Earl Willey, Street Commissioner reported that he had contacted people about patching the streets in town. He also said that he had been asked about installing a larger light in back of some of the stores that had a light but felt a larger one would give them more protection against robbery.

Mr. Lynch asked Mr. Gray if he had anything to report in his department. Mr. Gray told the Board about a man from the Delaware Agency to reduce crime, with whom he had met. He said that Bridgeville would be eligible for \$5400.00 upon approval of application for Subgrant. Mr. Gray said he would call District Attorneys office to get a better understanding about the collection of Fines, as there was a discussion among the Board members, as wheather or not Town Alderman's collection of fines would be like the State Courts, where by people could pay later.

It was decided that, there be a Special Meeting on Monday night to plan how to use money for police.

Being no further business meeting adjourned.

Respectfully submitted,

Mildred S. Brown
Secretary
