Ordinance #26

An Ordinance to compel the Connection of properties to the Water System of the Town of Bridgeville and prescribing penalties therefore.

BE IT Ordained by the Commissioners of Bridgeville in Council met, in the manner following, to wit:

Section 1. The owner of all houses, buildings or properties used for human occupancy, employment, recreation, or for any other purpose, situated within the Town limits of Bridgeville and abutting on any street, alley or right-of-way in which there is now located or may in the future be located a public water system of the town, is hereby required at his expense to connect to such facilities, within 30 days after the date of official notice to do so.

Section 2. The Treasurer at the direction of the President of the Commissioners of Bridgeville, shall send to the owner of each property required to be connected, a notice to proceed immediately to connect the property owned by him with the Town's Water System.

Section 3. If the owner fails to connect the property owned by him with the Town's water system, the President of the Commissioners of Bridgeville may proceed, after the expiration of thirty days following the date of the delivery of the said notice to have the required work done. All connections made pursuant to this Section by the Commissioners shall be at the expense of the owner, without any expense or liability on the part of the Commissioners.

Section 4. Following the completion of the work, the Treasurer at the direction of the Commissioners shall send by certified mail with return receipt requested to the owner an itemized account of the cost of the connection. If said bill is not paid within 15 days following delivery thereof the Treasurer shall proceed and have a lien placed against the property pursuant to the provisions of the Charter.
