Mr. Richard Jefferson, a student at Delaware Technical & Community College, attended as an observer to the meeting as part of his studies.

T. J. Gray, Jr. reported on problems concerning Mamie Jones property and the Columbia Hotel building.

Allen Jones discussed problems concerning waste treatment. Waste received from industry has been the primary cause of plant problems and chemical expense. Information is being gathered from chemical representatives, state officials, and other informed sources to plan to correct the problems.

Meeting adjourned at 9:30 P. M.

Respectfully submitted,

W. Allen Jones

W. Allen Jones, Sec. Pro Tem.
