Motion made by Wm. R. Reynolds to pay all bills. Seconded by T. J. Gray, Jr.

Mr. Lynch asked a report from the Street Department. Earl C. Willey, Street Commissioner said the street work has been finished. There was a discussion about parking on Edgewood Street and Mr. Willey made a motion that there be no parking on either side of the street at a distance of fifty feet going west from Edgewood to Main. This was seconded by Wm. R. Reynolds.

Mr. Lynch asked Mr. T. J. Gray, Jr, Police Commissioner if he had anything to report from his department. He said things were satisfactory and that he would like to buy metal closets for coats, hats, and galoshes. This met the approval of the Board. Mr. Gray also said he would like the police to attend school as they had done previously and the only cost it would be to the town was the price of the textbooks.

It was decided the house next door purchased by the town, would be given to Mr. Evans for the sum of one dollar, in order that it be moved.

Being no further business meeting adjourned at 9:30P.M.

Respectfully submitted,

Mildred S. Brown  
Secretary
