AGREEMENT No. 1246**

Dear Mr. Rauch,

A review of the above referenced plans has been completed by the Sussex County Engineering Department. Please have a completed review, **with confirmation** from DNREC for this projects wastewater construction permit before submitting plans for Sussex County approval. Provide three (3) sets of plans in a size of 24" x 36", and one (1) CD or file transfer of PDFs for each sheet. One set of plans will be returned to the Engineer/Consultant for their record.

Each sheet must be signed and sealed by the Engineer and the cover sheet of the plan shall have the owner/developer's and wetland consultant signature, this includes PDFs being submitted prior to Sussex County Engineering Department approval.

If plans are not received within one (1) year of the date of this letter, a new review process and review fees will be required.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

SUSSEX COUNTY ENGINEERING DEPARTMENT
