hello
SPRING

Warmer Weather Maintenance Reminders:

Grass: No landowner shall permit the unregulated growth of vegetation, including but not limited to weeds, grass, hedges, bushes, or shrubs, to be maintained on any property within the corporate limits of the Town of Bridgeville. No weeds, grass, or other ground cover vegetation shall exceed a height of eight inches at any time of the calendar year. No hedges, bushes, shrubs, trees, or other vegetation shall be permitted to grow in such a manner as to inhibit the free passage of or present a danger to pedestrians on any street, alleyway, sidewalk, or walkway. No weeds, grass, or other vegetation clippings, etc., shall be placed on any street, alleyway, passageway, sidewalk, or walkway.

Keep grass and weeds from covering meter pit lids for ease of location and also to prevent obstructing the meter reading process. Property owners will be charged to replace or repair damaged meter or meter reading equipment caused by them or their contractor (s). It is unlawful for anyone other than Town Personnel to enter the meter pit. If caught, you will be subject to fines of up to \$250.

PLEASE NOTE – During the pandemic, Code Enforcement related to maintenance was not pursued. Our Code Officers will now be catching up on the backlog of maintenance issues – including, but not limited to yard maintenance (grass and trash/debris), home maintenance, visibility of 911 addresses, abandoned or inoperable vehicles, and fence repairs, sidewalk repairs, and parking in yards.

New Town Logo

In March, the Commission adopted a new town seal and logo – this is a modernized version, simply updating and combining many of the elements we've already known and loved over the years. Look out for it soon – we will begin updating the signs around town, and everywhere you see the Town Seal starting this Spring!

Municipal Park

What started as a dream during the pandemic is starting to become a reality. We now have an engineered, formal concept plan and are moving forward with the Municipal Park Project located next to Town Hall. Formal planning meetings are beginning this month, and there is plenty of work to do – if you're interested in helping out as a volunteer, contact Town Hall!
