All items on the Plan Submission form must be complete and included with the submittal, including the checklist. If submittal is insufficient the County will reject the submittal, notify the Developer/Owner and fee of \$300.00 will need to accompany the resubmittal. All connections to existing infrastructure must be field verified prior to plan submittal.

Sussex County will be assessing bonding and inspection on projects on a unit cost approach per phase. Recordation of Phasing Plans will now be required, each phase must be recorded prior to issuance of the Notice to Proceed. Any revisions to the phase will require the plan be re-recorded. Once Construction Drawings are completed with all of the above information satisfied, please submit to:
