

# TOWN OF BRIDGEVILLE

*If you lived here, you would be home now*

January 2024

Dear Resident:

The Commissioners of the Town of Bridgeville would like to know what you think about our community - and the services we currently have and those we need. We are in the process of updating the Town's Comprehensive Plan. This plan helps the Town to guide future growth and development and is key to creating a thriving and sustainable community.

To ensure we are addressing residents' concerns in this plan – *we need you*. With the help of funding through Healthy Communities Delaware, this survey has been sent to everyone within the Bridgeville zip code (19933). We have been covering various events for the last two years with these same surveys, seeking input from residents and visitors alike. This is your last chance to have your ideas and comments included in this plan update!

Please fill out the enclosed Survey. It should only take a few moments of your time. Your answers will help the Town Commission make important decisions that affect our community. You should find the questions interesting, and we will definitely find your answers useful. Your responses will remain completely anonymous. You will notice a section for your street name – this is essential to guarantee we have all regions of the community represented.

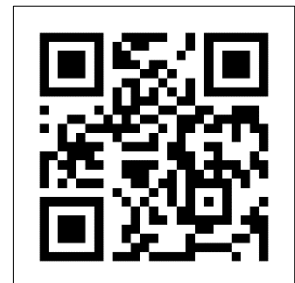

## **Please participate!**

- If you have already completed a survey, you do not need to do so again, unless you have additional comments to make!
- Please answer ALL questions on the survey.
- It does not matter if you live within Town limits or not. Providing your street name will allow us to know which systems or services you are referring to in your answers.
- Methods of completion:
  - Mail back to 101 N. Main Street, Bridgeville, DE 19933.
  - Drop off to Town Hall at the above address, M-F 9 AM to 4 PM, or place in the Dropbox by the back door of Town Hall, facing the parking lot.
