Bethany,

Please add me to the January Planning Commission agenda to review a minor subdivision plat (copy attached) for the Passwaters Farm LLC property. This subdivision is an administrative division of the Passwaters Farm LLC property which will support a future, internal transaction by the developer. This subdivision does not change ownership, or support, or involve any development activity. Once these parcels have been created, the actual lot subdivision plats for the proposed Landbay W development will refer to the further subdivision of these parcels. Let me know if you need any additional information for the Planning Commission meeting.

Bob

Minor Development Plan Review**

Dear Ms. DeBussy:

At the Town's request, Wallace Montgomery (WM) has reviewed the Minor Development Plan for the above-referenced project, prepared by Rauch Inc., dated Sept. 2021. We offer the following comments:

**General Comments**

The Applicant is proposing to subdivide the subject parcel to create two additional parcels for a future internal transaction by the Developer only. As indicated in the transmittal email (Rauch Inc. dated January 3, 2022), the Application/plans do not involve any development activity. The site is located within the Town limits and is currently zoned RPC-Residential Planned Community.

We have reviewed this submission against the requirements identified in the Minor Development Plan Review Checklist. All identified information has been included in this submission and the application is in compliance with the Minor Development Plan Review Checklist (attached). The majority of items identified on the Review Checklist are not applicable to this submission as no development activity is proposed and the application serves only to provide for a future internal transaction. **THE FINAL SIGNATURE/RECORDATION PLAN SET WILL NEED SIGNATURES AS IDENTIFIED IN REVIEW CHECKLIST COMMENTS.**

Based on the above and *Town Code* requirements, if the Planning and Zoning Commission is in agreement, we recommend approval of the Minor Development Plan with the understanding that future application(s)/plan(s) approval is needed prior to any physical site development.

If you have any questions, comments, concerns, or would like to discuss our review further, please do not hesitate to contact me at 302.232.6965 or [lgood@wallacemontgomery.com](mailto:lgood@wallacemontgomery.com).
