TOWN OF BRIDGEVILLE

If you lived here, you would be home now.

May 23, 2005

Robert D. Rauch & Associates, Inc.
28466 Waterview Drive
Easton, Maryland 21601

REFERENCE: Storm Drain System Design

Dear Mr. Rauch:

Please be advised The Commissioners of Bridgeville hereby recommends approval for Phase II construction at Heritage Shores. The construction approval is based upon your letter of May 23, 2005, certifying that the storm drains at Heritage Shores have been designed to meet DelDot standards for the ten (10) year storm. This design will be the standard maintained for all future sections of the Heritage Shore project.

Should you have questions or need further information, please give me a call.

Sincerely,

COMMISSIONERS OF BRIDGEVILLE

Bonnie Walls
