Dear Commissioners and Town Manager:

We are requesting our “Hometown” carnival night during the 32nd annual Apple-Scrapple Festival on Thursday, October 10th. Carnival rides would be “pay one price” bracelets at \$25.00 from 4-9pm. This hometown Carnival time would give the locals a chance to ride without having to wait in long lines, which happens on Saturday during the festival.

Once again, our library staff want to have a presence during the Hometown Carnival Night. Since the road is barricaded during the times of the carnival, we are asking the town to allow the library staff to set up in the street. We have invited the Sussex County Bookmobile to attend, and we would have two pop-ups to have library crafts and information available. Staff would be packed up and cleared from the street by 7:30pm.

I have included a copy of our contract with Shaw and Sons and a copy of the Certificate of Liability. Thank you for your consideration.

Sincerely,

Karen J Johnson-Kemp
