From the Desk of the Chief of Police:

In light of the recent rash of thefts in late 2020 – the Bridgeville Police Department would like to remind you to keep your vehicles, homes, and outbuildings locked. Don’t tempt a thief – hide your stuff! Valuable or personal items should not be left in vehicles or near windows. If unavoidable, they should be hidden from sight in your glove box, under seats, or in your trunk. If your home or vehicle is broken into, please make sure to report it to the police. These events often happen in batches, and every report and piece of evidence helps to apprehend a suspect quickly.

An Ongoing Message from Sussex County

As part of the Interim Sewer Operations and Transition Agreement between the Town of Bridgeville and Sussex County, Sussex County has been assessing non-residential properties for Equivalent Dwelling Units (EDUs). You may have already seen or met some Sussex County employees during this process, as they inspect the interior and exterior of properties to verify sewer assessment information. If you prefer a scheduled appointment, please call (302) 855-7719. Please note that all Sussex County employees will have appropriate identification and operate marked County vehicles. We currently expect the transition to occur in April 2021 and be completed no later than June.

Winter Weather Reminders

Snow: Snow/ice must be removed within twenty-four (24) hours of it ceasing to accumulate, according to Town Code. The owner or occupant of any building or lot abutting a public sidewalk is responsible for keeping it clear of snow/ice. Additionally, for your letter carrier to provide you with uninterrupted service, residents must clear the approach to their mailbox.

Snow Plowing /Salting of Roads: When the snow begins to fall, residents having access to their yard from an alleyway must park their vehicles there. If a driveway does not exist, all residents must move vehicles to the even-numbered (house numbers) side of the street. When the odd-numbered side of the street has been cleared of snow/ice, residents must move vehicles to the street’s odd-numbered side.

Please use ice melt on sidewalks instead of salt. If you are out of town for an extended period during the winter months, you must make arrangements for your sidewalks to be shoveled in your absence.
