AGREEMENT NO. 1233**

Dear Rauch:

A review of the plans has been completed by the Sussex County Engineering Department. Please have a review completed by DNREC for this project's wastewater construction permit before submitting plans for County approval. Provide three (3) sets of plans in a size of 24" x 36" and one (1) CD or file transfer of PDFs for each sheet. One set of plans will be returned to the Engineer/Consultant for their record.

Each sheet must be signed and sealed by the Engineer and the cover sheet of the plan shall have the owner/developer's and wetland consultant signature, this includes PDFs being submitted prior to Sussex County Engineering Department approval.

If plans are not received within one (1) year of the date of this letter, a new review process and review fee will be required.

If you should have any questions, please do not hesitate to contact me.

Sincerely,

SUSSEX COUNTY ENGINEERING DEPARTMENT
