginning of the project. We can build a retaining wall in front of Town Hall, amend the Memorial Plaza with additional walkways/entertainment areas or build a link to the HomeTown Bike Trail with a walkway/bikeway incorporating Memorial Bricks.

Memorial Bricks can be ordered online by credit card on our secure website,
<https://www.bricksrus.com/donorsite/bridgebricks>.

If you prefer to pay by check, please download an order form at our website
