

Affordability Calculation

1	Average Residential Bill per year	\$405.60
<i>divided by</i>		
2	Median Household Income	\$47,830.00
<i>equals</i>		
3	Percent of Income going to User Fees	0.848%

From 2020 Census Data

The percentage in Line 3 should not be higher than 1.5 - 2.5% (or \$400 per year), considered the upper limit of affordability
