Bridgeville, Delaware 19933

Dear Ms. DeBussy,

The Heritage Shores Military Club would like to register to receive grant-in-aid donations from the Commissioners in the new fiscal year.

The Heritage Shores Military Club was formed on October 27, 2010. The Club is located at the Heritage Shores Adult Community in Bridgeville and includes men and women from the local community who served in the Armed Forces. Our focus and commitment is Veterans Helping Veterans. Money the club raises from Corporate and Individual donations, various Club activities and events fund the Club's efforts to support our Nation's Veterans in Sussex County Delaware and the surrounding area. That support is in the form of volunteer efforts and donations to individual Veterans and Veteran's Organizations.

Additionally we take a leadership role for the town of Bridgeville in organizing and supporting the observance of national holidays to honor past and serving members of the U. S. Armed Forces.

We sincerely thank the Commissioners for their support and past donations.

Respectfully,
