Bethany,

On behalf of Passwaters Farm LLC, we are requesting to attend the October 18 Planning and Zoning meeting for approval of a revision to the currently approved Phase 4 RPC Plan, and the currently approved Phase 4F plat. The revision to Phase 4F is due to a reconfiguration of 18 previously approved lots, converting them into 30 new lots. An updated version of the overall site Phasing Plan has also been included with the submittal documents that detail how we will maintain 2,000 lots in the RPC, and 1,790 lots in the Heritage Shores HOA development area. Please let me know if you have any questions. Thank you.
