Please accept this letter as a request from the Bridgeville Kiwanis Foundation for consideration for current and future Grant In Aid Donations from the Town Commissioners of Bridgeville.

The Bridgeville Kiwanis Foundation was established by the Bridgeville Kiwanis Club for the purpose of providing educational assistance in the form of scholarships to students who live in the Woodbridge School District. Over the years, our foundation has been funded through donations, proceeds from the Bridgeville Charity Open golf tournament and a portion of Kiwanis BBQ funds. Any source of funding further enables the Foundation to provide greater assistance to deserving students.

Thank you in advance for your consideration,

Mike Breeding
President, Kiwanis Foundation
