

March 24, 2020

Owner: Town of Bridgeville 302-337-7135
Water Superintendent: Brandon Slater
Project contractor: Suez Advanced Solutions
Project coordinator: David Zehr:
Project forman: Mike Kollas
DNREC Complaint Line: 1-800-662-8802

This letter is to inform the residents of The Town of Bridgeville within 1000 foot radius of the water tower behind town hall, that maintenance is scheduled to start on April 10, 2020.

The water tower will be sand blasted inside and outside down to the bare metal and repainted. This will include the removal of a layer of lead paint. The water tower will be tented during the sand blasting stage of the project for containment of materials, to prevent impacts on the community. The debris will be collected and disposed of properly by the contractor. The estimated time of the project is 6 weeks, depending on the weather.

A handwritten signature in black ink, appearing to be "Brandon Slater", written over a horizontal line.

Brandon Slater
Water Department Superintendent
