Re: Villas at Bridgeville

Dear Mr. Rauch:

The Delaware Division of Public Health Office of Engineering has reviewed your request for an extension for Villas at Bridgeville, Approval to Construct 21W121. This approval has been extended for one year. The approval will be void if construction has not started by November 10, 2023. The approval number, 21W121, and List of Conditions dated August 30, 2021 will remain the same. If changes are necessary, revised plans shall be submitted and a supplemental approval issued prior to construction.

It is the owner's responsibility to ensure as-built drawings are maintained throughout all phases of construction. Prior to receiving an Approval to Operate, the Office of Engineering requires one set of as-built drawing, including profile markups.

If you have any questions or concerns, please contact me at (302) 741-8646.

Sincerely,

A handwritten signature in black ink that reads "William J. Milliken, Jr." in a cursive script.

William J. Milliken, Jr.
Engineer III
Office of Engineering

Cc: Brandon Slater, Town of Bridgeville
