Western Sussex Unified Sanitary Sewer District
We’re down to the wire! After several years of work, it is now mere weeks before Bridgeville will officially be out of the wastewater operations business. What does that mean for you? You will only receive one more sewer bill (after this one) from the Town of Bridgeville. In August, you will receive your first new quarterly bill from Sussex County. In addition, you will receive an annual assessment fee with your County property tax bill. The attached flyer explains and breakdowns the new rate structure – along with contact information should you have any questions or wish to set up a payment account. The flyer and a presentation from the county are also available to view on our website. While the structure is a little different than you may be used to, here is what your bill comparison may look like:

Father's Day Word Search Puzzle

If your monthly sewer bill was $24.00 – It will now come out to $24.66 per month (billed every three months for a total of $74.00).

If your monthly sewer bill was over $24.00 per month—it will still come out to $24.66 per month (billed every three months for a total of $74.00).

The additional assessment that comes with your tax bill will be $285.00 for a typical residential home.

Please read over the attached flyer for further details!

Community Events
With COVID-related restrictions easing, we are once again tackling community event planning – including Apple Scramble, the Charity Golf Tournament, Halloween, and Christmas in Bridgeville. Stay tuned for updates as we move forward in the planning process! Also - If you are aware of or hosting any smaller events that we can help promote, please contact Town Hall!

Board of Adjustment Openings
We still have one opening available—this an excellent opportunity to get involved with the Town. Meetings are scheduled on an as-needed basis when applications are received. Letters of interest may be dropped off at Town Hall or submitted to townofbridgeville@gmail.com.
