Good afternoon

This letter is in response to the request for a variance from the required 15-foot landscape buffer between residential and nonresidential districts submitted by Robert Parnell, regarding the property located on the Tax Map: 131-10.00-83.00.

To my understanding, The Bridgeville Laundry & Car Wash & Mini Storage LLC is requesting the distance be less than 15 feet. I AM APPOSED to this request being approved. I actually feel that they should be further away from the residents homes. I also would like see a Raised BERM with LANDSCAPING to hide the view of this commercial property along S. Main Steet. I do not feel it fits in with the quaint look and feel of Bridgeville, which we are proud to call home.

Thank you for your time and consideration,
