HERITAGE SHORES SPECIAL DEVELOPMENT DISTRICT TOWN OF BRIDGEVILLE, DELAWARE

### CALCULATION AND LEVY OF THE SPECIAL TAXES FOR FISCAL YEAR 2023-2024

May 18, 2023

**PREPARED BY:** 

#### HERITAGE SHORES SPECIAL DEVELOPMENT DISTRICT

### CALCULATION AND LEVY OF THE SPECIAL TAXES FOR FISCAL YEAR 2023-2024

#### **INTRODUCTION**

The Series 2020 Bonds were issued pursuant to and under the provisions of Title 22 of the Delaware Code, Chapter 18 and Section 29A of 51 Delaware Laws, Chapter 237, as amended (collectively, the "Act"), certain resolutions and ordinances of the Commissioners of the Town (the "Commissioners"), an executive order of the President of the Commissioners, and a Trust Indenture dated as of June 1, 2005 (the "Original Indenture"), as supplemented by the First Supplemental Trust Indenture dated as of December 22, 2008 (the "First Supplemental Indenture") and the Second Supplemental Trust Indenture dated as of November 1, 2020 (the "Second Supplemental Indenture"), each between the Town of Bridgeville (the "Town") and Wilmington Trust, National Association, the trustee (the "Trustee"). Pursuant to the Original Indenture, the Town previously issued its Series 2005A Bonds and Series 2005B Bonds to finance certain public improvements within or for the benefit of the Heritage Shores Special Development District (the "District"). The Series 2005B Bonds were issued to refund all of the outstanding Series 2005A Bonds. The Series 2005B Bonds have been repaid in full.

In accordance with the Rate and Method of Apportionment of Special Taxes for the District (the "Rate and Method"), the Series 2020 Bonds are to be repaid from special taxes levied on the taxable property in the District. Pursuant to the Levy Ordinance adopted by the Commissioners of the Town on May 9, 2005, a special tax is to be collected on the taxable property in the District each fiscal year until the Series 2020 Bonds and any additional bonds have been paid in full.

This report explains the methodology used to calculate the levy of special taxes in the District for Fiscal Year 2023-2024. Special taxes in the amount of \$1,632,059 will be collected from parcels of taxable property within the District for Fiscal Year 2023-2024 to fund the Special Tax Requirement (defined herein). An explanation of the projected expenses of the District and the source of funds available to pay the expenses is as follows.

#### **REFUNDING OPPORTUNITY**

Pursuant to the Indenture, the Series 2020 Bonds are callable anytime on or after July 1, 2029. Under federal tax law, tax exempt bonds may be refunded no sooner than 90 days prior to the call date. MuniCap, Inc. (the "Administrator") will begin evaluating the opportunity to refund the Series 2020 Bonds two years prior to the call date. This will provide time to plan ahead if there is an opportunity to refund the Series 2020 Bonds.

#### **TRUSTEE ACCOUNTS**

The Trustee for the Series 2020 Bonds is Wilmington Trust, National Association. The fund balances as of April 30, 2022, investment income, additional proceeds, disbursements and fund balances as of April 30, 2023 are shown in Table A below.

#### Table A **Fund Balances** Additional **Disburse-Balance** Balance Investment Fund 04/30/22 Income **Proceeds** ments 04/30/23 **Reserve Fund** \$1,187,961 \$1,190,133 \$28,027 \$0 \$30,199 \$2,831 Administrative Expense Fund \$18,499 \$472 \$52,000 \$68,140 \$839,281 \$1,348,184 \$1,040,016 \$1,165,099 **Revenue** Fund \$17,650 Prepayment Fund \$125,481 \$1,828 \$326,112 \$414,029 \$39.393 Interest Fund \$128 \$1,175,016 \$988,120 \$187,023 **\$**0 Sinking Fund \$816,944 \$817,000 \$53 \$99 \$96 Rebate Fund \$0 \$0 \$0 \$0 \$0 Total \$2,173,447 \$48,204 \$3,718,256 \$3,357,503 \$2,582,403

#### Reserve Fund:

• Disbursements from the Reserve Fund represent transfers of reserve fund credits associated with prepayments of the special tax to the Sinking Fund to redeem a portion of the Series 2020 Bonds.

#### Administrative Expense Fund:

- Additional proceeds to the Administrative Expense Fund represent transfers of special tax revenues from the Revenue Fund.
- Disbursements from the Administrative Expense Fund represent the payment of administrative expenses.

#### Revenue Fund:

- Additional proceeds to the Revenue Fund represent deposits of special tax revenues by the Town, a corrective transfer of the Fiscal Year 2022-2023 Passwaters Payment from the Prepayment Fund, and a corrective transfer of special tax revenues from the Prepayment Fund.
- Disbursements from the Revenue Fund represent transfers of special tax revenues to the Interest Fund and the Administrative Expense Fund.

#### Prepayment Fund:

- Additional proceeds to the Prepayment Fund represent deposits of prepayment proceeds received from parcels within the District and the erroneous deposit of special tax revenues.
- Disbursements from the Prepayment Fund represent transfers to the Sinking Fund, a corrective transfer of the Fiscal Year 2022-2023 Passwaters Payment to the Revenue Fund, and a corrective transfer of special tax revenues to the Revenue Fund.

#### Interest Fund:

- Additional proceeds to the Interest Fund represent transfers of special taxes from the Revenue Fund, and the erroneous deposit of the Fiscal Year 2023-2024 Passwaters Payment.
- Disbursements from the Interest Fund represent payments of interest due on the Series 2020 Bonds, the payment of accrued interest associated with the extraordinary mandatory redemption of Series 2020 Bonds with prepayments proceeds, and a corrective transfer to the Sinking Fund.

#### Sinking Fund:

- Additional proceeds to the Sinking Fund represent transfers of prepayment proceeds from the Prepayment Fund, transfers of reserve fund credits from the Reserve Fund, and a corrective transfer from the Interest Fund.
- Disbursements from the Sinking Fund represent the payment of principal due on the Series 2020 Bonds and redemptions of a portion of the Series 2020 Bonds with prepayment proceeds.

Funds on deposit in the trust estate are currently invested in a Federated Government Obligations money market fund. This money market fund was earning a rate of return of approximately 4.46% per annum as of April 30, 2023. Table B below shows the approximate rate of return on the investments as of April 30, 2023.

#### Table B Rates of Return

Fund	<b>Rates of Return</b>
Reserve Fund	4.46%
Administrative Expense Fund	4.46%
Revenue Fund	4.46%
Prepayment Fund	4.46%
Interest Fund	4.46%
Sinking Fund	4.46%

According to the Indenture, investment income earned on the Interest Fund and Sinking Fund shall be applied to the payment of interest and principal on the Series 2020 Bonds, respectively. Investment income earned on the Reserve Fund shall be transferred to the Revenue Fund. Investment income in the Administrative Expense Fund will remain in the fund and be used for the purpose of paying administrative expenses, respectively. Investment income earned on the Revenue Fund shall be deposited to the Bond Redemption Fund for the payment of principal and premium, if any, on the Series 2020 Bonds. Investment income on the Prepayment Fund will be applied to redeem the Series 2020 Bonds.

#### **SPECIAL TAX REQUIREMENT**

Pursuant to the Rate and Method, a special tax is to be collected on the taxable property in the District each fiscal year in an amount equal to the Special Tax Requirement until the Series 2020

Bonds and any additional bonds have been paid in full. According to the Rate and Method, the Special Tax Requirement shall be an amount equal to:

(A) the amount required in any fiscal year to pay (1) debt service and other periodic costs (including deposits to any sinking funds) on the bonds to be paid from the special taxes collected in such fiscal year; (2) administrative expenses to be incurred in the fiscal year or incurred in any previous fiscal year and not paid by the Commissioners; (3) any amount required to replenish any reserve fund established in association with any bonds; (4) a contingency, which may include an amount equal to the estimated delinquencies expected in payment of the special tax not otherwise taken into account or amounts required to establish or maintain any reserves; and (5) the costs of remarketing, credit enhancement, bond insurance, and liquidity facility fees (including such fees for instruments that serve as the basis of a reserve fund related to any indebtedness in lieu of cash); less (B) (1) any credits available pursuant to the Indenture, such as capitalized interest, reserves, and investment earnings on any account balances; and (2) any other revenues available to apply to the Special Tax Requirement. The amounts in (3) and (4) above, shall not exceed an amount in aggregate that would result in an increase in the amount of the Special Tax Requirement by an amount more than ten percent of the amounts included in (1) and (5) above.

Special taxes to be collected in 2023 will be billed in July 2023 and will be due on September 30, 2023. The special taxes due on September 30, 2023 will be made available to pay debt service on the Series 2020 Bonds on January 1, 2024 and July 1, 2024. Table C below provides a summary of the Special Tax Requirement for Fiscal Year 2023-2024.

Expenses:	
Debt service:	
Interest payment due on January 1, 2024	\$210,760
Interest payment due on July 1, 2024	\$210,760
Principal payment due on July 1, 2024	\$591,000
Sub-total debt service	\$1,012,520
Administrative expenses for Fiscal Year 2023-2024	\$69,400
Contingency	\$1,141,757
Total expenses	\$2,223,677
Available Funds:	
Fiscal Year 2023-2024 Passwaters Payment <sup>1</sup>	(\$188,500)
Estimated Reserve Fund investment income through July 1, 2024	\$0
Surplus from prior year	(\$403,119)
Total available funds	(\$591,619)
Special Tax Requirement	\$1,632,059

### Table C <u>Special Tax Requirement</u>

<sup>1</sup>As further explained herein, Passwaters has agreed to pay a portion of the special tax billed to certain homeowners. The amount of the Passwaters Payment for Fiscal Year 2023-2024 is equal to \$188,500. This amount was remitted to the Trustee by Passwaters on March 31, 2023 and will be applied to reduce the special tax billed to parcels subject to the Passwaters Payment.

#### Debt Service

Series 2020 Bonds in the amount of 12,295,000 were issued on November 23, 2020. Series 2020 Bonds in the aggregate amount of 1,757,000 will have been redeemed with regularly scheduled sinking fund payments and mandatory extraordinary redemptions with prepayment proceeds through July 1, 2023. Accordingly, the outstanding principal balance of the Series 2020 Bonds for Fiscal Year 2023-2024 is equal to 10,538,000 (12,295,000 - 1,757,000 = 10,538,000).

Fiscal Year 2023-2024 debt service on the Series 2020 Bonds includes interest payments in the amount of \$210,760 due on January 1, 2024 and July 1, 2024. These payments are equal to interest for six months on the outstanding Series 2020 Bonds of \$10,538,000.

There is a principal payment due on the Series 2020 Bonds on July 1, 2024 in the amount of \$591,000. As a result, total debt service on the Series 2020 Bonds to be paid for Fiscal Year 2023-2024 is equal to \$1,012,520 (\$210,760 + \$210,760 + \$591,000 = \$1,012,520).

#### Administrative Expenses

Administrative expenses include the annual fees of the Trustee, the annual charges of the Administrator, legal expenses associated with the District, and the estimated expenses of the Town related to the billing and collection of the special taxes. The annual charges of the Trustee are estimated to be \$5,400. The expenses of the Town, including legal expenses associated with the District, are estimated to be \$2,000. The expenses for the Administrator are estimated to be \$62,000. This results in total estimated administrative expenses of \$69,400 (\$5,400 + \$2,000 + \$62,000 = \$69,400) for Fiscal Year 2023-2024.

There are no remarketing, credit enhancements, bond insurance or liquidity facility fees associated with the Series 2020 Bonds at this time.

#### Contingency

A contingency, equal to approximately 105.53% of annual expenses, has been added to the calculation of the Special Tax Requirement. As further outlined herein, this amount represents the difference between the expenses to be paid from the special taxes and the sum of the assigned special taxes to be collected from developed property for the 2023-2024 Taxable Year. This amount may be applied to offset special tax delinquencies, unanticipated expenses, and future year expenses.

#### Passwaters Payment

Pursuant to Section Two of the agreement between Passwaters Farms, LLC ("Passwaters") and the Town of Bridgeville dated June 25, 2018 (the "Agreement"), Passwaters shall provide for the partial payment of the annual special tax on behalf of certain homeowners within the District in the amount as outlined in each of the signed contracts between the homeowner and Brookfield Heritage Shores, LLC or NVR (the "Passwaters Payment"). In accordance with the Agreement,

in March of each year, the Administrator will send an invoice to Passwaters for each applicable Passwaters homeowner and Passwaters shall make the Passwaters Payment for each applicable Passwaters homeowner on April 1<sup>st</sup> of each year. Along with such payment, Passwaters shall provide to the Town a list of the Passwaters homeowners for which such payment applies. The Town shall send its annual real property tax bill to each of the Passwaters homeowners on the list after the Trustee receives the Passwaters Payment if paid by April 1 of each year so that the tax bill reflects the amount of the special tax still owed for that fiscal year by each applicable Passwaters homeowner.

The amount of the Passwaters Payment for Fiscal Year 2023-2024 is equal to \$188,500, representing the partial payment of the annual special tax for 146 parcels within the District. The parcels subject to the Passwaters Payment are shown in Exhibit A, attached hereto. The application of the Passwaters Payment to be applied to the parcels in Exhibit A is included in Appendix A.

#### Reserve Fund Investment Income

Pursuant to the Indenture, the Reserve Requirement shall be an amount equal to:

(A) with respect to the Series 2020 Bonds, an amount equal to the least of (i) 10% of the principal amount of the Series 2020 Bonds upon the initial issuance thereof, (ii) 125% of the average Annual Debt Service on the Series 2020 Bonds and (iii) the Maximum Annual Debt Service on the Series 2020 Bonds;

This resulted in an initial Reserve Requirement for the Series 2020 Bonds of \$1,229,500. Pursuant to Section 5.05 of the Second Supplemental Indenture, upon a decrease in the Series 2020 Reserve Requirement as a result of the Series 2020 Bonds being called for redemption or otherwise, the excess amount in the Reserve Fund resulting from such decrease shall be transferred from the Reserve Fund to the Redemption Account and will be used for the redemption of a portion of the outstanding Series 2020 Bonds. Accordingly, the Reserve Requirement for the Series 2020 Bonds has been reduced for the reserve fund credits associated with the special tax prepayments. As a result, the Reserve Requirement for the Series 2020 Bonds is currently equal to \$1,159,552.

As of April 30, 2023, the balance in the Reserve Fund was equal to \$1,187,961. This amount includes the current Reserve Requirement of \$1,159,552 and investment income in excess of the Reserve Requirement of \$28,409. The balance of the Reserve Fund is invested in a Federated Government Obligations money market fund, which was earning a rate of return of approximately 4.46% per annum as of April 30, 2023. At this rate of return, it is estimated that annual investment income in the amount of \$51,716 will be earned on the Reserve Requirement during Fiscal Year 2023-2024. However, to be conservative, no investment income has been included in the calculation of the Special Tax Requirement for Fiscal Year 2023-2024. To the extent investment income is earned on the Reserve Fund, it will be applied in accordance with the Indenture.

#### Surplus from Prior Year

The estimated surplus from the prior year that may be applied to pay debt service and administrative expenses for Fiscal Year 2023-2024 is shown in Table D below. As shown in Table D, there is a surplus of \$403,119 following the payment of the remaining debt service and administrative expenses for Fiscal Year 2022-2023.

Remaining debt service includes the principal and interest due on the Series 2020 Bonds on July 1, 2023. The interest payment due on the Series 2020 Bonds is equal to \$221,720. There is a principal payment due on the Series 2020 Bonds on July 1, 2023 in the amount of \$548,000. As a result, remaining debt service due on the Series 2020 Bonds for Fiscal Year 2022-2023 is equal to \$769,720. In addition, it is estimated that administrative expenses in the amount of \$22,000 remain to be paid for Fiscal Year 2022-2023.

Expenses:	
Debt service:	
Interest payment due on July 1, 2023	\$221,720
Principal payment due on July 1, 2023	\$548,000
Sub-total debt service	\$769,720
Estimated remaining Fiscal Year 2022-2023 administrative expenses	\$22,000
Total remaining expenses	\$791,720
Available Funds:	
Available balance of the Revenue Fund as of April 30, 2023 <sup>1</sup>	(\$1,163,599)
Available balance of the Reserve Fund as of April 30, 2023	(\$28,409)
Available balance of the Administrative Expense Fund as of April 30, 2023	(\$2,831)
Total available funds	(\$1,194,839)
Surplus from prior year	(\$403,119)

#### Table D <u>Surplus from Prior Year</u>

1 The Passwaters Payment for Fiscal Year 2022-2023 was reduced by \$1,500 to account for the prepayment of the special tax for one parcel following the calculation of the Passwaters Payment amount. As of April 30, 2023, the balance of the Revenue Fund was equal to \$1,165,099. To account for the \$1,500 credit the available balance of the Revenue Fund is \$1,163,599.

As of April 30, 2023, the balance in the Revenue Fund was equal to \$1,165,099. A credit in the amount of \$1,500 is applied towards the Passwaters Payment for Fiscal Year 2023-2024. As a result of the \$1,500 credit, the available balance of the Revenue Fund is \$1,163,599.

As of April 30, 2023, the balance of the Administrative Expense Fund was equal to \$2,831. This amount will be used to pay a portion of the remaining administrative expense for Fiscal Year 2022-2023.

As mentioned previously, as of April 30, 2023, the balance in the Reserve Fund was equal to \$1,187,961, which included the Reserve Requirement and investment income in the amount of \$28,409. It is anticipated that the investment income held in the Reserve Fund will be transferred

to pay a portion of the debt service due on the Series 2020 Bonds on July 1, 2023. Based on the Federated Government Obligations money market rate of approximately 4.46% mentioned above, an additional \$12,929 in investment income is estimated to be earned on the Reserve Fund through June 30, 2023. However, to be conservative, no investment income has been included in the calculation of the surplus from Fiscal Year 2022-2023. To the extent investment income is earned on the Reserve Fund through June 30, 2023, it will be applied in accordance with the Indenture.

After accounting for the remaining expenses for Fiscal Year 2022-2023, there is an estimated \$403,119 in excess funds available. As a result, there is a prior year surplus of \$403,119 which will be made available to pay debt service and administrative expenses for Fiscal Year 2023-2024.

#### Summary of the Special Tax Requirement

Total District expenses to be paid from the special taxes collected in 2023 are estimated to be \$2,223,677. Funds available to pay a portion of these expenses are estimated to be \$591,619, resulting in a Special Tax Requirement of \$1,632,059 (\$2,223,677 - \$591,619 = \$1,632,059) for Fiscal Year 2023-2024.

#### METHOD OF LEVYING THE SPECIAL TAXES

Pursuant to the Rate and Method, commencing with Fiscal Year 2005-2006 and for each following year until the Series 2020 Bonds and any additional bonds have been paid in full, the special tax shall be levied as provided below:

First, prior to the completion of construction, the special tax shall be levied on each parcel of developed property at the assigned special tax for such property. Subsequent to the completion of construction, the special tax shall be levied proportionately on each parcel of developed property up to the assigned special tax for such property to the extent necessary to fund the Special Tax Requirement.

Second, if additional monies are needed to fund the Special Tax Requirement after the first step has been completed, the special tax shall be levied proportionately on each parcel of undeveloped property up to 100 percent of the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement.

Third, if additional monies are needed to fund the Special Tax Requirement after the second step has been completed, the special tax shall be levied proportionately on each parcel of developed property up to 100 percent of the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement.

#### Assignment to Land Use Categories

Each fiscal year, each parcel shall be classified as public property, owner association property or taxable property. Each parcel of taxable property shall be classified as developed property or undeveloped property. Each parcel of developed property shall be classified as single-family detached or single-family attached. Each parcel of undeveloped property shall be classified as platted property or unplatted property. The classification of parcels shall be made on the status of

each parcel as of the date of classification. The date of classification is a date selected by the Commissioners each fiscal year for the purpose of classifying property for the levy of special taxes. The date of classification for Fiscal Year 2023-2024 is May 2, 2023.

As of the date of classification, there were 1,008 developed units of taxable property within the District. Of this amount, 764 are classified as single-family detached units and 244 are classified as single-family attached units. As a result, the remaining taxable property within the District will be classified as undeveloped property for Fiscal Year 2023-2024.

#### Assigned Special Tax Rates

As noted above, parcels of developed property shall be taxed at the assigned special tax for such parcel until the completion of construction. Completion of construction is defined as the first to occur of the following: (i) issuance of all of the Bonds contemplated for the District, not including refunding bond issues, or (ii) completion of all of the Public Improvements as evidenced by a certificate of completion (as provided for in the Indenture of Trust).

According to the Rate and Method, the assigned special tax for each parcel of developed property shall be equal to the product of the number of residential dwelling units on or that may be built on such parcel and the assigned special tax per unit for each class of property. On each July 1, commencing July 1, 2006, the assigned special tax in effect in the previous year shall be increased to 102% of the respective assigned special tax in effect in the previous year. The assigned special tax for single-family detached and single-family attached units in Fiscal Year 2022-2023 was \$3,397 and \$2,319, respectively. The assigned special tax for Fiscal Year 2023-2024 is equal to 102% of the assigned special tax in effect in the prior year, or \$3,465 and \$2,365, respectively.

According to the Rate and Method, the special tax for any parcel of developed or platted property may be partially prepaid on all of the parcels within a plat or subdivision (but not less than all) and that portion of the special tax obligation permanently satisfied. The partial prepayment shall be calculated as follows:

#### $A = B \times C$

Where the terms have the following meaning:

- A = the principal portion of the partial prepayment;
- B = the principal portion of the prepayment calculated according to Section I of the Rate and Method; and
- C = the percent by which the owner of the parcels is to partially prepay the special tax.

Following the partial prepayment of the special tax with respect to any parcel, the outstanding percentage of the special tax (1.00 - C) shall continue to be levied on such parcel. The percent by which the owner of the parcels was to partially prepay the special tax was 58.78%. Accordingly, the outstanding percentage of the special tax was equal to 41.22% (1.00 - 58.78% = 41.22%). As shown in Table E on the following page, this results in an assigned special tax of \$1,428 ( $41.22\% \times $3,465 = $1,428$ ) and \$975 ( $41.22\% \times $2,365 = $975$ ) to be billed to the partially prepaid single-family detached and single-family attached parcels prepaid at 58.78%, respectively, for

Fiscal Year 2023-2024. As of the date of this report, the developer partially prepaid the special tax at a rate of 58.78% on 184 single-family detached units and 88 single-family attached units. The special tax has also been prepaid in full on 44 of the single-family detached units and 13 of the single-family attached units. Accordingly, there will be 140 (184 - 44 = 140) single-family detached units with an assigned special tax of \$1,428 and 75 (88 - 13 = 75) single-family attached units with an assigned special tax of \$975 for Fiscal Year 2023-2024.

Table E
Original Prepayment Rate – 58.78 Percent

Property Class	Assigned Special Tax Per Unit	Outstanding Percentage	Assigned Special Tax Per Partially Prepaid Unit
Single-family detached	\$3,465	41.22%	\$1,428
Single-family attached	\$2,365	41.22%	\$975

As of the date of this report, the developer partially prepaid the special tax on 11 single-family detached units and one single-family attached unit at a rate of 30.63%. Accordingly, the outstanding percentage of the special tax on these parcels is equal to 69.37% (1.00 - 30.63% = 69.37%). This results in an assigned special tax of \$2,404 ( $69.37\% \times $3,465 = $2,404$ ) and \$1,641 ( $69.37\% \times $2,365 = $1,641$ ) to be billed to the partially prepaid single-family detached and single-family attached parcels prepaid at 30.63%, respectively, for Fiscal Year 2023-2024. The special tax has also been prepaid in full on five of the single-family detached units and the one single-family attached unit. Accordingly, there will be six (11 - 5 = 6) single-family detached units with an assigned special tax of \$2,404. Table F below shows the assigned special tax for Fiscal Year 2023-2024 for the six single-family detached units that are subject to the special tax at the partial prepayment rate of 30.63%.

Table FReduced Prepayment Rate – 30.63 Percent

Property Class	Alternate Assigned Special Tax Per Unit	Alternate Outstanding Percentage	Alternate Assigned Special Tax Per Partially Prepaid Unit
Single-family detached	\$3,465	69.37%	\$2,404

Starting in Fiscal Year 2010-2011, the partial prepayment rate was increased to 58.60% of the outstanding special tax. Accordingly, the outstanding percentage of the special tax on the partially prepaid parcels is equal to 41.40% (1.00 - 58.60% = 41.40%). This results in an assigned special tax of 1,434 ( $41.40\% \times 33,465 = 1,434$ ) and 979 ( $41.40\% \times 2,365 = 979$ ) to be billed to the partially prepaid single-family detached and single-family attached parcels prepaid at 58.60%, respectively, for Fiscal Year 2023-2024. As of the date of this report, the developer has partially prepaid the special tax on 162 single-family detached units and one single-family attached unit at 58.60%. The special tax has also been prepaid in full on 50 of the single-family detached and the one single-family attached parcels. Accordingly, there will be 112

(162 - 50 = 112) single-family detached units with an assigned special tax of \$1,434 for Fiscal Year 2023-2024. Table G below shows the assigned special tax for Fiscal Year 2023-2024 for the 112 single-family detached units that are subject to the special tax at the partial prepayment rate of 58.60%.

# Table GRevised Prepayment Rate – 58.60 Percent

Property Class	Alternate Assigned Special Tax Per Unit	Alternate Outstanding Percentage	Alternate Assigned Special Tax Per Partially Prepaid Unit
Single-family detached	\$3,465	41.40%	\$1,434

Pursuant to the closing contracts between the developer, builder and homeowner, four singlefamily detached parcels were subject to the reduced rate of \$2,540 for Fiscal Year 2015-2016. This rate represents the reduced assigned special tax rate proposed and later adopted, as further described herein. As a result, the developer partially prepaid the special tax on four single-family detached parcels down to the reduced assigned special tax of \$2,540 for Fiscal Year 2015-2016 using a partial prepayment rate of approximately 14.10%. Accordingly, the outstanding percentage of the special tax on these parcels is equal to approximately 85.90% (1.00 – 14.10% = 85.90%). This results in an assigned special tax of \$2,976 ( $85.90\% \times $3,465 = $2,976$ ) to be levied on the single-family detached parcels that were partially prepaid at approximately 14.10% for Fiscal Year 2023-2024. The special tax has also been prepaid in full on two of the singlefamily detached units. Accordingly, there will be two (4 - 2 = 2) single-family detached units with an assigned special tax of \$2,976 for Fiscal Year 2023-2024. Table H below shows the assigned special tax for Fiscal Year 2023-2024 for the two single-family detached units that are subject to the special tax at the partial prepayment rate of 14.10%.

# Table HRevised Prepayment Rate – 14.10 Percent

	Alternate Assigned	Alternate Outstanding	Alternate Assigned Special Tax Per
Property Class	Special Tax Per Unit	Percentage	<b>Partially Prepaid Unit</b>
Single-family detached	\$3,465	85.90%	\$2,976

On March 10, 2015, the Commissioners of Bridgeville approved the reduction in maximum and assigned special taxes resulting from a revised development mix. A portion of the special taxes for a number of units have been prepaid by the developer. The special taxes were prepaid in an amount necessary such that the annual special tax did not exceed a level stipulated in the contracts between the seller and the buyer. Had the special taxes been lower at that time, the developer's prepayment would have been less. The proposed reduction in the maximum special taxes and the assigned special taxes will not affect the special taxes prepaid, as the reduction would affect the amount of such prepayments. All developed parcels are subject to the reduced rates, which were approved in March 2015. As of the date of classification, there are 400 single-

family detached units and 154 single-family attached units not partially prepaid. The special tax has also been prepaid in full on 46 of these single-family detached units. One single-family detached unit is subject to bankruptcy proceedings which resulted in the parcel paying a monthly amount towards the prepayment of the special tax rather than the annual assigned special tax. As a result, the parcel is not being billed a special tax for Fiscal Year 2023-2024. Accordingly, there will be 353 (400 - 46 - 1 = 353) single-family detached units with a reduced assigned special tax of \$2,976 for Fiscal Year 2023-2024. Table I below shows the reduced assigned special tax for Fiscal Year 2023-2024 for the single-family detached units and single-family attached units that are not partially prepaid.

<b>Reduced Assigned Special Tax</b>				
<b>Property Class</b>	Reduced Assigned Special Tax Per Unit			
1 0				
Single-family detached	\$2,976			
Single-family attached	\$2 032			

Table I

Pursuant to the closing contracts between the developer, builder and homeowner, three singlefamily detached parcels were subject to the assigned special tax rate of \$1,249 for Fiscal Year 2016-2017. As a result, the developer partially prepaid the special tax on three single-family detached parcels down to the assigned special tax of \$1,249 for Fiscal Year 2016-2017 using a partial prepayment rate of approximately 51.81% based on the reduced special tax rates. Accordingly, the outstanding percentage of the special tax on these parcels is equal to approximately 48.19% (1.00 - 51.81% = 48.19%). This results in an assigned special tax of \$1,434 ( $48.19\% \times $2,976 = $1,434$ ) to be levied on the single-family detached parcels that were partially prepaid at approximately 51.81% for Fiscal Year 2023-2024. The special tax has also been prepaid in full on one of the single-family detached units. Accordingly, there will be two (3 - 1 = 2) single-family detached units with an assigned special tax of \$1,434 for Fiscal Year 2023-2024. Table J below shows the assigned special tax for Fiscal Year 2023-2024 for the two single-family detached units that are subject to the special tax at the partial prepayment rate of

Table JRevised Prepayment Rate – 51.81 Percent

	Alternate Assigned	Alternate Outstanding	Alternate Assigned Special Tax Per
Property Class	Special Tax Per Unit	Percentage	Partially Prepaid Unit
Single-family detached	\$2,976	48.19%	\$1,434

#### Levy of Special Taxes

51.81%.

As noted above, parcels of developed property shall be taxed at the assigned special tax for such parcel until the completion of construction. The completion of construction has not occurred. As a result, parcels of developed property are being taxed at the assigned special tax rates for Fiscal

Year 2023-2024. Table K below shows the aggregate developed property assigned special taxes for Fiscal Year 2023-2024.

	Total Units	Less: Prepaid Units	Taxable Units	Assigned Special Tax Rate	Total Special Taxes
Single-Family Detached:					
Partial prepayment rate - 58.78%	184	44	140	\$1,428	\$199,954

## Table K Aggregate Developed Property Assigned Special Taxes

<sup>1</sup>Includes the one unit subject to bankruptcy proceedings.

As shown in Table K above, the aggregate assigned special tax on developed property is equal to \$1,\$20,559. However, as mentioned previously, certain parcels are subject to the Passwaters Payment pursuant to the Agreement and the closing contracts signed by the homebuyers. As a result, the assigned special tax for each of these parcels is reduced by the amount of the Passwaters Payment for that respective parcel. The aggregate amount of the Passwaters Payment for Fiscal Year 2023-2024 is equal to \$188,500. Accordingly, as shown in Appendix A, the assigned special tax to be paid by homeowners is equal to \$1,632,059 (\$1,820,559 - \$188,500 = \$1,632,059).

The Special Tax Requirement on platted and unplatted undeveloped property is set to equal the balance of the Special Tax Requirement not paid by developed property. As stated above, the Special Tax Requirement is equal to \$1,632,059. The assigned special taxes to be collected from developed property are equal to \$1,632,059. Accordingly, there will be no special taxes billed to parcels of undeveloped property.

The special tax for each parcel of taxable property, as shown on the special tax roll, is based on the assigned special tax per unit or per net acre of land area as calculated above for developed (Appendix A), platted undeveloped (Appendix B), and unplatted undeveloped property (Appendix C), respectively.

#### SPECIAL TAX ROLL

The special tax roll, which lists the parcels in the District by tax parcel number, street address, property owner, property class, unit type and special tax for each parcel in Fiscal Year 2023-2024 are shown in the attached appendices.
