4. **Reservation of Rights.** Wilson reserves the right to cross the
   Easement Area, at any location, for agricultural purposes and make any use of the
   easement herein granted which is not deemed to be inconsistent with the rights herein
   conveyed, or with the use of the easement by the LLC for the purposes named herein,
   provided it does not block, obstruct or otherwise prevent drainage as contemplated by
   this Agreement. Additionally, Wilson reserves the right to farm such portion of the
   Easement Area as are not used or occupied by the LLC, their successors and assigns, for
   drainage purposes.

6. **Amendment, Modification or Waiver.** No amendment, modification or waiver of any condition, provision or term of this Agreement shall be valid or of any effect unless said amendment is made in writing, signed by the parties to be bound or their duly authorized representative(s) and specifying with particularity the extent and nature of such amendment, modification or waiver. Any waiver by any party of any default of another party hereunder shall not affect or impair any right arising from any subsequent default. Nothing herein shall limit the remedies and rights of the parties hereto under and pursuant to this Agreement.

7. **Headings.** The headings of sections of this Agreement are for convenience of reference only and do not form a part hereof and in no way interpret or construe such paragraphs.

8. **Integration.** This Agreement is the entire agreement between the parties with respect to its subject matter and supersedes all prior agreements and understandings between the parties hereto with respect to such subject matter.

9. **Severability.** If any provision of this Agreement is held to be unenforceable or void, such provision shall be deemed to be severable and shall in no way affect the validity of the remaining terms of this Agreement.
