

COMMISSIONERS OF BRIDGEVILLE
REORGANIZATION MEETING
JANUARY 11, 1996

Reorganization meeting was called to order at 7 P.M. by Mildred Pusey. A salute to the flag was made by all attending.

Commissioners were sworn into office by Alderman Andy Robert. Those sworn in were Howard Hardesty, II, Margaret W. Sipple, Eugene Crockett, Robert Slater and Jack Dalton.

Mrs. Pusey then conducted a vote by the Commissioners for President, Secretary, Treasurer, Alderman and Town Solicitor. Those elected were:

President - Howard E. Hardesty, II	5-0
Secretary - Margaret W. Sipple	5-0
Treasurer - Mildred B. Pusey	5-0
Alderman - Andy Robert	5-0
Town Solicitor - Dennis Schrader	5-0

Mrs. Pusey then turned the meeting over to President Hardesty who began the regular meeting at 7:15 P.M. Meeting had been postponed from January 8, 1996 because of the "Blizzard of 96."

A motion was made by Comm. Sipple to dispense with the reading of last month's meeting minutes and to approve the same. Motion seconded by Comm. Slater. Motion carried unanimously.

Motion was made by Comm. Slater to pay bills of \$16,155.08 as presented, seconded by Comm. Dalton. Bills of \$42,593.70 were paid by the Municipal Street Aid Fund. This does not include salaries for the month.

Most of the money spent from Municipal Street Aid came from money that we received last year from our local legislators for some street work done not related to our ongoing project.

CORRESPONDENCE:

Pres. Hardesty said there would be a workshop on Jan. 25th, concerning land and water conservation at Richardson Robinson Bldg. in Dover. It is concerning how to apply for greenways or parks for the Town.

A letter was also received from Miss Utility.

City Management Assoc. of DE is having a meeting in Dover. All Commissioners are invited to attend. Meeting will be at noon at the Blue Coat Inn.

Greater Seaford of Commerce is having a business social on Jan. 18th. All are invited to attend. Comm. Dalton said he might attend.

A letter was received from the University of Delaware Public Administration Institute. There will be a local government training session Tuesday, Jan. 30th at Del Tech concerning government liability. Pres. Hardesty strongly suggest some one from the Commission attend. Comm. Sipple and Comm. Dalton said they would attend this meeting .

Pres. Hardesty said he had picked up a copy of Sussex County Housing Codes, National Bldg. Codes, and Del. Dept. of Transportation Utility for references when he was over in Georgetown. Books will be kept here.

Pres. Hardesty said he had received a letter from Hans Medlarz of Davis, Bowen and Friedel concerning the traffic maintenance item proposal in regards to the changing of the signs for detours and interior detours. This is going to cost the Town approximately \$55.00 per day starting Dec. 11, 1995 for the period of 120 days for the safety of the contractors. The cost will be split three ways between the two contractors and the Town. This just means that the cost will cause an adjustment to the contract. Comm. Slater said he thinks we should just remove the signs as they are ignored anyway. He also thinks the contractors should absorb this cost. It will be brought up at the next progress meeting on January 16, 1996, at 9 A. M. Also the upgrade of the sewer plant will be brought up. At this date the Commissioners have not heard from Chesapeake Utilities. Pres. Hardesty said they do not want to live up to their original contribution towards the project. They had wanted to connect their new gas lines while the project is going on and had promised to pay \$15,000.00 toward putting in sidewalks. They now want to drop the figure to around \$11,000.00. The town had planned on the additional money for sidewalk restoration. This is to be brought up at next progress meeting on 1/16/96.

On the Elm St. - Jacobs Ave. Annexation proposal the surveyors have been here and feel that this Spring will be the earliest we can get this off the ground to bring it up for a referendum.

Pres. Hardesty has contacted our Town Attorney about some Charter changes concerning "power to raise revenue" from \$100,000 to \$250,000 and also remove the 500 series of ordinances pertaining to police from the books.

Pres. Hardesty stated that the Commissioners are going to have to address the possibility of a new amendment or agreement concerning people who do not want to be annexed because they do not need to connect to our water or sewer system. Some we have agreement with. We need to adjust this so we will not have a jagged line. They could possibly be grandfathered in until they should sell their property, etc.

Pres. Hardesty said Pet Poultry pre-treatment permit is still on hold. Have not heard from them yet.

Resurfacing of certain streets by Jerry's Paving has been completed. The funds were given earlier in the year and we did not want to spend this money on the streets involved in the project. The work was supposed to be done last July or August and just got done reported Pres. Hardesty.

Pres. Hardesty said a deed from the property that was given to the Town by Art Shelly on 111 N. Main St. has been recorded and now belongs to the Town.

He also stated that he had construction meeting minutes available if anyone wanted to read them.

NEW BUSINESS:

Pres. Hardesty has a permit from McMullen Septic System and their check for

same that needs to be approved for 1996. A motion was made by Comm. Slater and seconded by Comm. Dalton to accept them as a Waste Hauler. Vote was 5-0. Permit to run from Jan. 1 to Dec. 31, 1996.

Pres. Hardesty and Comm. Slater attended the Legislators Scat Meeting. He said he found it to be informative as it was a question and answer meeting.

Pres. Hardesty said a budget workshop will be held on January 24th at 6:30 P.M. at the Town Hall to prepare for FY96 Budget.

Pres. Hardesty said he had received a letter from our Town Engineer that Mr. William LeCates of Community Block Grant Development (CDBG) had inquired about extending water lines to North St. that runs just out of the Town's limits by ECEC School on Church St. The CDBG would pay all the cost of running the lines. They would also pay the impact fees. The owners of the houses would also have to sign agreements to pay Town taxes, the same as all of our Town residents do. It would cost approximately \$60,282.00 to run water to these 16 homes.

COMMISSIONERS REPORTS:

Comm. Slater said the only thing he had was that Well #5 is up and running.

Comm. Sipple said she had received few complaints concerning snow removal but had received many compliments about snow removal. The Commissioners commended the guys as they had done an outstanding job.

Police Report - Copy attached.

Alderman Report- Copy attached.

Citizens Privilege - Mr. Bill Sietz of Pet Poultry Products was introduced. He said his main reason for his presence was to explain the late payment of their sewer bills. He does have questions about the EPA Pre-Treatment Costs that appear on their billing. These costs are not itemized by Davis, Bowen and Friedel. Pet Poultry would like a detailed bill before paying the bill. Phillip is to check and make sure that Davis, Bowen and Friedel send an itemized bill for each month. Mr. Seitz says he is also concerned with the permit fees as no where in the application does it say engineering fees are included in the permit fee, only a \$100.00 application fee. Pres. Hardesty said Mildred would send out an itemized bill as soon as possible. Mr. Seitz said they would re-apply for a new permit.

A motion was made by Comm. Slater, seconded by Comm. Sipple to go into executive session 8:10 P.M. Motion so carried.

Regular session was resumed at 9:05 P.M. There were no motions made in executive session. A discussion of personnel problems and pending litigations was held.

Comm. Slater made a motion to advertise and hire a person for Town Clerk to replace our retiree. Possible salary to be \$9.00 to \$12.00 per hour. Motion seconded by Comm. Crockett. Motion was unanimous.

Pres. Hardesty said he had one other topic that he felt should be addressed. That is naming department heads. He said he would like to

try something different for a few months and not appoint department heads. He wanted the Commissioner's opinion on this. Comm. Crockett and Comm. Slater were not in favor of this but Comm. Sipple and Comm. Dalton were willing to try it President Hardesty's way for a period of three months. Comm. Crockett said the Charter required the president to appoint department heads, but Mr. Hardesty said there is no where in the Charter where it says you have to. After much discussion, it was decided to try it for three months.

A motion was made by Comm. Sipple to adjourn, seconded by Comm. Slater at 9:20 P.M. Motion so carried.

Respectfully submitted,

Margaret W. Sipple
