

COMMISSIONERS OF BRIDGEVILLE
REGULAR MEETING
MAY 12, 1969

Meeting called to order by President, Paul A. Lynch
at 7.15 P. M.

Members present were, William R. Reynolds, T. J. Gray, Jr.
and John K. Simons.

John Simons Made a motion to pay cost of keeping Sewer
Meters at American Consumers, Inc. and H. P. Cannon & Son, Inc.
repaired and in working order. This was seconded by T. F.
Gray, Jr. Both companies will be notified of this
decision. Mr. Lynch advised he would have Harry Hammond
to check these meters often and advise if they are not
working.

Mr. Lynch asked T. J. Gray, Jr. if he had anything to
report from his department and Mr. Gray said everything seemed
to be in order.

J. K. Simons, reported that he felt that the pressure of the
water dropping in recent weeks was due to the fact that too
much water was being used at the sewer plant. He had kept
checked at regular intervals and it was lower while the
plant was using it. Further investigation will be made into
this.

The following bills were presented and approved for payment.
