Town of Bridgeville Commissioners
101 N. Main Street
Bridgeville Delaware 19933

Town Commissioners,

The Apple Scrapple Festival Committee has made a commitment to move our festival forward, and to be the largest fundraising opportunity in our community for many years to come. We feel the popularity of our event is solid and that our festival attendance will continue to exceed expectations. With that outlook, we are moving forward with many fundraisers and revenue-producing events. This year we have coordinated two paint night events and a Clay Shoot, with gun raffle. Our goal is to be financially secure to strengthen our ability to maintain the festival and be a benefit to our community members, school district, and local businesses. With all of this in mind, we are asking the Town Commissioners to consider the Bridgeville Apple Scrapple Festival as a recipient of funding from the Annual Charity Golf Tournament. We would appreciate the consideration and look forward to continuing the tradition of the Apple Scrapple Festival in Bridgeville for many years to come.

Respectfully,

Karen Johnson-Kemp
Executive Chair-Apple Scrapple Festival
