 - Links to the draft community vision, goals
 - Slight changes, additional details added to goals
 - Will share results at future stakeholder committee meeting
- II. Public workshop 2
- To present draft plan
 - Date not set yet- likely around May 10-20th
- III. Other announcements/issues
- School related
 - Jenn noticing uptick in complaints/concerns about school buses
 - Kevin Long – Woodbridge Early Childhood Education Center located along US 13 in Greenwood has some safety concerns:
 - trying to manage a.m. and p.m. dropoff/pickup traffic needing to exit campus onto US 13
 - 2nd grade playground directly adjacent to US 13, only separated with a chain link fence
 - Not currently a speed reduction school zone on US 13
 - Relevant citizen concerns that came up at Greenwood local election
 - Delivery trucks
 - Existing issue: large delivery trucks on Governors Ave
 - New bakery coming to S. 1st St, which is smaller than Governors Ave- residents concerned about routing of trucks on this street
 - Impact of bus electrification on bringing transit to Greenwood
 - Upcoming DART public hearings about proposed service changes
 - Georgetown: February 14, 1-3pm
 - Dover: February 16, 4-6pm
 - This hearing will have info about Sussex
 - Transportation YOU program
 - WTS Delaware Chapter/Girl Scout program that familiarizes girls with transportation related topics, experiences, and careers
 - If interested, let Jenn or Andrea know
